New York Magazine ,1983-12-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Ibiza Bohemia Renu Kashyap, Maya Boyd, 2017-06-01 From roaring nightlife to peaceful yoga retreats, Ibiza's hippie-chic atmosphere is its hallmark. This quintessential Mediterranean hot spot has served as an escape for artists, creatives, and musicians alike for decades. It is a place to reinvent oneself, to walk the fine line between civilization and wilderness, and to discover bliss. *Ibiza Bohemia* explores the island's scenic Balearic cliffs, its legendary cast of characters, and the archetypal interiors that define its signature style.

There Is a Flower at the Tip of My Nose Smelling Me Alice Walker, 2022-06-14 Pulitzer Prize-winning author and activist Alice Walker invites readers young and old to see the world--and our place in it--through new eyes in this new edition featuring art from Queenbe Monyei. With beautifully poetic text and joyous

illustrations to guide readers through their read, *There Is a Flower at the Tip of My Nose Smelling Me* is an ode to the natural world and our place in it. Celebrating the connections and interconnections between self, nature, and creativity, this gently provocative text opens up the world to a reader, and a reader to our world. From the celebrated author of *The Color Purple* and other classics comes a beautiful, lyrical picture book for fans of her work of all ages.
