From All of Us to All of You The Disney Christmas Card Jeff Kurtti,2018-10-02 One of the nicest things about the holiday season is exchanging greetings with our many friends, for these messages from all over the world represent the true spirit of Christmas in many different ways. -Walt Disney Imagine how special that greeting might be if sent by none other than Walt Disney! Early in the history of the Walt Disney Studios, annual Christmas themed greeting cards were created, their designs and illustrations by such legendary Disney Studio artists as Tom Wood, Hank Porter, Bob Moore, Mary Blair, John Hench, and Paul Wenzel. Over eight decades, the artists also fashioned annual seasonal art for merchandise and advertisements, and in support of motion pictures, television programs, and the Disney Parks and Resorts. From All of Us to All of You: The Disney Christmas Card features beloved characters and moments from these rarely seen and seldom-published examples of vintage Disney imagery. Gift-wrapped and sparkling in the spirit of the season, this one-of-a-kind collection of familiar, festive, fun, and feeling holiday art shines a light on a remarkable body of work and the people who created it, all while celebrating that most wonderful time of the year.

Encyclopedia of New Year's Holidays Worldwide William D. Crump, 2014-04-25 Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.
