A History of the Netherlands Friso Wielenga,2019-10-03 This is the most comprehensive history of the Netherlands available in the English language. It surveys Dutch history from the 16th century, when the nation took shape as a geographical, administrative and political entity, right through to the Netherlands of today. Examining domestic politics and wider international contexts, as well as economic and cultural history, Friso Wielenga provides a varied and in-depth investigation that will lead to a rich understanding of the country's past. The book also challenges misplaced preconceptions regarding political consensus and religious toleration in the country and offers a balanced assessment of developments across the early modern, modern and contemporary eras. This new edition includes: * One brand new chapter on the Netherlands since 1945 * Much more material on colonial history, slavery, the decolonisation of Indonesia and the contemporary legacy of colonialism * Historiographical updates throughout * A wealth of new images, maps, tables and figures This book is essential reading for anyone seeking a knowledge of Dutch history since 1500.

The Gospel According to Rev. Walt 'Baby' Love Walt Baby Love,2007-02-01 For more than three decades, Walt Baby Love has touched the lives of more than ten million listeners across the world. Every week he shares his triumphs, challenges, and soul-stirring moments through his award-winning radio programs. He has built a following of millions of listeners and repeatedly shattered racial barriers as a black man in an industry long dominated by whites. Yet this former army paratrooper with the famed 82nd Airborne Division, who served in Southeast Asia, also broke ground as a man of disciplined, abiding faith who refused to bow to corrupt influences. His enormously popular syndicated rhythm-and-blues show lost its spot on a Chicago radio station because Walt would not refrain from counseling his listeners to look to Jesus. Though beloved by his devoted listeners, Walt was often treated as an outcast by other African-American broadcasters and industry executives because of his outspoken and steadfast devotion to the Christian way of life. Still, both earthly and heavenly rewards have come in great abundance to the man raised by his great-grandparents in rural Pennsylvania. In *The Gospel According to Rev. Walt Baby Love* he offers reflections and inspirational thoughts drawn from his life. He shares how his religious convictions helped him survive and thrive in an industry he believed to be rife with corruption and ungodly influences. And he recounts the story of his progression of faith from a player of gospel and R&B music to an ordained minister and preacher of God's Word. Each chapter focuses on a Bible verse, reflecting on its significance to him and guiding you on how to incorporate its teachings into your own daily life. An uplifting story of faith, family, and forgiveness in the face of God's plan, *The Gospel According to Rev. Walt Baby Love* is inspirational reading at its best.

Beloved Mess Kimm Crandall,2016-06-21 God's Empowering Love for Us in the Midst of Our Mess Life is messy. And Christians are not exempt. Unfortunately, this is not the message we tend to hear. We're told to be moral, look good, and set a positive example. After all, as some people may tell us, we're the only Jesus some people see--so we better make him look good. That's a heavy burden. And so we work feverishly to hide our messes from each other and from God for fear of judgment . . . all the while wondering how we can ever be loved. But Christianity is not about being less of a mess. It's about admitting that we need to be saved from trying to clean ourselves up. In *Beloved Mess*, author and blogger Kimm Crandall frees Christians to live with the assurance that God loves us right here, right now. He's not waiting for us to clean up our act before we're worthy to come to him. He wants us to stop trying to fix the mess so that we can allow him to wash it away for us. Endorsements Kimm unpacks the wonder of God's mercy with honesty and courage and shows how it reaches all the way down to every dimension of our hearts and lives.--Justin S. Holcomb, author, *On the Grace of God* Read this short but life-changing book, go back to it again and again, and see yourself falling more in love with the One who loved us and gave himself for us.--Jessica Thompson, author of *Everyday Grace*

An Ordinary Guy... with the Extraordinary God Dick Snavelly,2007-04 Dick Snavelly reveals some of his childhood experiences and personal challenges that prepared him to organize and lead Family Life Ministries for nearly fifty years. These experiences include miracles, exciting answers to prayer along with the good, the bad, and the ugly. The reader will share in Dick's early struggles from spankings in third grade, reckless driving as a teenager, the search for a wife, and getting fired as a pastor. You will also rejoice with him in his glorious victories of a personal encounter with God, working with troubled boys, the conversion of a city gang member and the building of a Christian radio station that became a network of Christian FM stations. The excitement and thrill of victory is evident in the story of Family Life Ministries/Network. Dick has often prayed Lord I don't know where you are leading me today but help me to hang on. Dick Snavelly was raised in a Mennonite family in Lancaster County, PA. He organized Family Life Ministries, New Life Homes-Snell Farm, Twin Tiers Youth For Christ, and Family Life Network. He is a graduate of Bob Jones University Dick was a film evangelist with the Billy Graham Evangelistic Film Association, and pastored a church briefly in West Virginia. In 1957 he moved his family to New York where he organized Family Life Ministries, Inc. He led the organization as President and CEO for 47 years and was succeeded by his son Rick. He is married 55 years to Jacqueline DeVere. They have four children and eleven grandchildren. All four children are active in their church and serving the Lord. Dick is just an ordinary guy. What you see is what you get. He reveals some of the good, bad, and ugly times as he candidly tells of his life experiences in this book.

Media, Culture, and the Religious Right Linda Kintz,Julia Lesage,1998 As the religious right has increased in both power and visibility, there has been a commensurate growth in the prominence of Christian media. The contributors to this book provide a broad overview of the organizations, history, and media influences of the Christian right.

Christian Anarchist William Marling,2022-02-15 A biography of a remarkable figure, whose politics prefigured today's social justice, ecology, and gender equality movements Ammon Hennacy was arrested over thirty times for opposing US entry in World War 1. Later, when he refused to pay taxes that support war, he lost his wife and daughters, and then his job. For protesting the bombing of Hiroshima and Nagasaki, he was hounded by the IRS and driven to migrant labor in the fields of the West. He had a romance with Dorothy Day, founder of the Catholic Worker, who called him a "prophet and a peasant." He helped the homeless on the Bowery, founded the Joe Hill House of Hospitality in Salt Lake City, and protested the US development of nuclear missiles, becoming in the process one of the most celebrated anarchists of the twentieth century. To our era, when so much "protest" happens on social media, his actual sacrifices seem unworldly. Ammon Hennacy was a forerunner of contemporary progressive thought, and he remains a beacon for challenges that confront the world and especially the US today. In this exceptional biography, William Marling tells the story of this fascinating figure, who remains particularly important for the Catholic Left. In addition to establishing Hennacy as an exemplar of vegetarianism, ecology, and pacifism, Marling illuminates a broader history of political ideas now largely lost: the late nineteenth-century utopian movements, the grassroots socialist movements before World War I, and the antinuclear protests of the 1960s. A nuanced study of when religion and anarchist theory overlap, *Christian Anarchist* shows how Hennacy's life at the heart of radical libertarian and anarchist interventions in American politics not only galvanized the public then, but offers us new insight for today.

The Media and Religious Authority Stewart M. Hoover,2016-09-01 As the availability and use of media platforms continue to expand, the cultural visibility of religion is on the rise, leading to questions about religious authority: Where does it come from? How is it established? What might be changing it? The contributors to *The Media and Religious Authority* examine the ways in which new centers of power and influence are emerging as religions seek to "brand" themselves in the media age. Putting their in-depth, incisive studies of particular instances of media production and reception in Asia, Africa, Latin America, and North America into conversation with one another, the volume explores how evolving mediations of religion in various places affect the prospects, aspirations, and durability of religious authority across the globe. An insightful combination of theoretical groundwork and individual case studies, *The Media and Religious Authority* invites us to rethink the relationships among the media, religion, and culture. The contributors are Karina Kosicki

Bellotti, Alexandra Boutros, Pauline Hope Cheong, Peter Horsfield, Christine Hoff Kraemer, Joonseong Lee, Alf Linderman, Bahíyyah Maroon, Montréal Aza Missouri, and Emily Zeamer, with an afterword by Lynn Schofield Clark.

New Media and Religious Transformations in Africa Rosalind I. J. Hackett, Benjamin F. Soares, 2015-01-21 New Media and Religious Transformations in Africa casts a critical look at Africa's rapidly evolving religious media scene. Following political liberalization, media deregulation, and the proliferation of new media technologies, many African religious leaders and activists have appropriated such media to strengthen and expand their communities and gain public recognition. Media have also been used to marginalize and restrict the activities of other groups, which has sometimes led to tension, conflict, and even violence. Showing how media are rarely neutral vehicles of expression, the contributors to this multidisciplinary volume analyze the mutual imbrications of media and religion during times of rapid technological and social change in various places throughout Africa.

Music and the Broadcast Experience Christina L. Baade, James Andrew Deaville, 2016 How can broadcasting help us understanding music and its cultural role, both historically and today? To answer this question, 'Music and the Broadcast Experience' brings together fourteen leading music and media scholars, who explore how music and broadcasting have developed together throughout the twentieth and into the twenty-first centuries.

God Rock, Inc. Andrew Mall, 2020-12-01 Popular music in the twenty-first century is increasingly divided into niche markets. How do fans, musicians, and music industry executives define their markets' boundaries? What happens when musicians cross those boundaries? What can Christian music teach us about commercial popular music? In God Rock, Inc., Andrew Mall considers the aesthetic, commercial, ethical, and social boundaries of Christian popular music, from the late 1960s, when it emerged, through the 2010s. Drawing on ethnographic research, historical archives, interviews with music industry executives, and critical analyses of recordings, concerts, and music festival performances, Mall explores the tensions that have shaped this evolving market and frames broader questions about commerce, ethics, resistance, and crossover in music that defines itself as outside the mainstream.

Manifestations of the Spirit Lee Ann B. Marino, 2019-02 THE Holy Spirit is alive and active, working to bring the church together and empower the people of God for proper spiritual service. Yet if we look over the state of many denominations and even the lives of believers, it appears as if the Spirit's life and power is missing. It's obvious there is much we have yet to learn about the Holy Spirit, but what do we need to know? How do we tap into the amazing life-giving power, being led into all truth, available to each and every believer? In Manifestations of the Spirit: The Work of the Holy Spirit in the Church and in Your Life, Dr. Lee Ann B. Marino delves into practical pneumatology (study of the Holy Spirit) to help believers at all levels of their faith learn more about the precious and beautiful work of the Holy Spirit, and how connection to the Holy Spirit can change one's life. Learn more about the identity, work, and life of the Spirit, the application of Pentecost for modern times, the importance of spiritual gifts and their operations, the leadership gifts, the way our spiritual gifts mature as we grow with God, the gifting attributes of the Spirit, prophecy, prophetic expressions, developing spiritual fruit, the Spirit and holiness, counterfeit spiritual movements, and ways the Spirit operates in your everyday life. Perfect for a Bible study, personal devotion, minister's class, or just to gain insight into the work of the Spirit, this book will have you excited to realize just how incredible the Holy Spirit can be, when we fully invite Him into our lives.

Protestantism and Politics in Eastern Europe and Russia Sabrina P. Ramet, 1992 Coming at a time of enormous transformations in the one-time Communist bloc, this volume provides a much-needed perspective on the significance of church-state relations in the renaissance of civil society in the region. The essays collected here accentuate the peculiarly political character of Protestantism within Communist systems. With few identifiable leaders, a multiplicity of denominations, and a tendency away from hierarchical structures, the Protestant churches presents a remarkably diverse pattern of church-state relations. Consequently, the longtime coexistence of Protestantism and Communism in Eastern Europe and the former Soviet Union affords numerous examples of political accommodation and theological adaption that both reflect and foreshadow the dramatic changes of the 1990s. Based on extensive field research, including interviews with notable figures in the Protestant churches in the region, the essays in this volume address broad topics such as the church's involvement in environmentalism, pacifism, and other dissident movements, as well as issues particular to Russia, Poland, Czechoslovakia, East Germany, (1949-1989), Hungary, Yugoslavia (1945-1991), Bulgaria, and Romania. The final volume in the three-volume work Christianity Under Stress, Protestantism and Politics in Eastern Europe and Russia will prove invaluable to anyone hoping to understand not only the workings of religion under Communism, but the historical and contemporary interactions of church and state in general. Contributors. Paul Bock, Lawrence Klippenstein, Paul Mojzes, Earl A. Pope, Joseph Pungur, Sabrina Petra Ramet, Walter Sawatsky, N. Gerald Shenk, Gerd Stricker, Sape A. Zylstra

Radio Cultures Michael C. Keith, 2008 Radio Cultures examines the manifold ways in which radio has influenced the nation's social and cultural environment since its inception nearly a century ago. Written by leading scholars in the field, chapters address a wide range of topics, including how this powerful medium has impacted and affected non-mainstream segments of the population throughout its history and how these repressed and neglected groups have employed radio to counter and overcome discrimination and bias. The use of the audio medium for political, economic, and religious purposes is comprehensively probed and analyzed in this insightful and innovative volume.--Back cover.
