The Power of a City at Prayer Mac Pier, Katie Sweeting, 2002-01-01 Months before September 11, 2001, many Greater New York churches were uniting together in one of the largest urban prayer movements in the world. So when disaster struck on that late summer Tuesday morning, the churches and people were already in place to comfort, heal and pray for miracles. Mac Pier and Katie Sweeting, coordinators for Concerts of Prayer Greater New York, write about their experiences in *The Power of a City at Prayer*. They explain how to build an urban prayer ministry, and they share powerful examples of how such prayer movements have dramatically influenced neighborhoods, communities and cities around the world—including New York City before and after September 11, 2001.

The Faith Next Door Paul D Numrich, 2009-08-13 The religious landscape of the United States has changed dramatically in recent decades. How are Christians relating to their Buddhist, Hindu, Muslim, and other new religious neighbors? Using local examples, *The Faith Next Door* covers the gamut of Christian responses to America's multireligious reality. The book also examines how the events of September 11, 2001 have shaped Christian approaches to believers from other faiths, from engaging in dialogue to hoping for conversion. Here Christian theology meets the multireligious real world, with multiple results suggestive of national trends. *The Faith Next Door* will appeal to Christians from all denominations and perspectives who seek models for relationships in the diverse contemporary context. It will also inform non-Christian readers and general observers of trends in American religion about the variety of local Christian responses to other religions.

30 Events That Shaped the Church Alton Gansky,2015-01-20 The church of today did not appear on the earth fully formed but developed over the centuries through historical events that, while they may seem distant, have a direct effect on our everyday lives. Following Jesus's command to spread the gospel to the ends of the earth, the apostles and their spiritual descendants have grown the church through times of peace and times of war, through persecution and pilgrimage. The church that began as a rag-tag group of Middle Eastern fishermen, tax collectors, and zealots became the multi-ethnic, multifaceted church of today. Now thirty of those course-altering events are brought to life by consummate storyteller Alton Gansky. Spanning twenty centuries of history, this lively book will entertain and educate readers who love history and who want to know why the church is the way it is today.

Documents of the Christian Church Henry Bettenson,Chris Maunder,2011-09-29 This selection of writings from the most important moments in the history of Christianity has become established as a classic reference work, providing insights into 2000 years of Christian theological and political debate. While retaining the original material selected by Henry Bettenson, Chris Maunder has added a substantial section of more recent writings. These illustrate the Second Vatican Council; the theologies of liberation; Church and State from 'Thatcher's Britain' to Communist Eastern Europe; Black, feminist, and ecological theology; ecumenism; and inter-faith dialogue. The emphasis on moral debate in the contemporary churches is reflected in selections discussing questions about homosexuality, divorce, AIDS, and in-vitro fertilization, amongst other issues. This further expanded fourth edition brings the anthology up-to-date with a new

section looking at issues facing the twenty-first century churches. This includes extracts exploring the churches' responses to questions of social justice, international politics, trade and debt, environmental change, and technological development. New material also covers the global growth of Christianity, the progress of Christian unity, and mission in multi-faith and postmodern societies.

A sermon [on Mal. i. 11] on the Epiphany, etc William WHITE (Bishop of the Protestant Episcopal Church in Pennsylvania.), 1813

Waging Reconciliation Ian T. Douglas, 2002 On September 20, 2001, the planned date of the meeting of the Community of Bishops of the Episcopal Church, was radically altered by the events of the previous week. The planned topic was God's Mission, God's Work in a Global Communion of Difference which was to focus on reconciliation within the Anglican Communion. World events changed that. The essays of this

book are the papers delivered at that meeting which evoked a perspective at once personal and yet global in a new way. In the chapel where the meeting was held there was a cross with Christ holding a hammer. The Presiding Bishop spoke of this cross as being about the concept described in the Hebrew phrase, tikkun-olam or repair of the world. The ensuing bishops' pastoral letter to the church stated, Let us therefore wage reconciliation. Let us offer our gifts for the carrying out of God's ongoing work of reconciliation, healing and making all things new. To this we pledge ourselves and call our church.

Grow Your Church from the Outside In George Barna, 2002-10-02 According to the author, America has more unchurched people than the entire populations of all but 11 of the world's 194 nations! Based on research among several thousand unchurched people, the book discusses their values, attitudes, beliefs, religious practices, demographics, life goals, and spiritual expectations. Using additional research conducted among churches that have had great success in attracting and retaining unchurched people, the author also outlines perspectives and effective strategies for churches that wish to reach those who avoid churches. Understanding what makes the unchurched tick will give you a better chance of relating to them in meaningful ways.

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open

heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

If the Tomb Is Empty Joby Martin, 2022-02-08 A beloved pastor and a New York Times bestselling author examine scripture and share inspiring personal stories to help reveal the important role that Jesus' resurrection plays in our everyday lives. The Son of God was crucified, died and buried, and He lay in the tomb for three days—until He walked out shining like the sun. In a culture in which history is erased or rewritten at will, the existence of an empty tomb matters. Why? Because if the tomb is empty—then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection—impossible, unbelievable—means that nothing is too hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty—or as though Jesus is still hanging on that cross? Written with

New York Times bestselling author Charles Martin, *If the Tomb is Empty* is an insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.

Broken We Kneel Diana Butler Bass, 2019-10-17 America's unique and often fractious relationship between church and state is, if anything, more relevant to who we are as a nation than when Diana Butler Bass' examination of it in Broken We Kneel was first published 16 years ago. This second edition contains a new foreword and introduction, as well as a new conclusion outlining her vision for the future. Born in the tumultuous aftermath of 9/11 and now a spiritual classic, the book draws on both her personal experience and her knowledge of religious history. Bass looks at Christian identity, patriotism, citizenship, and congregational life in an attempt to answer the central question that so many are struggling with today: "To whom do Christians owe deepest allegiance? God or country?" In writing both impassioned and historically informed, Bass reflects on current events, personal experiences, and political questions that have sharpened the tensions between serious faith and national imperatives. The book incorporates the author's own experience of faith, as writer, teacher, wife, mother, and churchgoer into a larger conversation about Christian practice and contemporary political issues. Broken We Kneel is a call to remember that the core of Christian identity is not always compatible with national political policies.
