ABC Dictionary of Chinese Proverbs (Yanyu) John S. Rohsenow,2001-11-30 This Chinese-English dictionary of proverbs (yanyu) consists of approximately 4,000 Chinese proverbs alphabetically arranged by the first word(s) (ci)

of the proverb according to the Hanyu Pinyin transcription and Chinese characters (standard simplified), followed by a literal (and when necessary also a figurative) English translation. Additional data such as brief usage notes, sources, parallel expressions, cross-references, and famous instances of use are provided where available. The proverbs are supplemented by an index of key words (both Chinese and English) found in all entries and of all topics addressed. The author has provided a scholarly introduction analyzing the definition, structure, usage, and history of these yanyu in traditional and contemporary China as well as a bibliography of collections and relevant scholarly studies of yanyu. This work, the first such scholarly collection to appear since the Reverend Scarborough's 1926 collection, will be of use not only to sinologists in a wide variety of fields, including anthropology, literature, sociology, psychology, and history, but also to non-Chinese readers interested in Chinese culture or comparative ethnolinguistic and paremiological research.

An English and Chinese dictionary William Lobscheid, Tetsujiro Inoue,

Yijing (I Ching) Chinese/English Dictionary with Concordance and Translation Daniel Claudio Bernardo, 2012-08 This Chinese/English YiJing dictionary includes all Chinese characters found in the YiJing as well as a translation and a concordance. Both the traditional explanations for the character's meanings and the findings of the modern research on oracle bones characters are

covered. 993 Chinese characters are explained in detail and in many cases not only the traditional but also archaic representations are shown to clarify the character's original significance. Multi-character words are covered as well, to help understand some YiJing expressions. Includes all characters found in The Judgment, The Lines and The Image.
