Gail Jack

The Business of Child Care Gail Jack, 2005 The Business of Child Care: Management and Financial Strategies focuses on the most essential business skills child care owners and administrators need. Aimed at helping owners and administrators manage their human and financial resources, this book details the most successful approach to managing enrollment, staff recruitment and retention, budgets, financial record keeping, and more. Written by a veteran child care administrator who holds an MBA, and has over 12 years of experience as an Early Childhood Administrator, the material is presented in a straightforward manner with charts and illustrations in every chapter. The accompanying CD-ROM with financial spreadsheets makes it easy to establish a successful business system for the administration of a child care center. Book jacket.

**Child Welfare Services Case Management System** California. Department of Social Services, 1987

**Pocket Book of Hospital Care for Children** World Health Organization, 2013 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Management.

**Project Management for Parents** Hilary Kinney, PMP, 2021-11-02 Project Management for Parents helps families strengthen their relationships and reduce stress by applying techniques, normally used by billion-dollar companies, to streamline their busy lives. In today's day and age, especially amidst the changes brought about by a global pandemic, parents, stepparents, guardians, and caregivers need a set of tools that can be used with children of any age to help them focus on their priorities, get organized, and boost productivity. In Project Management for Parents, Hilary Kinney provides an accessible, repeatable framework that can transform their approach to any kind of task at home in three steps: Step 1: Build Teamwork Step 2: Establish Your Approach Step 3: Succeed as a Family What's more, these same principles help improve family relationships by creating a positive environment, fostering communication, and encouraging children to think and act independently. This practical guidebook includes easy-to-understand exercises and tools that both parents and children can use, along with 25 real-life examples like selecting a childcare provider, managing homework, discussing risky teenage behavior, applying to college, and moving to a new city. Hilary shows parents how to apply proven project management concepts to family life, equipping families to successfully achieve their goals—together.

**Effective Technology Tools for School Leadership** Leslie Jones, Eugene Kennedy, 2022-11-23 This book prepares educational leaders with the knowledge needed to critically evaluate, select, and use technological tools to be effective school leaders. Authors Jones and Kennedy explore the technology tools needed to support the full range of responsibilities of a school leader, including management and administration, personnel and evaluation, security and safety, instructional leadership, organizational culture and climate, external relationships, and action research. Each chapter unpacks advantages and pitfalls of various technological tools and includes case scenarios that contextualize these ideas for readers. Chapter content is also aligned with The Professional Standards for Educational Leaders (PSEL), the National Educational Leadership Preparation Standards (NELP), and the International Society of Technology Standard in Education (ISTE) standards. This timely and important book adds to the toolbox for educators preparing to become effective and cutting-edge school leaders.

*Children's Ministry Wake up Call* Esther Moreno, 2019-12-16 The warning signs are everywhere: cyberbullying, sex trafficking, and school shootings are on the rise. Our children have matriculated in the digital age. With unprecedented access to information and rapidly developing technology, their views of the church, authority, and God are all shifting. If we ever hope to be successful in reaching the children of tomorrow, we must move beyond the status quo and completely revolutionize our approach, evaluate our methods, and make the investments required to become the church that this generation so desperately needs. In her own authentic voice, Esther invites Children's Ministry leaders to do just that in her second book, Children's Ministry Wake Up Call. Esther Moreno has dedicated her life to reaching the next generation for Christ. She has nearly 20 years of Children's Ministry experience across various churches and denominations. From the U.S. to Uganda, Esther's passion for moving Children's Ministry forward has manifested itself in monthly live webinars on social media, virtual trainings for Children's Ministry departments all over the country, conferences, radio and more. Esther is a gifted speaker, teacher, and author. She holds a Masters from Ashland Theological Seminary with a concentration in Christian Education. She currently attends Life Church Huntsville, Alabama, where she resides with her husband, Guylando, and their two beautiful children, Grace and Gideon. This book is a must read for all children's ministry leaders and pastors who are serious about reaching the children of this generation. It is packed full of insights and knowledge that will help you to skillfully sharpen your ministry efforts in this era. It's not just coming from the pen, but from the heart of an experienced and youthfully exuberant children's pastor with love and passion. So grab your team and get ready to create an effective, ever evolving ministry equipped for generations to come. Larriston Gaynor National Children's Ministry Director New Testament Church of God, Jamaica

School-Age Child Care Michael Allenson, Michelle Seligson, 1993-04-30 Families need child care more in the 1990s than ever before. Those hours surrounding school time are particularly troublesome for working parents. In this new edition of a pioneering work, Seligson and Allenson explore the challenges that child care providers will encounter as the 21st century approaches. The authors skillfully balance a practical business operations text with an investigation into the meaning of social obligation. The central theme of partnership in offering care underscores each of the 12 chapters. These general planning elements form guidelines designing and managing a caring program for children aged 5-12. Topics covered include administration, curriculum, legal issues, budgeting, and assessment. Careful consideration is given to an outline for human resources development. The authors take an in-depth look at the day-to-day operation of a center--detailing concerns from behavioral and medical to scheduling and transportation. The concept of a child care professionalism which reflects respect, partnership, and caring, is sustained throughout this practical manual. An important contribution to the research and practice of child care, this volume draws providers and practitioners together in a process of self-

reflection in order to effectively respond to the needs of today's--and tomorrow's--families.

My Many Colored Days Dr. Seuss,1998-09-08 Dr. Seuss's youngest concept book is now available in a sturdy board book for his youngest fans! All of the stunning illustrations and imaginative type designs of Steve Johnson and Lou Fancher are here, as are the intriguing die-cut squares in the cover. A brighter, more playful cover design makes this board book edition all the more appropriate as a color concept book to use with babies or a feelings and moods book to discuss with toddlers.

**Childcare Provision in Neoliberal Times** Aisling Gallagher,2023-09 In the absence of public provision, many governments rely on the market to meet childcare demand. But who are the actors shaping this market? What work do they do to marketize care? And what does it mean for how childcare is provided? Based on an innovative theoretical framework and an in-depth study of the New Zealand childcare market, Gallagher examines the problematic growth of private, for-profit childcare. Opening the 'black box' of childcare markets to closer scrutiny, this book brings to light the complex political, social and economic dynamics behind childcare provisioning.

Security and Software for Cybercafes Adomi, Esharenana E.,2008-04-30 Cybercafes, which are places where Internet access is provided for free, provide the opportunity for people without access to the Internet, or who are traveling, to access Web mail and instant messages, read newspapers, and explore other resources of the Internet. Due to the important role Internet cafes play in facilitating access to information, there is a need for their systems to have well-installed software in order to ensure smooth service delivery. Security and Software for Cybercafes provides relevant theoretical frameworks and current empirical research findings on the security measures and software necessary for cybercafes, offering information technology professionals, scholars, researchers, and educators detailed knowledge and understanding of this innovative and leading-edge issue, both in industrialized and developing countries.

**FamilyMint** Robert Masterson,Jeff Eusebio,2012-11-15 This unique step-by-step program guides your child through a series of money activities where they will develop foundational money habits that will benefit them for the rest of their lives. Unlike other programs, the FamilyMint Method combines the best of the real world and the virtual world. The workbook-based learning format helps your child stay focused and engaged. The online FamilyMint money management software lets your child develop new life skills while teaching money lessons in a safe, virtual setting. Activities compliment math curriculum and may either be completed using the included money worksheets or online. At the end of the 2 month program, your child will receive a Certificate of Achievement so they can proudly display their new money management prowess. This program will teach your child much more than simple kids money games. It's the best money activity for kids that lets them learn about money while simultaneously practicing behaviors that will eventually form into long term habits. The FamilyMint Method is so effective at teaching kids about money that it was named Education Program of the Year for Children, Planning & Money Management by the Institute for Financial Literacy. Grades 5 & up (ages 10+)

*Research Methods for Child Life Specialists* Sarah Daniels,Sherwood Burns-Nader,Jessika Boles,2021-03-05 In today's evidence-based healthcare culture, child life specialists must demonstrate knowledge and skill not only in clinical care, but also in planning and evaluating the impact of their interventions--yet few resources exist to provide research skills and support for these practitioners. To adequately evaluate, improve, and innovate patient and family outcomes, it is essential that all providers understand the key inquiry pathways of research. Combining clinical examples and skills with candid advice from seasoned child life specialist researchers, this text scaffolds the concept of inquiry into feasible units of action. From identifying a clinical question to assembling a team, designing a project, collecting and analyzing data, and reporting on results, it guides students, professionals, and administrators in actively exploring and improving healthcare outcomes for patients and their families. Case examples from the authors' own experiences as clinicians and researchers serve to demonstrate how to seamlessly translate clinical skills into those needed for success in research, ensuring that child life specialists remain active contributors to today's research evidence on the needs of children and families during healthcare encounters.

Management of Child Development Centers Verna Hildebrand,1990 In this new edition, emphasis is given to dealing with children with special needs and those from diverse backgrounds. KEY TOPICS: With a focus on daycare and preschool programs, the new edition provides a comprehensive and practical overview of how to manage a childcare center. This book is concerned primarily with the skills needed to run a child care center; planning a curriculum for instruction is not discussed. For anyone interested in the child development field.

**Child Care Management System (CCMS)** Dept. of Education,2008

**Progress in Behavioral Health Interventions for Children and Adolescents, An Issue of Pediatric Clinics of North America, E-Book** Xiaoming Li,Sayward Harrison,2022-08-12 In this issue of Pediatric Clinics of North America, guest editors Drs. Xiaoming Li and Sayward Harrison bring their considerable expertise to the topic of Progress in Behavioral Health Interventions for Children and Adolescents. Nearly three-quarters of adult mental health disorders have their onset during childhood, where treatment becomes more difficult and has greater social, educational, and economic consequences over time. This issue provides the information and resources needed to identify and treat mental health and clinical issues in children, with the goal of improving outcomes. Contains 16 relevant, practice-oriented topics including leveraging technology in novel interventions for autism spectrum disorder; childhood obesity prevention and treatment; parental rules, parental routines, and children's (0-12 years) sleep and screen time; family-based preventions and interventions for child emotional and behavioral functioning in families facing stress/trauma; integrating behavioral health in primary care; and more. Provides in-depth clinical reviews on behavioral health interventions for children and adolescents, offering actionable insights for clinical practice. Presents the latest information on this timely, focused topic under the leadership of experienced editors in the field. Authors synthesize and distill the latest research and practice guidelines to create clinically significant, topic-based reviews.

Networks for Social Impact Michelle Shumate,Katherine R. Cooper,2022-01-07 A broad review of how nonprofits, businesses, and governments work together to tackle social problems Networks for Social Impact takes a systems approach to explain how and when networks make a social impact. Michelle Shumate and Katherine R. Cooper argue that network design and management is not a one-size-fits-all formula. Instead, they show that the type of social issue, the mechanism for social impact, environment, and resources available each determine appropriate choices. Drawing on research from public administration, psychology, business, network science, social work, and communication, this book synthesizes what we know about how to best design and manage networks. It includes illustrations from thirty original case studies

which describe groups of organizations addressing issues such as gender-based violence, educational outcomes, senior care, veterans' services, mental health and wellness, and climate change. Additionally, the volume examines critical issues that leaders address in creating and managing networks, including social issue analysis, network governance, securing and managing funding, dealing with power and conflict, using data effectively, and managing change. Each chapter includes tools for network leaders to use to handle these issues. This book is neither an overly idealistic, pro-collaboration account of the benefits of network approaches, nor is it a critical view of these efforts. Instead, this clear and concise volume highlights the opportunities and challenges of networks.

Assessment of Young Children with Special Needs Susan M. Benner,Joan Grim,2012 There are many assessment systems available to provide the answers teachers and parents seek regarding the progression of infants, toddlers, and young children. However, simply choosing and administering an assessment instrument or procedure from the wide array of tools available today can be an overwhelming task. Assessment of Young Children with Special Needs helps prepare teachers for the task of evaluating the skills of infants, toddlers, and preschool children with developmental delays and those considered at risk to ...

Task Force on Education for Children with Disabilities--Year II (Minnesota) Elizabeth Carlson,Jo Gascoigne,Dixie Jordan,1998-03 The Minnesota State legislature established a Task force to make recommendations regarding special education, especially to develop three specific sets of recommendations: a study of the State Board of Education rules (especially students' access to necessary services, maximization of teacher contact time with students, paperwork requirements, etc.); review the case loads and number of pupils assigned to special education teachers; and develop a plan for meeting the information, instructional, and assistive technology needs of special education within the context of the state education system.

A Critical Handbook of Children's Literature Rebecca J. Lukens,1998-03 A Critical Handbook of Children's Literature, Ninth Edition, gives future teachers, practicing teachers, librarians, and parents many examples of quality children's literature to guide them in choosing the best books for the classroom, library, or home. The Handbook analyzes children's books that showcase positive examples of the literary elements, formats, and genres that are the focus in the field of children's literature. The books are noteworthy children's books, from classics to favorites to just-published titles, all selected as thought-provoking, important, or motivating choices. The authors suggest that readers examine the Handbook and then apply the literary concepts to additional reading from today's ever-expanding selection of children's books.
