The Chubby Bunny Wonny Benjamin O'Dell,Laura E. O'dell,2017-01-05 The Chubby Bunny Wonny is a dynamic book about a little rabbit that got bullied in school. It was very upsetting to him, and he had a hard time telling his family. Then someone found out! Read it to see what happened in the end. This is a great book for parents and grandparents to read to their children. It is for ages 5-9. Ben and Laura have created a series of books encouraging a better way in life. More than half of bullying situations (57%) stop when a peer intervenes on behalf of the student being bullied (Hawkins, Pepler, & Craig, 2001).

What the Fluffy Bunny Said to the Tiny Mouse P. Crumble,2021-01-03 Fluffy Bunny is MEASURING all his friends to find out who is TALLER. But why? What is Fluffy Bunny up to?

Fluffy Bunny James Barnett,2016-04-23 This is emphatically NOT a book for children. A collection of rhymes cataloguing the horrible, terrible experiences of Fluffy Bunny.

Searching for Sunday Rachel Held Evans,2015-04-14 Are you struggling to connect with your church community? Do you find yourself questioning the core beliefs that you once held dear? Searching for Sunday, from New York Times bestselling author Rachel Held Evans is a heartfelt ode to the past and a hopeful gaze into the future of what it means to be a part of the modern church. Like millions of her millennial peers, Rachel Held Evans didn't want to go to church anymore. The hypocrisy, the politics, the gargantuan building budgets, the scandals--to her, it was beginning to feel like church culture was too far removed from Jesus. Yet, despite her cynicism and misgivings, something kept drawing Evans back to church. Evans found herself wanting to better understand the church and find her place within it, so she set out on a new adventure. Within the pages of Searching for Sunday, Evans catalogs her journey as she loves, leaves, and finds the church once again. Evans tells the story of her faith through the lens of seven sacraments of the Catholic church--baptism, confession, holy orders, communion, confirmation, the anointing of the sick, and marriage--to teach us the essential truths about what she's learned along the way, including: Faith isn't just meant to be believed, it's meant to be lived and shared in community Christianity isn't a kingdom for the worthy--it's a kingdom for the hungry, the broken, and the imperfect The countless and beautiful ways that God shows up in the ordinary parts of our daily lives Searching for Sunday will help you unpack the messiness of community, teaching us that by overcoming our cynicism, we can all find hope, grace, love, and, somewhere in between, church.

Fluffy Bunny Lynn Otterman,2002-04 Yaaaawn--Bunny wants a nap! He's been playing in the forest all day long and feels so tired. Where should he rest his head? Baby Bird offers her nest; oh-oh, it's way up high. Turtle has an idea: would Bunny like to lie down in the pile of leaves by the pond? Ooh, no, it's too cold and wet. You could nap with me upside down in my cave, offers Bat. Whooo: how dark it is inside. And, little rabbits only sleep rightside up, anyway. It's all right through, because now Bunny knows where to go.Cuddled next to mommy in his snug, underground home! It's the perfect goodnight book for toddlers and parents to share.

Attack of the Fluffy Bunnies Andrea Beaty,2011-01-14 “A lighthearted, clever send-up of zany horror conventions, this book is just the thing for kids about ready for M. T. Anderson’s Whales on Stilts.” –Booklist When Joules and Kevin Rockman’s parents drop them off at Camp Whatsitooya on their way to an International Spamathon, the twins expect a summer of marshmallows, campfires, and canoe trips. What they do not expect is to defend the earth from an invasion of sugar-addicted, murderous, seven-foot-tall rabbits from another galaxy. Happily, the Rockman twins, veteran watchers of the Late, Late, Late Creepy Show for Insomniacs, are unusually well-prepared for dealing with monstrous beings from outer space. If only their fellow campers were so lucky. Andrea Beaty, New York Times-bestselling author of several very funny picture books and a mystery novel, here reaches new heights of hilarity and verbal dexterity in a novel sure to become a camp-ba-dum-dum-classic. “Beaty’s tale of high silliness is sure to please, and it’s dotted with Santat’s mini-comics and spot illustrations, which move the story along.” –Kirkus Reviews “Beaty’s storytelling is lighthearted and fast-paced . . . her unconventional and entertaining narrative make it a wholly fun read.” –Publishers Weekly

So the Sign Said Natasha Osteen,2012 SO THE SIGN SAID is a humorous young adult fiction. The novel’s main character, Jordan Klein, is a precocious seventeen-year-old New York City girl who cracks wise to deal with the world around her. Her mother, Rachel, is a litigator-sharp, refined, and always careful not to spill her gin and tonic on the couch. Her father, Eli, is a professor of divinity, an unapologetic eccentric and, in Jordan’s eyes, a dippy-doodling disaster. When he spontaneously agrees to pastor a church in podunk Texas for the summer, Jordan’s world is turned upside down. It’s not long before Jordan meets Knox, a gorgeous yet complicated mess, and Bliss, a fun-loving whimsical blonde. Through Knox and Bliss, Jordan discovers the best parts of her new summer home, including the quirky church sign outside her bedroom window. The sign offers advice, provides pun-laden humor, and has an uncanny ability to predict the future—including hers.

Hell and Back Optimum Vizhan,2020-09-21 This is my Hell and Back story. I was in two wars; one with Korea and one with my wife. My story starts during the Great Depression of the Twentieth Century; on my father’s self-sustaining farm. Before the age of five, my family’s pet sheep, rammed my forehead into the tractor’s steel wheel; leaving a visible “V” scar, on my head for the rest of my life. This “V” was proof; that God would give me victory, over hell throughout my life. Be it near death experiences; on the farm, in war, driving vehicles, building homes, marriage, heart attack, multiple bypasses and the lost of my free movie sweet heart. I learned how to be at peace with myself and God. This peace allowed me to face my hells head on; witness God walking me through them, establish me again and take me through the next season of my life. My Story finishes, with it being a navigational inspiration tool; that guides us and the generations to come, through our hell and backs. Included are my Hell and Back Survival Tips™ that guided me through my two wars. Plus the Law of Unconditional Love, I discovered while in my two wars.

My Fluffy Bunny Carli Yim,2018-06-05 My Fluffy Bunny by Carli Yim. Illustrations by Natalia Scabuso. Written by Carli Yim and Illustrated by Natalia Scabuso, My Fluffy Bunny is a childrens' book about remembering to love the things that matter to you.

Fluffy Bunnies 2 Andrea Beaty,2016-03-08 “Armageddon-averting fun for fans of Jon Scieszka’s Spaceheadz and M.T. Anderson’s Pals in Peril” –from the author of Attack of the Fluffy Bunnies (Kirkus Reviews). When film-loving twins Joules and Kevin Rockman left their summer camp, they thought their days of fighting evil bunnies from outer space were over. Surely there won’t be giant rabbits bent on world domination at their school, right? Wrong.

Luckily, these bunnies aren't FLUFFS (Fierce, Large, Ugly, and Ferocious Furballs)—sugar-addicted giant rabbits out to hypnotize and kill. Unluckily, they're worse: the FOOFs (Fierce, Obnoxious, Odoriferous Furballs)—seemingly normal-size rabbits (with extra-large noses) out to take over the world! Can Joules and Kevin save themselves, and their school, from the Schnoz of Doom? Seriously funny New York Times–bestselling author Andrea Beaty raises the stakes in this sequel to her zany, pulpy sci-fi farce. And, not to use Famous Last Words, but with illustrations by Caldecott–winning artist Dan Santat (The Adventures of Beekle, Crankenstein), what could possibly go wrong? Praise for Attack of the Fluffy Bunnies “A lighthearted, clever send-up of zany horror conventions, this book is just the thing for kids about ready for M. T. Anderson’s Whales on Stilts.” —Booklist “Beaty’s storytelling is lighthearted and fast-paced . . . her unconventional and entertaining narrative make it a wholly fun read.” —Publishers Weekly
