Advent: A Calendar of Devotions 2013 Deborah Westbrook,2013-08-06 The season of Advent provides an opportunity for spiritual renewal for followers of Christ. But often what happens is that we get so caught up in the hurry and rush, the hustle and bustle, the frantic pace of the season that we emerge more spiritually exhausted than refreshed, more disillusioned than inspired to face the coming of a new year. We may have tried so hard to enjoy the holiday season, to recapture a sense of wonder and mystery, only to end up asking, "Is that all there is?" The purpose of Advent, A Calendar of Devotions 2013 is to help you focus on the things that truly matter during this busy season, so that you can experience spiritual renewal. Advent, A Calendar of Devotions 2013 is a booklet of daily devotions for the season of Advent (the four weeks before Christmas) that helps you step back from the bustle and stress of the season and prepare your heart and mind to rejoice in God's loving gift, Jesus Christ. Each daily devotion includes a recommended Scripture reading, a Bible verse, an inspiring message, and an uplifting prayer.

**In Days to Come** George Hovaness Donigian,2017-09-01 Many people end their celebration of Christmas on December 25, but George Donigian reminds us that the celebration is only beginning.

Donigian offers meditations that begin with Advent and continue through Epiphany (January 6), also known as the 12th night of Christmas. Like the surprises of an Advent calendar, the meditations touch on many subjects. Some topics include An Editor, A Counting Song, Prudence, and Chrismons. Instead of putting away your nativity scenes and other Christmas decorations on December 25, celebrate all the days to come. In Days to Come offers devotional meditations based on a merger of several Christmas traditions: Advent calendars, ancient Advent prayers known as the O Antiphons, the traditional celebration of Christmas on December 25, and the Armenian Orthodox celebration of Christmas on January 6. The meditations—4 per week—count down from the first week of Advent to Epiphany. While each reading stands alone, the meditations are rooted in a weekly theme. Donigian's writing style is conversational, and given his diverse interests, the conversation ranges widely. In Days to Come encourages us to move with the Incarnation of Jesus Christ into the new year and into mission and ministry.

**Countdown To Christmas** Lucille Mewhorter, 1997-06 Here is a creative way to introduce ADVENT to your congregation. The program involves youth of any age. Very little preparation time is required. Scripture, tradition, and the lighting of the Advent wreath are combined to provide an enlightening, inspiring worship program. Author Lucille Mewhorter searched for an Advent program to use in her small church. She wanted one that would include young people up through high school age. And with the busy schedules that most people endure, it had to be a program that required very little rehearsal. When she could not find an Advent program, she decided to write one. It went over big in

her home church. Lucille Mewhorter is a widow with an adopted daughter, a step-daughter, six grandchildren, and eleven great-grandchildren. Now retired, she has been a homemaker, a photographer, and a deputy in the Probate Court.

*Companion to the Calendar* Mary Ellen Hynes,1993 This superb resource and guide for children and adults alike answers all sorts of who and what and why questions about saints, the liturgical seasons, Jewish and Muslim holy days, and significant national holidays. You will find an amazing variety of information on how these people and days hold meaning for our lives today. Use this book in conjunction with LTP's Year of Grace calendar in the home or in the classroom. A list of suggested readings, a bibliography and a handy index are included.

**Calendar** Laurence Hull Stookey,2011-12-01 A probing but clearly written book, *Calendar* will find an appreciative audience beyond academia and clergy to the laity of the church: choirs and their directors, worship planners, adult study groups, and others who want to understand better the church's times of preparation and celebration. *Calendar* centers largely on theological meaning and parish practice in relation to liturgical time. Deliberately, almost no attention is given to detailed historical development, much of which is exceedingly complex in its origins and technical in its detail. An appendix entitled *Forgetting What You Were Always Taught (Or, This Book in a Nutshell)* aptly describes the radical reordering that Stookey believes occurs when our understanding of time and the story of Jesus takes its bearings from the Incarnation. So, just as the Christian week begins with Sunday, the day of Resurrection, Stookey follows the Christian year beginning with the season of Easter, and only then Lent; Christmas, then Advent. Illuminating discussions of Ordinary and Extraordinary Time, and the Sanctoral Cycle follow.

**Preaching the Calendar** J. Ellsworth Kalas,2004-01-01 Pastors face a perennial challenge in

deciding how to treat special days in the calendar. For days marked in the church year, the challenge is how to speak a fresh word about a familiar theme or story. For days marked in the civil calendar, the challenge is to discern within secular celebrations appropriate connections with the Christian gospel. In *Preaching the Calendar*, masterful preacher J. Ellsworth Kalas discusses the importance of embracing holidays and special days as occasions when sermons can enlarge and deepen spiritual yearnings. His words of wisdom demonstrate how this type of preaching can be done well and serve as valuable sources of stories and sermon illustrations for pastors eager to help people find new and renewed relationships with God.

Advent: A Calendar of Devotions 2014 (Pkg of 10) James W. Moore, 2014-08-19 *Advent: A Calendar of Devotions 2014* is a booklet of daily devotions for Advent that helps people step back from the bustle and stress of the season and prepare heart and mind to rejoice in God's loving gift, Jesus Christ. Each daily devotion includes a recommended Scripture reading, a Bible verse, an inspiring message, and an uplifting prayer. The season of Advent provides an opportunity for spiritual renewal for followers of Christ. But often what happens is that we get so caught up in the hurry and rush, the hustle and bustle, the frantic pace of the season that we emerge more spiritually exhausted than refreshed. The purpose of *Advent: A Calendar of Devotions 2014* is to help the reader focus on the things that truly matter and experience spiritual renewal.

*Windows on a Hidden World* Jane Maycock, 2012-10-18 As a priest, married to a vicar, with four young children, Jane Maycock is all too familiar with the struggle not to be engulfed by busyness in the run-up to Christmas. As a result, the reflections she has written for this lovely book are engagingly infused with real-life happenings, even as they invite us to stop and consider what Advent itself really means. The author draws on the insights of the biblical authors, poets such as Robert Southwell, and

contemporary hymn writers including Timothy Dudley-Smith, to present a series of windows through which we can explore the main ideas surrounding the season. We are taken through the themes of wilderness and of God's choice, and examine the place of conflict and confrontation in Christian faith. We look more deeply at the familiar nativity scene, and at the idea of the second coming. Underpinning Windows on a Hidden World is the conviction that we are bound up in an intimate relationship with a God of love, and these daily readings offer much encouragement to respond to the wonder of God's tender nearness with hope and joy.
