**Philadelphia's City Hall** Allen M. Hornblum,George J. Holmes,2003 At the crossroads of Center City, Philadelphia, stands city hall, an architectural and sculptural masterpiece whose size and beauty rival the grand structures found in the capitals of Europe. Shortly after the Civil War, city hall embraced the community's need for a new municipal building while filling the visionary desire of its designers to underscore Philadelphia's reputation as the Athens of America. Thirty years later stood a monumental structure that was easily the largest building in North America and one of the most beautiful, displaying over two hundred fifty pieces of sculpture. Philadelphia's City Hall illuminates the fascinating account of the building's controversial origin, its symbolic sculptural program, and the largest statue topping a building in the world. These stunning photographs highlight a marvel of masonry and community vision created by a city with the desire to show the world what it could produce.

All of them are facing their own struggles, and all are finding their way through the dark. inspirational story about the power of love and faith to reveal the possibilities that lay right in front of you.

American Christmas Danelle Manthey, 2020-08-15 American Christmas is a new book by photographer Danelle Manthey that examines Christmas displays, and the people behind them, through the lens of American folk art. Through portraits and interviews, the book features the stories of over 40 families and individuals across 12 states. It includes text by Marlene Friis, a foreword from Rebecca Alban Hoffberger, Founder and Director of the American Visionary Art Museum and an introduction by Mark Sloan, Curator and Chief Director of the Halsey Institute of Contemporary Art. Over the course of a decade, Manthey photographed, interviewed and spent time with the creators of these displays, quickly coming to recognize them as folk artists. Entirely self-taught, the creators often do not view themselves as artists, yet create visceral, site-specific installations that should be recognized for their transcendent, highly skilled craft. Many of the selected displays feature region-specific motifs as well as handmade decorations. This tendency, coupled with the traditional imagery and decorative nature of the displays, situates the work as a form of contemporary American folk art. Many of the featured individuals and families seem driven to create utopian spaces through their displays, which is a common theme among folk artists. The truly amazing thing about these American grassroots artists, all of whom became bitten by the pine-scented Christmas bug, lies in the diversity of their motivations, explains Rebecca Alban Hoffberger, Founder and Director of the American Visionary Art Museum. Through the act of photographing the displays, Manthey enshrines them as a distinct art form. Where many would diminish the works as decorative cheer, Manthey looks beyond to reveal the innovation and commitment that grounds all great art. Along with making these themes accessible to a non-art audience, she succeeds in sharing the community and joy these works are founded on—something that is much needed in our current world.

**A Wish for Christmas** Thomas Kinkade, Katherine Spencer, 2009-11-03 Cape Light reflects on its past and revels in its future in this Christmas novel from Thomas Kinkade and Katherine Spencer. After serving in Iraq, David has returned home to find that his widowed father has remarried. Jobless and dealing with physical injuries that may never heal, David doesn't have much Christmas cheer, especially when Christine, his ex-girlfriend, comes to work at his father's tree farm. Trying not to seem bitter or discouraged is even harder than the physical therapy he must undergo, and David realizes that he not only needs to heal his body but his heart as well. Meanwhile, Lillian Warwick's daughters are concerned about their elderly, yet fiercely independent, mother living on her own. Even her old friend, Dr. Ezra Elliot, can't get through to her. When the tables are turned and Ezra is in need of her help, they are both surprised to find they value each other beyond just friendship. And Lillian begins to wonder if it's still possible to let love into her life...

*100 Things to Do in Traverse City Before You Die* Kim Schneider, 2018-02-27 If one of life's major quests is for balance, it's no surprise that Traverse City keeps topping national "best" lists. Here, visitors and locals come for the life balance—the serenity offered by the lapping of waves along hundreds of miles of sandy beach, a dark sky just made for wishing upon stars, the simplicity of picking up dinner at a roadside farm stand or from a chef who got her start at one. There's a balance, too, of the simple and the elevated, as local chefs get noticed on the national stage, wineries scoop up international competition awards, and galleries attract acclaimed artists. There's an old legend claiming that a dip in the waters of the 45th parallel, which passes through the region, will cure all that ails you. Others think simply a visit with the right mindset and at least one beach bonfire before you go might do the same. Discover for yourself in *100 Things to Do in Traverse City Before You Die*.

**The Light of Christmas** Richard Paul Evans, 2002-10 When Alexander helps an old man instead of going to see the annual lighting of the Christmas torch, he does not realize the reward his kindness will bring.

**Merry Christmas, America!** Bruce Littlefield, 2007-10-30 Every town has that house that outdoes itself at Christmas. Legendary for miles around, it is the place to see dazzling holiday decorating of the eye-popping, traffic-stopping sort. This flickering showcase bedecked with tens of thousands of lights is hard to resist—and ignore—as often every square inch is caked in Christmas, from snowmen to elves, carousels to candy canes. But who lives in that house—and houses like it around the country? And what compels this Christmas-decorating fervor? Author Bruce Littlefield finds the answers on his quest to locate the most spectacular Christmas displays across America. His adventures take him to the front lawns and doors of people in cities and towns from coast to coast who have a flair and fanaticism for doing Christmas right—whose goal is giving the world an illuminated, inflated, decorated gift. Littlefield shares his firsthand encounters with people for whom Christmas is a year-round labor of love—the people who spend mind-boggling amounts of time and money transforming their houses and yards, and even those of the neighbors, into unique Christmas fantasylands that are spectacles of individual expression and must-see destinations for the rest of us. These portraits of Christmas range from tacky to refined, outlandish to poignant—and the reasons they are created vary, too—but all are dazzling in their own ways, and the passionate people who dream them up have entertaining stories and anecdotes to tell that will make this Christmas the brightest, merriest, happiest Christmas ever. Just follow the lights.

**The Carpenter's Gift** David Rubel, 2011-09-27 Family, friendship, and the spirit of giving are at the heart of this inspiring picture book. Opening in Depression-era New York, *The Carpenter's Gift* tells the story of eight-year-old Henry and his out-of-work father

selling Christmas trees in Manhattan. They give one of their leftover trees to construction workers building Rockefeller Center. That tree becomes the first Rockefeller Center Christmas Tree, the finest Henry has seen when adorned with homemade decorations. Henry wishes on the tree for a nice, warm house to replace his family's drafty, one-room shack. Through the kindness of new friends and old neighbors, Henry's wish is granted, and he plants a pinecone to commemorate the event. As an old man, Henry repays the gift by donating to Rockefeller Center the enormous tree that has grown from that pinecone. After bringing joy to thousands as a beautiful Christmas tree, its wood will be used to build a home for a family in need. Written by children's nonfiction author David Rubel, in collaboration with Habitat for Humanity, *The Carpenter's Gift* features charming, full-color illustrations by Jim LaMarche.
