The Snowy Day Ezra Jack Keats, 2012-10-11 The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder

at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as *Goggles*, *A Letter to Amy*, *Pet Show!*, *Peter's Chair*, and *A Whistle for Willie*. (This book is also available in Spanish, as *Un día de nieve*.) Praise for *The Snowy Day*: "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." —*The Atlantic* Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow.—*Publisher's Weekly*

Boomer's Big Day Constance W. McGeorge, 2012-06-29 A golden retriever learns to cope

with the anxieties of moving house in this charming picture book. Boomer's ready for his morning walk. Here's his leash. There's the door. But try as he might, he can't get anyone to pay attention to him. The humans in the house don't rush out the door after breakfast as they normally do. And, most confusing of all, strangers arrive to pack all the things in Boomer's house into boxes. There's definitely something unusual going on . . . The simple text and heartwarming pictures charmingly depict Boomer's confusion, anxiety, concern, and ultimate delight on this day familiar to all: moving day. "Humorously sympathizing with the tribulations of moving, this endearing picture book will soothe the anxieties of children facing a move."

Different--A Great Thing to Be! Heather Avis, 2021-06-29 NEW YORK TIMES BESTSELLER • This joyful rhyming book encourages children to value the “different” in all people, leading the way to a kinder world in which the differences in all of us are celebrated and embraced. Macy is a girl who’s a lot like you and me, but she's also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us “different,” permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them.
