Raising Uncommon Kids Sami Cone, 2016-01-12 The single greatest lesson parents teach their kids isn't anything they say--it's what they do. And while most parents would say they want to raise compassionate kids, they might be surprised to discover just how little they're actually modeling the behaviors they hope to pass on--qualities such as unconditional love, gentleness, forgiveness, patience, gratitude, humility, and more. In this unique book, Sami Cone shows parents a new way to look at molding their children, one in which focusing on adding good behaviors and attitudes is more powerful than eliminating bad ones. Grounding her advice in Scripture--specifically the twelve characteristics found in Colossians 3:12-17--Cone offers plenty of stories from her own life to show these principles in action. And she offers practical things parents can do right now to create a home and family that exhibits love, harmony, and generosity of spirit in a self-centered world.

Bible Story Book for Kids Karen Jones, 2019-11-15 If you want an important tool to teach your children about the wonderful Bible and all the promises it holds, keep listening! The New Testament is a clear and concise summary of the Greatest Story Ever Told, the Life of the Lord Jesus Christ. It is written for young minds to understand and explore the main points of Jesus' birth, life, death, and ascension, as well as the rise of the Christian church. It includes explanations of the locations, culture, hard to understand figures of speech, and the external cultures surrounding his life. Parents--in a world so busy, so beautiful, so interesting, and often so confusing--some of us think that we don't have time for God. However, for those who are aware of him, we can understand the peace what a prayerful life can bring to a soul. Even the little children have daily challenges and daily choices--and imparting a love of God into their heart at an early age is a wonderful gift for a fabulous life. To a child, prayer is a natural instinct. As we raise our children to do good, to live with the principles you are teaching them, it is also important to teach them the power and importance of prayer. In this world, you represent God to a young child--giving them their needs often before they even ask. God encourages all of us to teach them that it is ultimately God who supplies all of our needs. The Bible Story Book for Kids will show you: The miracle of the immaculate conception of Mary The wondrous childhood of Jesus The friendship that Jesus had with his apostles and disciples The miracles that Jesus performed for one person or for thousands The reason that Christ had to be crucified for you and me How the early Christian church grew for both Jews and Gentiles How the power of God can still work today for anyone who believes And much more... The Bible is one of the most amazing miracles God ever performed and is written so that the youngest child to someone who studied it for his whole life can constantly find deeper and deeper levels of understanding about the love that God has for all his children. It is our hope and prayer that this book will start a journey that will last an entire lifetime of learning about God and loving him as a personal Father, to be born again as a child of God, and eventually to be with God and Jesus Christ through all eternity to come. The stories about Jesus Christ and what he did are presented in a brief, simple format, suitable to be studied with your children or read to them at night as they drift off to sleep. It will allow your children to understand that the promise of God to live a powerful, righteous life in this day and time is still available, no matter how far society degrades into confusion. If you desire to give your child a tool that can reward your child for a lifetime and beyond, just get this

awesome book and enjoy!
