**Christian Radio** Bob Lochte,2015-02-16 Religious programming has been on the airwaves since broadcasting began, but today it is one of the fastest growing categories in radio. This book examines the progression of Christian radio from its beginnings on tiny local stations (like WCAL from St. Olaf's College in Minnesota) to its presence on network and satellite radio of today. The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio. Also considered are the changing demographics that have contributed to the success of Christian broadcasting. Major Christian networks and their evangelical missions are discussed, along with such programs A Money Minute, Life on the Edge and Focus on the Family, which offer practical topical advice for today's Christian. The final chapter considers the future of Christian radio.

**Powerful Christian Radio** Josh Reid,2014 Have you ever asked what the point of your local Christian Radio station is? Have you often wondered about their plans and purpose? Are you confused by some of the songs they play on air? Do you wonder in today's Internet savvy world, is there even a need for your local Christian Radio station? If you have ever wondered about why your local Christian Radio station exists, then this is the book for you. In Powerful Christian Radio, author Josh Reid explains in easy-to-read language, the Strategy, Impact and Ministry of your local Christian Radio station. In other words - how does God touch people's lives through the ministry of Christian Radio. Using practical real life examples, this book will show you things you don't know about Christian Radio, and challenge your thinking in the way you view it. In a world that's gone Internet crazy it's easy to convince churches and ministries about the importance of using web strategies or social media as evangelism tools. After all, with more than one billion users, Facebook is now the third largest country in the world, which means it's time to start sending missionaries and planting churches in that country. Online evangelism is an easy sell to a new generation of pastors and leaders who have been posting their lives online since childhood. But lost in the Internet frenzy is the power of traditional media - particularly radio. It's required reading if your goal is to impact this culture with a message of hope. The Internet may be getting all the publicity these days, but radio is alive and well. Do yourself a favor and read this book. - Phil Cooke.

*Clarence Jones* Janet Benge,Geoff Benge,2005-12 A biography of Clarence Jones, who pioneered the use of radio broadcasts in missionary work when he helped to start station HCJB in Quito, Ecuador.

**Unbelievable?** Justin Brierley,2017-06-15 Conversations matter. Yet, recently, good conversations about faith have been increasingly squeezed out of the public sphere. Seeking to reopen the debate, Justin Brierley began to invite atheists and sceptics on to Premier Christian Radio to air arguments for and against the Christian faith. But how has ten years of discussion with atheists affected the presenter's faith? Reflecting on conversations with Richard Dawkins, Derren Brown and many more, Justin explains why he still finds Christianity the most compelling explanation for life, the universe and everything. And why, regardless of belief or background, we should all welcome the conversation. 'Beautifully written, brilliantly argued, Justin's book will thrill Christians and challenge atheists.' R. T. Kendall, author and pastor 'Justin has that happy knack of being able to get people of diametrically opposed opinions debating the big issues.' John Lennox, Professor of Mathematics, University of Oxford

Friendship Radio Alma Tygert Oline,2019-01-09 Friendship Radio was written to tell the story of the beginning of this unique ministry and to show readers how real and involved the Lord is in our lives. He is a God of love and care, and has a concern for our every need. I also wanted to show that we are not all alone in our work for the Lord. He brings people into our lives who are just who is needed and with whom we can share the joys of serving the Lord together.

**Godly Pieces** Andre Hibler,2012-05 The communication of God's word via church setting, a seminar, Christian radio, a song, or a cordial conversation can--through the saving knowledge of Jesus Christ--invigorate an unbeliever; edify the body of believers; and more importantly, bring glory to God. The discussion of God's word exercised in practical short stories can have the same impact as they continue to be a fruitful and viable form of literary expression.

The Encyclopedia of Contemporary Christian Music: Pop, Rock, and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize. *Magnetic Christianity* Gus Lloyd,2013-02 ARE YOU READY, WILLING AND ABLE TO HELP CHANGE THE CULTURE? The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest. Luke 10:2 Those words spoken by Jesus nearly 2000 years ago ring even more true today. Christianity is becoming less and less relevant in people's lives. As our nation and our world fall away from the practice of the Christian faith, society continues its slide into a moral abyss. As a Christian, you can be a part of the problem by sitting on the sideline complaining, or you can be part of the solution by helping others to know Christ and building up the Kingdom of God. It's your choice! In Magnetic Christianity, you'll learn about the eleven attributes of a Magnetic Christian. These attributes, all clearly found in Scripture, are already part of who you are. God has built them into you. Magnetic Christianity will help you identify and enhance these attributes. As you grow in faith and holiness, people will naturally be attracted to you, and to Christ. You'll learn how to naturally and easily share your faith through the practice of these attributes of a Magnetic Christian: \* Positivity \* Enthusiasm \* Friendliness \* Confidence \* Humility \* Honesty \* Kindness \*

Compassion \* Approachability \* Generosity \* Encouragement

Stations of the Cross Paul Apostolidis,2000-06-02 Since the 1970s, American society has provided especially fertile ground for the growth of the Christian right and its influence on both political and cultural discourse. In Stations of the Cross political theorist Paul Apostolidis shows how a critical component of this movement’s popular culture—evangelical conservative radio—interacts with the current U.S. political economy. By examining in particular James Dobson’s enormously influential program, Focus on the Family—its messages, politics, and effects—Apostolidis reveals the complex nature of contemporary conservative religious culture. Public ideology and institutional tendencies clash, the author argues, in the restructuring of the welfare state, the financing of the electoral system, and the backlash against women and minorities. These frictions are nowhere more apparent than on Christian right radio. Reinvigorating the intellectual tradition of the Frankfurt School, Apostolidis shows how ideas derived from early critical theory—in particular that of Theodor W. Adorno—can illuminate the political and social dynamics of this aspect of contemporary American culture. He uses and reworks Adorno’s theories to interpret the nationally broadcast Focus on the Family, revealing how the cultural discourse of the Christian right resonates with recent structural transformations in the American political economy. Apostolidis shows that the antidote to the Christian right’s marriage of religious and market fundamentalism lies not in a reinvocation of liberal fundamentals, but rather depends on a patient cultivation of the affinities between religion’s utopian impulses and radical, democratic challenges to the present political-economic order. Mixing critical theory with detailed analysis, Stations of the Cross provides a needed contribution to sociopolitical studies of mass movements and will attract readers in sociology, political science, philosophy, and history.

**CHURCH DISAPPOINTMENT? HIS APPOINTMENT!** David Spoon,2015-09-23 God loved you when He called you, God loves you in the midst of your pain and frustration, and God will love you for all eternity. We need to understand...A Church Disappointment may be HIS APPOINTMENT! This is a book for anyone who has been through a painful experience or was involved in a church as a member, a leader, or an attender, and now finds themselves hurt, confused, wandering, or just wondering... Why did God allow that to happen? Using his own painful church experience, David Spoon shows that being wounded isn’t the end of the world - In fact, it can actually be a good thing. Through a fascinating journey, David Spoon, in his book Church Disappointment? His Appointment! captures the heart of Jesus for the church’s disappointed believers ...and encourages them to Try Again!” -Dr. Robert Jeffress, Senior Pastor, First Baptist Church, Dallas, Texas

**The Out-Of-Church Christians** Andrew Strom,2008-06 It all began with a Radio show and an email - when Andrew Strom was invited onto a Christian radio station to discuss the growing phenomenon of Out-of-church Christians - the fact that seemingly tens of thousands of dedicated believers are leaving the churches. But why? That same week he published an article on the subject on his international Email List. The result was an absolute deluge of responses from all over the world - literally thousands. Christian Pollster George Barna has stated that the number of unchurched adults in America is growing by a staggering ONE MILLION people per year. Barna's research has also found that there are more than 13 million 'Born Again' believers in America who do not attend church. Why is this trend growing? Why are thousands upon thousands of devoted Christians leaving the churches? Is it a 'movement'? And why is it occurring in so many different parts of the world? This is a book that every Christian leader should read. Hear from dozens of believers who have left - and why. Are there solutions to this crisis? A book for everyone concerned about the future of Western Christianity - and where it is heading today.
