Christmas Eva Clare Revell,2014-12-01 A voice in the light woke her from a coma. But can the man pull her from the darkness of her life? Eva Anderson is trying to rebuild her life after a devastating accident. The first voice she hears when she awakes is actor Harry Matthew Lyell—A man she could love. But left in a wheelchair, she's withdrawn into herself. Harry Lyell often wonders about the woman he met at the theatre door and then again, when she woke from a coma. Trusting in his faith in God, he knows there must be something special in Eva. As Christmas approaches, Eva and Harry's lives are drawn together in a way neither imagines. Can Harry help Eva find the Christmas miracle she needs or will a simple article destroy any future they might have?

Digital Scrapbooking Maria Given Nerius,2004 It's the next phase in the scrapbooking craze! And this creative resource is the first of its kind—the first to focus on the use of computer hardware and software to unlock an exciting range of creative possibilities. Crafters will explore the many ways digital elements can add pizzazz to their scrapbooks: they'll learn to manipulate pictures with photo/image editing software, use scanners to create themed background papers, and draw on clip art for decorative accents. Going even further into the brave new world, there's information on creating all-digital pages, putting together a slideshow on computer, and pooling various techniques to stage a "digital family reunion."

She never dreamed her holiday would include her hometown, a dog, or a firefighter. But a mysterious charm bracelet predicted it all... Ashley's supposed to be having the Christmas of her dreams. After four years of working at an upscale jewelry store in Manhattan, she's finally going to get a little velvet box of her own—from her boyfriend Jeremy, who's taking her on a romantic trip to Paris. What could go wrong? Well, everything. Ashley heads home to Owl Lake instead, falling asleep on the train ride there...and waking up with a beautiful antique charm bracelet on her wrist. Soon, she realizes that each silver charm predicts an event that happens in real life. What does this mean for her and Jeremy...or her and Aidan, her former high school boyfriend, who's now a local firefighter? Is there still a chance that she could have the perfect Christmas? This small town Christmas romance includes a free Hallmark original recipe for Spiced Walnut Crust Cookies with Chocolate Ganache and Sea Salt.

But we can have a more gracious posture toward ourselves. We can practice disciplines of self-kindness. Editor and spiritual director Cindy Bunch calls us to self-care through greater compassion for ourselves. She helps us pay attention to the frustrations that bug us in order to identify negative thinking about ourselves or others. As we do so, we can discern what we need to let go. The pages of the appealing smaller book format are illustrated with photographs and art from the author. Be kind to yourself. And discover new opportunities to embrace joy.
