Christmas Wishes Nicole Flockton, Casey Dawes, Peggy Bird, Robyn Neeley, Diana Jean, Alicia Hunter Pace, Dana Volney, Monica Tillery, 2016-12-12 Visions of sugarplums are so overdone--this year, invite love to dance in your head. These eight couples know just how to put the merry in mistletoe antics: Tangled Vines: Kyle Davis's tragic past has put the brakes on Christmas celebrations at his Australian ranch...until he arrives for some peace and quiet only to find caretaker Jordan Hastings in his shower. Jordan is trying to get her career as a winemaker back on track by bringing the neglected grapes on the property to life. Kyle is hard to resist, but falling for a man who controls her

employment is not in her plans. Yet the more time they spend together, the more open they become to taking another risk on living and loving. Sweet Montana Christmas: Leaving behind her stifling Texas roots, Sue Anne Devereaux is busy getting a chocolate shop in Montana off the ground. The one big distraction: security guard Zach Crippen, who can't wait to finish his penance at Missoula's tiny airport, where he was banished after he made a huge career mistake. A casual fling--no strings attached--would be fine with him. Will their dreams cost them a chance at a future together, or will the holiday spirit help foster a lasting love? Lights, Latkes, and Love: Non-profit CEO David Shay can't get enough of the December festivities. As manager of a large retail store, Hannah Jenkins, on the other hand, turns into a jaded Scrooge every year on Black Friday. Can a nice Jewish boy--with the help of some Christmas lights, a little girl, and a latke party--teach Hannah the true meaning of the season and guarantee them both a New Year's Eve kiss to remember? Christmas Dinner: Amanda dreads returning home single for Christmas, but the only available man to play escort is Tate Ryan, her co-anchor and professional rival. When he agrees, much to her surprise, they both see a different side of each other under the mistletoe. His Hawaiian Christmas: Humbug in Hawaii? When Clara O'Fallen gets a promotion to paradise, she can't help feeling homesick for her Wisconsin winters, complete with real snow, family traditions, and Christmas festivities. But smiling surfer Kai Schmitt might just show this Scrooge how to hang loose and catch the spirit of the season--the aloha spirit! Nickolai's Noel: A chance meeting and a snowy ice storm bring together an unlikely pair--Russian hockey player Nickolai Glaznov and artisan quilt maker Noel Verden--on the most enchanting day of the year. A special connection flares between them despite his lack of roots and her overly involved family. But when the ice melts, will the magic disappear too? Christmas Clash: Candace Ellison is determined to stop the city council's convention center project from demolishing her new flower shop.

Unfortunately, that means she'll have to cooperate with annoying Luke Carrigan, whose family pub is also on the chopping block. Will this Christmas bring miracles or the destruction of everything these old rivals love? Her Secret Santa: Neighbors and co-workers at Morgan Confectioners, Rebecca Sinclair and Ben Redding have been best friends since grad school. When their feelings turn more than friendly, will they be able to get past their fear of ruining their friendship? A holiday gift exchange might just bring the best present of all--Christmas love. Sensuality Level: Sensual

Metamorphosis - Structures of Cultural Transformations Jürgen Schlaeger, 2005

Extravagant Morphology Matthias Eitelmann, Dagmar Haumann, 2022-03-15 Taking extravagans literally (Lat. 'wandering outside, out of bounds'), this volume comprises nine case studies on extravagant morphology ranging from pattern-extending derivational processes via theory-challenging compounding processes to interface-straddling morphosyntactic phenomena. As a heuristic approach, morphological extravagance captures word-formation processes characterised by constraint violations, interface phenomena as well as borderline phenomena not easily reconcilable with traditional postulates of morphological accounts. In this regard, the notion of extravagance allows for an exploration of rule-bending language use both empirically and theoretically. The volume makes a valuable contribution to studies on morphological variation, which has only recently seen a renewed and growing interest in morphological phenomena that challenge morphological frameworks. The volume is of interest to all researchers who seek to gain a broader understanding of the mechanisms and factors at work in morphological variation and who are interested in the reassessment of morphological theorising in light of empirical data.

Decker's Log John G. Denham, 2012-11-29 I have written three short Stories involving characters developed from The Assistant, a sea story, my earlier work. The principles, Florence and John Decker are not a youthful married couple or are they your typical man and wife. Their backgrounds are as different as day and night but function better than any oyster movement. Captain John Decker spent most of his adult life at sea; a decorated career naval officer and later as a Licensed Master Mariner in command of a modern containership. His gregarious life style and good living was truncated by an unwilling physical plant that had enough. Bent, but not broken, John survived and was offered a job ashore by his employer in a less responsible position with commensurate benefits. Life changed and so did John. Never a brilliant leader or exciting entrepreneur he is successful because he thinks logically and communicates well. He would be outstanding if he knew what he was doing. He has survived 8 years in a middle-management role and at age 65 planned to retire. Now married and relatively settled down John plans to become a partner with Flo in a fledgling business, Inquiry Associates. Flo, a lawyer, ex FBI Special Agent and a state Judge has found her true place as head of IA, Inc. Started as a confidential consulting business it quickly evolved into a problem solving legal-investigation resource for the U.S. Government and related friends. As the brains of the organization Flo has numerous friends, acquaintances and people she knows and people that know her on both sides of the law. One word-describes her: integrity. The Deckers try to live a normal life. They are frequently drawn astray by well meaning friends and others that need their special help. This compendium relates to only three episodes in the life and struggles of Florence and John Decker of IA, Inc., and their daily attempt to normally exist. BOMB A WEIGH: John and Florence Decker try the good life only to be trapped in a national emergency that verges on catastrophe. A small effective and efficient team of government and public volunteers react and with unexpected assistance battle time to seek

solution. THE FATHERS: The Deckers are involved in investigating an international crime threat that if expanded can destroy governments and corrupt nations. A quickly organized response team bypasses procedures and attacks processes head-on. The enemy is determined to be more powerful and corrupt than the existing rules can manage, therefore a unique process and people are involved in the resolution. THE PRIZE: The past catches up with John Decker and a friend asks for assistance in a delicate matter involving an Asian nation. Each development creates a bigger problem. Political and international organized forces oppose and interfere at each opportunity. The friends of the Deckers respond and short-circuit processes and reach out to international leaders for help. The Inquiry Associates, Inc., is in over its head until the U.S. Government is forced to be involved; the tide quickly turns as the professionals act.
