The Better Mom Ruth Schwenk,2018-04-24 Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In The Better Mom, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of The Better Mom is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become.

The Elephants in My Backyard Rajiv Surendra,2016-11-08 Rajiv Surendra was filming Mean Girls, playing the beloved rapping mathlete Kevin Gnapoor, when a cameraman insisted he read Yann Martel's Life of Pi. So begins his lovely and human (Jenny Lawson, author of Furiously Happy) tale of obsessively pursuing a dream, overcoming failure, and finding meaning in life. “This was a once-in-a-lifetime chance. I found myself standing dangerously close to the edge of a cliff. Far below me was an incredible abyss with no end in sight. I could turn back and safely return to where I had come from, or I could throw caution to the wind, lift my arms up into the air . . . and jump.” —From The Elephants in My Backyard What happens when you spend ten years obsessively pursuing a dream, and then, in the blink of an eye, you learn that you have failed, that the dream will not come true? In 2003, Rajiv Surendra was filming Mean Girls, playing the beloved rapping mathlete Kevin Gnapoor, when a cameraman insisted he read Yann Martel's Life of Pi. Mesmerized by all the similarities between Pi and himself—both are five-foot-five with coffee-colored complexions, both share a South Indian culture, both lived by a zoo—when Rajiv learns that Life of Pi will be made into a major motion picture he is convinced that playing the title role is his destiny. In a great leap of faith Rajiv embarks on a quest to embody the sixteen-year-old Tamil schoolboy. He quits university and buys a one-way ticket from Toronto to South India. He visits the sacred stone temples of Pondicherry, he travels to the frigid waters off the coast of rural Maine, and explores the cobbled streets of Munich. He befriends Yann Martel, a priest, a castaway, an eccentric old woman, and a pack of Tamil schoolboys. He learns how to swim, to spin wool, to keep bees, and to look a tiger in the eye. All the while he is really learning how to dream big, to fail, to survive, to love, and to become who he truly is.

Rajiv Surendra captures the uncertainty, heartache, and joy of finding ones place in the world with sly humor and refreshing honesty. The Elephants in My Backyard is not a journey of goals and victories, but a story of process and determination. It is a spellbinding and profound book for anyone who has ever failed at something and had to find a new path through life.
