

Christmas Greeting Card 12

Christmas, Gabriella Oldham

A Visitor's Guide to Victorian England Michelle Higgs, 2014-02-12 An "utterly brilliant" and deeply researched guide to the sights, smells, endless wonders, and profound changes of nineteenth century British history (Books Monthly, UK). Step into the past and experience the world of Victorian England, from clothing to cuisine, toilet arrangements to transport—and everything in between. *A Visitor's Guide to Victorian England* is "a brilliant guided tour of Charles Dickens's and other eminent Victorian Englishmen's England, with insights into where and where not to go, what type of people you're likely to meet, and what sights and sounds to watch out for . . . Utterly brilliant!" (Books Monthly, UK). Like going back in time, Higgs's book shows armchair travelers how to find the best seat on an omnibus, fasten a corset, deal with unwanted insects and vermin, get in and out of a vehicle while wearing a crinoline, and avoid catching an infectious disease. Drawing on a wide range of sources, this book blends accurate historical details with compelling stories to bring alive the fascinating details of Victorian daily life. It is a must-read for seasoned social history fans, costume drama lovers, history students, and anyone with an interest in the nineteenth century.
