**Dutching the Book** Ritch Gaiti, 2012-02-04

Dutching the Book is an American epic about the tests of friendship and family over several decades and a one man's quest to be the best horseplayer in the game. Based on real people and events over several decades, it is a tribute to those who really lived it. Late 1930's Brooklyn, the Great Depression had almost gone. In high school, Ben Collesano had a can't-lose scheme and he didn't--until the racetrack shut him down. Now, over twenty years later, a fireman, he would be tested against the best. But this time he could lose everything as he takes on bookies to save his family and, on the journey, finds himself.

DUTCHING THE BOOK is about the tests of lifelong friendship, family, gambling, horse racing, betting capers and a man's quest to pursue a dream. It is about four friends, as different as friends could be; yet bound together by a loyalty that endured through decades, until it was broken.

**Infitalis** Petra Theunissen,2008-03-01 Now on Krinis, the Algidan home planet, Cathy has to come to grips with being the Chosen One, as well as her growing powers. Her first task is to go to Infitalis, the City of the North, to enlist the help of their Council in the struggle for power between the Algidans and Antediluvians. But once there, she learns that she and her friends are trapped inside the mesmerising city unless she kills the city's Consciousness. Reluctant to commit such a deed, her actions set into motion a chain reaction that will lead to civil war on

Krinis and a shock revelation about the man she loves.

**Continuum** Al C. Woods, 2013-03-07 The identity of what's taking place between members of the Kanin Clan in this literature is affection and collision. The tense medium of such injury was Gerald the father, and Marcus the taught son. Then Pitney the lone sister a person whom apparently wouldn't have crouched to such depths at one time. Always boxing. Snubbed irreverent Chris, the aggrieved blood, was humble. Their pops had issues probably no one could clear up. Marcus manufactured his praecox personality. And events and situations moved the sister to become tough butt. Praise for the two of his offspring and distress for the eldest was a commitment Gerald would engage himself in until his home-going. Elmira the helpful mom and wife never would back such thinking exteriorized by her husband at Chris. Yet through the blood, sweat and attack of the vulgate seed and tough niggling daddy a structure facility was started. But a soul's fate did remain a puzzle. Abjuration prevailed against the Kanin siblings moving him to hurry in the direction of conflicting lifework. Concerns that would modify the line of what might have been in his being only if such fact would have occurred differently than it had. Always embroiled in contention and psychological stress, the fulfilling movement climaxes with The Kanin combo competing on a multimillion dollar building launch. The phrasal that was uttered thousands of years ago that Life is the best teacher, soon was revealed to the kin that wreaked havoc on one in

their house. Like millions whom are plagued by misfortune in life, Christopher Kanin the menial working son- while trying to find sedulous space the pendulum of bad luck or evil portion kept swinging his way.

**Beyond Devil's Dream Daniel A.**

Saviers, 2014-01-17 Mount Rainier looms over the skyline of the Pacific Northwest as a beacon for thrill seekers, but also for those looking for an escape from everyday existence. Four men have decided to backpack on the Wonderland Trail looping around the mountain for very different reasons. Josh is on a pilgrimage to his favorite place in the world in hopes of steering his life back on course. Chris is on a quest for one last wondrous sunset. After searching for his missing wife for the last three months, Scott goes to the mountain as a tribute to Diane and a faint hope that he might find her there. Marvin is trying to escape from his present situation and past deeds. With each step on the trail they learn that they can't outrun the demons that haunt their lives, or even their dreams, and the mighty volcano is not a passive participant to their plans. Beyond Devil's Dream camp the journey spirals out of control, as the splendors around them refresh the spirit, the physical dangers challenge their mortality. In the end, only two of the men will be left to make the final race to Paradise.
