In the Game Peggy Garrity,2016-08-09 Peggy Garrity began her life as a small-town Irish Catholic girl in the Midwest. Initially convent-bound, she became determined to escape a life like her mother's, and in the mid-1970s she reinvented herself as a high-profile Los Angeles trial lawyer and single mother of four. At a time when there were virtually no women solo practitioners, she represented David against Goliath—and risked it all in the process. Including compelling courtroom dramas featuring would-be presidential assassin Sara Jane Moore, celebrities Clint Eastwood, Sondra Locke, and Cheryl Tiegs, and some of Los Angeles's most notorious murder cases, *In the Game* is the groundbreaking story of a thrill-seeking solo trial lawyer—and single mother—who beat the odds at a time when working mothers, especially those in male-dominated professions like the law, faced the gauntlet of discrimination.

Beyond Life J A and BJ Diller,2019-01-23 Written after the death of her son Charlie, *Beyond Life* is a fantasy/paranormal book by J. A. Diller. The book delves deeply into a number of serious issues that both families and young people must deal with in our society. *Beyond Life* was written primarily to inspire parents and to give them real hope that there is life after losing a child. Though the death of a child is the most heart-rending issue any parent can face, Diller shows us that we must not give up on life; we must live on. More than that, we live on with our loved ones beside us still. *Beyond Life* does not stop there however. Many other issues that affect young people are addressed and dealt with in ways

that are both non-threatening and highly entertaining. These include: Depression Self-image Bias Bullying

Muggsy Muggsy Bogues,Jake Uitti,Alonzo Mourning,2022-04-12 A candid and insightful memoir from one the NBA's most unlikely stars Growing up, Muggsy Bogues was always told he should do something else, anything besides basketball. He never acknowledged his many doubters except to prove them spectacularly wrong. Twenty years after receiving his first basketball as a toddler, he stood proud—at five-foot-three—as the starting point guard for the Charlotte Hornets in the NBA. From the East Baltimore playground courts where he earned his nickname by muggin' opponents for possession of the ball, to Dunbar High School where he excelled alongside future NBA players, Bogues set the tone in his early years for the great heights he'd reach professionally. In this new autobiography, Bogues delves deep into his life and career, reflecting on legendary battles with Michael Jordan, John Stockton, and other generational stars of '80s and '90s hoops. He shares far-ranging anecdotes from playoff runs in Charlotte, filming Space Jam, and even watching a young Steph Curry grow up. Conversational and clear-sighted, this is a story of uncompromising vision and fleet-footed determination during a golden era for the NBA.
