The Bathroom Chronicles Friederike Schilbach,2018-10-16 One hundred creative, intelligent, and interesting women--some well-known, some not--reveal their inner selves through candid, tender, and often humorous snapshots--both visual and textual--of a single object or corner of their bathroom. For many women, the bathroom is the most intimate of spaces. It is the place where we encounter ourselves in the mirror each morning and every night--brushing our teeth, applying make-up, fixing our hair, getting ready to face the day, or recede from it. THE BATHROOM CHRONICLES is a beautiful, chic, touching, and deeply feminine collection of photos and accompanying short stories (sometimes no more than a sentence or two) by women about their private spaces and most cherished possessions. Lena Dunham reveals the corner by the sink where she keeps her favorite pieces of jewelry, as well as her birth control. Erica Jong snaps her poodles and insists that they love her powder room and to fluff up their hair in front of the mirrors. Roz Chast reflects on a shelf in the corner that she purchased from a second-hand store. It's decorated with birds, because she loves birds, and a tiny emu that was given to her by a friend when she was in Australia. Like the bathrooms themselves each of these stories and images is unique--open, private, minimalistic, messy, and beautiful.

Hundred Percent Karen Romano Young,2016-08-09 The last year of elementary school is big for every kid. In this novel, equal parts funny and crushing, utterly honest and perfect for boys and girls alike, Christine Gouda faces change at every turn, starting with her own nickname—Tink—which just doesn't fit anymore. Readers will relate to this strong female protagonist whose voice rings with profound authenticity and absolute novelty, and her year's cringingly painful trials in normalcy—uncomfortable Halloween costumes, premature sleepover parties, crushed crushes, and changing friendships. Throughout all this, Tink learns, what you call yourself, and how you do it, has a lot to do with who you are. This book marks beloved author Karen Romano Young's masterful return to children's literature: a heartbreakingly honest account of what it means to be between girl and woman, elementary and middle school, inside and out—and just what you name that in-between self.

The Exquisite Book Julia Rothman,Jenny Volvovski,Matt Lamothe,2010-09-01 In The Exquisite Book, one hundred indie artists play an ingenious version of the Exquisite Corpse drawing game. Each adorns a page with artworkhaving seen only the page of the artist immediately prior and using a single horizon line to connect the two. Some continue the story quite literally while others build on the previous page in more fanciful ways. This astonishing volume's format is as unique as its content, with each of the book's ten chapters residing on a ten-page accordion pull-out, allowing readers to view the art continuously. With an illustrated foreword by Dave Eggers, and art from such luminaries as James Jean and Jill Bliss, this charming book is, simply, exquisite.

Part Asian, 100% Hapa Kip Fulbeck,2010-07-01 Once a derogatory label derived from the Hawaiian word for half, Hapa is now being embraced as a term of pride by many people of Asian or Pacific Rim mixed-race heritage. Award-winning film producer and artist Kip Fulbeck has created a forum in word and image for Hapas to answer the question they're nearly always asked: What are you? Fulbeck's frank, head-on portraits are paired with the sitters' own statements of identity. A work of intimacy, beauty, and powerful self-expression, Part Asian, 100% Hapa is the book Fulbeck says he wishes he had growing up. An introduction to the rest of the world and an affirmation for Hapas themselveswho now number in the millions—it offers a new perspective on a rapidly growing population.
