

Christian Radio 14

Chad Bonham

Christian Radio Bob Lochte, 2015-02-16 Religious programming has been on the airwaves since broadcasting began, but today it is one of the fastest growing categories in radio. This book examines the progression of Christian radio from its beginnings on tiny local stations (like WCAL from St. Olaf's College in Minnesota) to its presence on network and satellite radio of today. The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio. Also considered are the changing demographics that have contributed to the success of Christian broadcasting. Major Christian networks and their evangelical missions are discussed, along with such programs A Money Minute, Life on the Edge and Focus on the Family, which offer practical topical advice for today's Christian. The final chapter considers the future of Christian radio.

Was Jesus a Moderate? Tony Campolo, 1996-02

The Politically Incorrect Jesus Joe Battaglia, 2015-01-30 Jesus. He is admired and ridiculed, embraced and rejected. If you want to provoke controversy and emotional discussion, just mention His name. Jesus was inclusive when He welcomed all the weary and burdened to come to Him and experience the love of His Father. But He was not open-minded when it came to the truth. He stated that He was the truth. And this flies in the face of current politically correct thought. In *Politically Incorrect Jesus*, Joe Battaglia exposes the intellectual dishonesty of political correctness and presents Jesus as the model for embracing a counter-cultural faith, which empowers us to be salt and light. Be bold and stand firm in your faith when the culture demands you stand down.

Wrestling with God Chad Bonham, 2001 More than 20 million people watch wrestling on television each week . . . and they buy books by the millions.

Music Through the Eyes of Faith Harold Best, 2013-12-17 Christian musicians know of the obligation to make music as agents of God's grace. They make music graciously, whatever its kind or style, as ambassadors of Christ, showing love, humility, servanthood, meekness, victory, and good example . . . Music is freely made, by faith, as an act of worship, in direct response to the overflowing grace of God in Christ Jesus. Co-sponsored by the Christian College Coalition, this thought-provoking study of music-as-worship leads both students and experienced musicians to a better understanding of the connections between music making and Christian faith. Christian music makers have to risk new ways of praising God. Their faith must convince them that however strange a new offering may be, it cannot out-reach, out-imagine, or overwhelm God. God remains God, ready to swoop down in the most wonderful way, amidst all of the flurry and mystery of newness and repetition, to touch souls and hearts, all because faith has been exercised and Christ's ways have been imitated. Meanwhile, a thousand tongues will never be enough. Best relates musical practice to a larger theology of creation and creativity, and explores new concepts of musical quality and excellence, musical unity, and the incorporation of music from other cultures into today's music.

Micro Radio and the FCC Andrew Opel, 2004-05-30 Micro Radio became a lightning rod for the emerging Media

Activism and Reform Movement. Like the environmental movement in the 1960s and 70s that focused on specific issues like nuclear power, the Media Activism Movement discovered a significant formative issue in micro radio at the turn of the millennium. This book is a close examination of the struggle over micro radio. Throughout this research micro radio is viewed as a site of social activity, a unique cultural and historical bond where ideas about the relationship between media and democracy are explored. This work is the first to spotlight this emerging social movement and uses critical historical analysis to provide a description of it. The information in this book shows the struggle over micro radio as the most recent manifestation of a growing social movement, a movement of media activism and reform. As local people took to the airwaves, illegally broadcasting the frivolous to the serious, theoretical concepts such as localism and public access suddenly became grounded in a real world radio show. Micro radio broadcasters were able to demonstrate what is left out of most mainstream media. They showed what could happen when a diverse public is allowed to access the most universal telecommunications of the day. This look at micro radio will be valuable to communications students who are interested in the strategies behind media and social movements, alternative media, and news media practices.

Parenting Paul David Tripp, 2016-09-14 Winner of the ECPA Book of the Year Award for Christian Living What is your calling as a parent? In the midst of folding laundry, coordinating carpool schedules, and breaking up fights, many parents get lost. Feeling pressure to do everything right and raise up good children, it's easy to lose sight of our ultimate purpose as parents in the quest for practical tips and guaranteed formulas. In this life-giving book, Paul Tripp offers parents much more than a to-do list. Instead, he presents us with a big-picture view of God's plan for us as parents. Outlining fourteen foundational principles centered on the gospel, he shows that we need more than the latest parenting strategy or list of techniques. Rather, we need the rescuing grace of God—grace that has the power to shape how we view everything we do as parents. Freed from the burden of trying to manufacture life-change in our children's hearts, we can embrace a grand perspective of parenting overflowing with vision, purpose, and joy.

The Morality of Spin Nathaniel J. Klemp, 2012-03-01 The Morality of Spin explores the ethics of political rhetoric crafted to persuade and possibly manipulate potential voters. Based on extensive insider interviews with leaders of Focus on the Family, one of the most powerful Christian right organizations in America, Nathaniel Klemp asks whether the tactic of tailoring a message to a particular audience is politically legitimate or amounts to democratic malpractice. Klemp's nuanced assessment, highlighting both democratic vices and virtues of the political rhetoric, provides a welcome contribution to recent scholarship on deliberative democracy, rhetoric, and the growing empirical literature on the American Christian right.

Amplify Your Message Marcus Brown, 2018-09-04 And (Jesus) said to them, 'Go into all the world and proclaim the Gospel to the whole creation.' Mark 16:15 (ESV) The need for proclaiming the Good News to the world has never been greater. Recent statistics reveal that 63% of Americans go to church less than once a month, and almost half of

that group never set foot inside a church. That puts us in a dilemma. If those in need of the message of salvation through Jesus Christ aren't coming to our churches, how do we reach them? How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? Romans 10:14-15 (ESV) Salem Media Group has an answer: Radio. Nielsen Media Research—the world's leader in media data—has found "traditional AM/FM terrestrial radio still retains its undiminished appeal for listeners; 91% of Americans, aged 12 and older, listen to this form of radio." When radio is amplified with new technology, its reach is powerful. When matched with biblical preaching and teaching, God's Kingdom expands. Not only are the lost led to salvation, they are drawn to your church, putting them where they need to be to become disciples. This book details how a local Salem Media radio platform can partner with your church to fulfill the Great Commission and grow your ministry. From the "why" to the "how," we give you everything you need to prayerfully consider this opportunity to pierce the darkness in your community with the Light of the World.

Dogwood Chris Fabry, 2013-06-07 A Christy Award winner from the best-selling author of *War Room!* In the small town of Dogwood, West Virginia, Karin has buried her shattered dreams by settling for a faithful husband whose emotional distance from her deep passions and conflicts leaves her isolated. Loaded with guilt, she tries to raise three small children and "do life" the best she can. Will returns to Dogwood intent on pursuing the only woman he has ever loved—only to find there is far more standing in his way than lost years in prison. The secrets of Will and Karin's past begin to emerge through Danny Boyd, a young boy who wishes he hadn't survived the tragedy that knit those two together as well as tore them apart. The trigger that will lay their pain bare and force them to face it rather than flee is the unlikely figure of Ruthie Bowles, a withered, wiry old woman who leads Karin so deep into her anger against God that it forces unexpected consequences.

Be Courageous (Luke 14-24) Warren W. Wiersbe, 2010-06-01 Encounter the ultimate profile in courage It takes courage to walk out our faith. Courage to stand for what we believe. To set our standards on Biblical truth, not cultural trends. To pursue a life defined by integrity and character. And we find no greater profile in courage than in the life of Christ. This study follows our Savior as he faced opposition, challenged critics, and courageously chose to make the ultimate sacrifice. Part of Dr. Warren W. Wiersbe's best-selling BE commentary series, *Be Courageous* has now been updated with study questions and new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe explores the courageous life of Christ. You'll be encouraged to trust God, and inspired to embrace fearless living.

The Virgin Birth of Christ Richard Shenk, 2016-06-01 Too often the virgin birth of Christ serves merely as an evangelical shibboleth instead of a doctrine that affects our lives. The theological meaning of the virgin birth is rich in and of itself. The author argues that the doctrine has been too long ignored by the church. Collecting from disparate sources into one brief accessible volume, Richard Shenk encourages the church towards boldness, to understand the rich theological treasure that the virgin birth of Christ is for us, and to live out its

significance in joy and practice.

A Piece of the Moon Chris Fabry, 2021-04-06 An inspiring southern fiction story from the bestselling author of War Room When eccentric millionaire Gideon Quidley receives a divine revelation to hide his earthly treasure somewhere in the hills, he sets out to find a fitting hiding spot, choosing only a few Bible verses as clues leading to untold riches of gold, silver, cash . . . and one very unexpected—and very costly—item. Treasure hunters descend upon the hills of West Virginia, including those surrounding the small town of Emmaus, where TD Lovett and Waite Evers provide the latest updates and the beating heart of the community on radio station Country 16. Neither man is much interested in a wild-goose chase for Quidley's treasure, though. Waite is busy keeping the station afloat and caring for the bruised souls who have landed there. Meanwhile, TD's more intent on winning over local junkyard owner Pidge Bledsoe, who has taken in a shy, wounded boy to raise. But after an estranged friend goes missing searching for the treasure, TD is unexpectedly drawn into the hunt. As TD joins the race to find Quidley's wealth, he discovers where his own real treasure lies, and he begins to suspect there's a hidden piece to Gideon Quidley's treasure that no one could've expected.

The 77 Habits of Highly Ineffective Christians Chris Fabry, 1997 A humorous collection of seventy-seven habits and characteristics on how to become a weak and mediocre Christian.

Almost Heaven Chris Fabry, 2010-10-11 From the bestselling author of War Room comes a gripping novel that was awarded both an ECPA Christian Book Award for fiction and a 2011 Christy Award! Billy Allman is a hillbilly genius. People in Dogwood, West Virginia, say he was born with a second helping of brains and a gift for playing the mandolin but was cut short on social skills. Though he'd gladly give you the shirt off his back, they were right. Billy longs to use his life as an ode to God, a lyrical, beautiful bluegrass song played with a finely

tuned heart. So with spare parts from a lifetime of collecting, he builds a radio station in his own home. People in town laugh. But Billy carries a brutal secret that keeps him from significance and purpose. Things always seem to go wrong for him. However small his life seems, from a different perspective Billy's song reaches far beyond the hills and hollers he calls home. Malachi is an angel sent to observe Billy. Though it is not his dream assignment, Malachi follows the man and begins to see the bigger picture of how each painful step Billy takes is a note added to a beautiful symphony that will forever change the lives of those who hear it.

June Bug Chris Fabry, 2010-10-13 From the best-selling author of War Room comes a Christy Award finalist, now a Lifetime original movie called Child of Grace. "I believed everything my daddy told me until I walked into Wal-Mart and saw my picture on a little poster . . ." For as long as she can remember, June Bug and her father have traveled the back roads of the country in their beat-up RV, spending many nights parked at Wal-Mart. One morning, as she walks past the greeter at the front of the store, her eyes are drawn to the pictures of missing children, where she is shocked to see herself. This discovery begins a quest for the truth about her father, the mother he rarely speaks about, and ultimately herself. But when her father's past catches up with them, forces beyond his control draw them back to Dogwood, West Virginia, down a winding path that will change their lives forever.
