The Wife Stalker Liv Constantine,2020-05-19 The bestselling author of *The Last Mrs. Parrish*—a Reese Witherspoon Book Club pick—returns with a psychological thriller, filled with chilling serpentine twists, about a woman fighting to hold onto the only family she's ever loved—and how far she'll go to preserve it. Named one of the most anticipated thrillers of the year by Goodreads, Bustle, SheReads, and Library Journal; A LibraryReads pick of the month Breezing into the upscale seaside paradise of Westport, Connecticut, gorgeous thirtysomething Piper Reynard sets down roots, opening a rehab and wellness space and joining a local yacht club. When she meets Leo Drakos, a handsome, successful lawyer, the wedding ring on his finger is the only thing she doesn't like about him. Yet as Piper well knows, no marriage is permanent. Meanwhile, Joanna has been waiting patiently for Leo, the charismatic man she fell in love with all those years ago, to re-emerge from the severe depression that has engulfed him. Though she's thankful when Leo returns to his charming, energetic self, paying attention again to Evie and Stelli, the children they both love beyond measure, Joanna is shocked to discover that it's not her loving support that's sparked his renewed happiness—it's something else. Piper. Leo has fallen head over heels for the flaky, New Age-y newcomer, and unrepentant and resolute, he's more than willing to leave Joanna behind, along with everything they've built. Of course, he assures her, she can still see the children. Joanna is devastated—and determined to find something, anything, to use against this woman who has stolen her life and her true love. As she digs deeper into Piper's past, Joanna begins to unearth disturbing secrets . . . but when she confides to her therapist that she fears for the lives of her ex-husband and children, her concerns are dismissed as paranoia. Can she find the proof she needs in time to save them?

Book of Clouds Chloe Aridjis,2009-03-10 A young Mexican woman adrift in post-unification Berlin encounters romance, violence, and revelation in this “stirring and lyrical first novel” (Paul Auster, award-winning author and filmmaker). Having escaped her overbearing family in Mexico, Tatiana settles in the newly reunified city of Berlin, where she hopes to cultivate a life of solitude. But when she takes a job transcribing notes for the reclusive historian, Doktor Weiss, Tatiana's simple life becomes more complex—and more perilous. Through Weiss, she meets a young meteorologist who, as a child in East Germany, took solace in the sky's constant shape-shifting, an antidote to his grim and unchanging reality. As their three conflicting worlds begin to merge, the tension culminates in an act of violence that will leave none of them untouched. Unfolding with the logic of a dream, *Book of Clouds* is both “a stunningly accurate portrait of Berlin” and a beautiful exploration of the myths we cling to in order to give our lives meaning. From a crowded U-Bahn where Hitler appears dressed as an old woman to an underground Gestapo bowling alley whose walls bear score marks from games long settled, Chloe Aridjis guides us through layers of history with wit and compassion, blurring the lines between real and imagined. Her debut novel is “required reading of the most pleasurable sort” (The New York Times). Named one of the 10 Best Books Set in Berlin by The Guardian.

The Winter Guest Pam Jenoff,2018-09-10 A stirring novel of first love in a time of war and the unbearable choices that could tear sisters apart, from the New York Times bestselling author of *The Orphan's Tale* Life is a constant struggle for the eighteen-year-old Nowak twins as they raise their three younger siblings in rural Poland under the shadow of the Nazi occupation. The constant threat of arrest has made everyone in their village a spy, and turned neighbor against neighbor. Though rugged, independent Helena and pretty, gentle Ruth couldn't be more different, they are staunch allies in protecting their family from the threats the war brings closer to their doorstep with each passing day. Then Helena discovers an American paratrooper stranded outside their small mountain village, wounded, but alive. Risking the safety of herself and her family, she hides Sam—a Jew—but Helena's concern for the American grows into something much deeper. Defying the perils that render a future together all but impossible, Sam and Helena make plans for the family to flee. But Helena is forced to contend with the jealousy her choices have sparked in Ruth, culminating in a singular act of betrayal that endangers them all—and setting in motion a chain of events that will reverberate across continents and decades. Shiver Allie Reynolds,2021-01-19 In this propulsive locked-room thriller debut, a reunion weekend in the French Alps turns deadly when five friends discover that someone has deliberately stranded them at their remote mountaintop resort during a snowstorm. When Milla accepts an off-season invitation to Le Rocher, a cozy ski resort in the French Alps, she's expecting an intimate weekend of catching up with four old friends. It might have been a decade since she saw them last, but she's never forgotten the bond they forged on this very mountain during a winter spent fiercely training for an elite snowboarding competition. Yet no sooner do Milla and the others arrive for the reunion than they realize something is horribly wrong. The resort is deserted. The cable cars that delivered them to the mountaintop have stopped working. Their cell phones--missing. And inside the hotel, detailed instructions await them: an icebreaker game, designed to draw out their secrets. A game meant to remind them of Saskia, the enigmatic sixth member of their group, who vanished the morning of the competition years before and has long been presumed dead. Stranded in the resort, Milla's not sure what's worse: the increasingly sinister things happening around her or the looming snowstorm that's making escape even more impossible. All she knows is that there's no one on the mountain she can trust. Because someone has gathered them there to find out the truth about Saskia...someone who will stop at nothing to get answers. And if Milla's not careful, she could be the next to disappear...

Cat Out of Hell Lynne Truss, 2015-03-03 Acclaimed New York Times bestselling author Lynne Truss (Eats, Shoots & Leaves) is back with a mesmerizing and hilarious tale of cats and murder For people who both love and hate cats comes the tale of Alec Charlesworth, a librarian who finds himself suddenly alone: he's lost his job, his beloved wife has just died. Overcome by grief, he searches for clues about her disappearance in a file of interviews between a man called Wiggy and a cat, Roger. Who speaks to him. It takes a while for Alec to realize he's not gone mad from grief, that the cat is actually speaking to Wiggy . . . and that much of what we fear about cats is true. They do think they're smarter than humans, for one thing. And, well, it seems they are! What's more, they do have nine lives. Or at least this one does – Roger's older than Methuselah, and his unblinking stare comes from the fact that he's seen it all. And he's got a tale to tell, a tale of shocking local history and dark forces that may link not only the death of Alec's wife, but also several other local deaths. But will the cat help Alec, or is he one of the dark forces? In the deft and comedic hands of mega-bestseller Lynne Truss, the story is as entertaining as it is addictive" (The Sunday Telegraph) – an increasingly suspenseful and often hysterically funny adventure that will please cat lovers and haters alike. And afterwards, as one critic noted, "You may never look at a cat in quite the same way again" (The Daily Mail).
