Urban Life in Contemporary China Martin King Whyte, William L. Parish, 1985-11-15 Through interviews with city residents, Martin King Whyte and William L. Parish provide a unique survey of urban life in the last decade of Mao Zedong's rule. Popular Religion in Modern China Lan Li,2016-03-23 Since the early 1980s, China's rapid economic growth and social transformation have greatly altered the role of popular religion in the country. Popular Religion in Modern China uses Nuo as an example of how a popular religion has been directly incorporated into the Chinese Community Party's (CCP) policies and how the religion functions as a tool to maintain socio-political stability, safeguard national unification and raise the country's cultural 'soft power'

in the eyes of the world. It provides rich new material on the interplay between contemporary Chinese politics, popular religion and economic development in a rapidly changing society.
