**French Country Cottage** Courtney Allison,2018-08-14 Discover design inspiration as a photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation house that could, set in the center of rolling fields and trees becomes the cottage home of her dreams. A French country–style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. Blurring the lines between indoor and outdoor and embracing well-worn as well loved, French Country Cottage is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room.

—Julie C. Dao, author of *Forest of a Thousand Lanterns* on *The Keeper of Night* In this riveting sequel to *The Keeper of Night*, a half Reaper, half Shinigami soul collector must defend her title as Japan’s Death Goddess from those who would see her—and all of Japan—destroyed. Death is her dynasty. Ren Scarborough is no longer the girl who was chased out of England—she is the Goddess of Death ruling Japan’s underworld. But Reapers have recently been spotted in Japan, and it’s only a matter of time before Ivy, now Britain’s Death Goddess, comes to claim her revenge. Ren’s last hope is to appeal to the god of storms and seas, who can turn the tides to send Ivy’s ship away from Japan’s shores. But he’ll only help Ren if she finds a sword lost thousands of years ago—an impossible demand. Together with the moon god Tsukuyomi, Ren ventures across the country in a race against time. As her journey thrusts her in the middle of scheming gods and dangerous Yokai demons, Ren will have to learn who she can truly trust—and the fate of Japan hangs in the balance. Reaper, half Shinigami soul collector seeks her destiny in this haunting and compulsively readable dark fantasy duology set in 1890s Japan. Death is her destiny. Half British Reaper, half Japanese Shinigami, Ren Scarborough has been collecting souls in the London streets for centuries. Expected to obey the harsh hierarchy of the Reapers who despise her, Ren conceals her emotions and avoids her tormentors as best she can. When her failure to control her Shinigami abilities drives Ren out of London, she flees to Japan to seek the acceptance she's never gotten from her fellow Reapers. Accompanied by her younger brother, the only being on earth to care for her, Ren enters the Japanese underworld to serve the Goddess of Death...only to learn that here, too, she must prove herself worthy. Determined to earn respect, Ren accepts an impossible task—find and eliminate three dangerous Yokai demons—and learns how far she'll go to claim her place at Death's side. Don't miss the must-read sequel coming in 2022!
