Richard Craze

A Match Made in China Redd Starr, 2016-12-21 Redd Starr heard it all as the years passed by: Why haven't you found someone yet? When are you going to find yourself a wife? Don't you want to find someone? The truth was that he had been looking for someone for quite some time. But, he could not find her. He tried dating women from church with no success. He tried dating many other different types of women as well with no luck at all. After a brief encounter with an Asian woman, he began to wonder if perhaps he should take a more serious look at Asian women - more specifically, Chinese women. After all, he already knew he loved the food and their culture. It wasn't long before he was on an International dating website, chatting with dozens of women, and trying to narrow down his choices. He was now on a mission to find his future wife. But, he would need to gather as much information as he could to actually find her, and then to bring her to America. Join the author as he goes to China to find the woman of his dreams in a story that proves the secret formula to any relationship can be found in 1 Corinthians 13:4-8 Love never fails.

Chinese Zodiac Compatibility Hogy Ja, 2014-12-08
Chinese Zodiac Compatibility Astrology Compatible Chinese Zodiac Signs are the results of 4,000 years of observations and study. Oriental sages have long understood the horoscope relationships among the astrological signs based on personality traits, the ancient philosophy of I Ching, and the primal forces of the Tao Compatibility (and incompatibility) are hard-wired into the brain. More than that, the evidence can be found in our chromosomes and genes. Research has revealed that the genetic structures that trigger sex development are determined by an initial positive or negative (yin/yang) charge at conception. And, this process will continue throughout our psycho-sexual (sometimes life-long) search for our missing compliment. with this eBook: complete each other Chinese sign compatibility astrology

Women in Chinese Martial Arts Films of the New Millennium Ya-chen Chen,2012 Women and Gender in Chinese Martial Arts Films of the New Millennium, by Ya-chen Chen, is an excavation of underexposed gender issues focusing mainly on contradictory and troubled feminism in the film narratives. In the cinematic world of martial arts films, one can easily find representations of women of Ancient China released from the constraints of patriarchal

social order to revel in a dreamlike space of their own. They can develop themselves, protect themselves, and even defeat or conquer men. This world not only frees women from the convention of foot-binding, but it also unbinds them in terms of education, critical thinking, talent, ambition, opportunities to socialize with different men, and the freedom or right to both choose their spouse and decide their own fate. Chen calls this phenomenon Chinese cinematic martial arts feminism. The liberation is never sustaining or complete, however; Chen reveals the presence of a glass ceiling marking the maximal exercise of feminism and women's rights which the patriarchal order is willing to accept. As such, these films are not to be seen as celebrations of feminist liberation, but as enunciations of the patriarchal authority that suffuses Chinese cinematic martial arts feminism.
