**Prairie Defender** George R. Dekle, Sr.,2017-05-23 According to conventional wisdom, Abraham Lincoln spent most of his law career collecting debt and representing railroads, and this focus made him inept at defending clients in homicide cases. In this unprecedented study of Lincoln's criminal cases, George Dekle disproves these popular notions, showing that Lincoln was first and foremost a trial lawyer. Through careful examination of Lincoln's homicide cases and evaluation of his legal skills, Dekle demonstrates that criminal law was an important part of Lincoln's practice, and that he was quite capable of defending people accused of murder, trying approximately one such case per year. Dekle begins by presenting the viewpoints of not only those who see Lincoln as a perfect lawyer whose only flaw was his inability to represent the wrong side of a case but also those who believe Lincoln was a less-than-honest legal hack. The author invites readers to compare these wildly different stereotypes with the flesh-and-blood Lincoln revealed in each case described in the book, including an axe murder suit in which Lincoln assisted the prosecution, a poisoning case he refused to prosecute for \$200 but defended for \$75, and a case he won by proving that a supposed murder victim was actually still alive. For each case Dekle covers, he first tells the stories of the feuds, arguments, and insults that led to murder and other criminal activity, giving a gripping view of the seamy side of life in nineteenth-century Illinois. Then he traces the course of the pretrial litigation, describes the trials and the various tactics employed in the prosecution and defense, and critiques the performance of both Lincoln and his adversaries. Dekle concludes that Lincoln was a competent, diligent criminal trial lawyer who knew the law, could argue it effectively to both judge and jury, and would use all lawful means to defend clients whether he believed them to be innocent or guilty. His trial record shows Lincoln to have been a formidable defense lawyer who won many seemingly hopeless cases through his skill as a courtroom tactician, cross-examiner, and orator. Criminal defendants who could retain Lincoln as a defense attorney were well represented, and criminal defense attorneys who sought him as co-counsel were well served. Providing insight into both Lincoln's legal career and the culture in which he practiced law, *Prairie Defender* resolves a major misconception concerning one of our most important historical figures.

Criminal Justice Act of 1963 United States. Congress. Senate. Committee on the Judiciary,1963

*Courts* Cassia Spohn,Craig Hemmens,2009 *Courts: A Text/Reader* provides the best of both worlds-authored text Sections with carefully selected accompanying Readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st

century. The articles, from leading journals in criminology and criminal justice, reflect both classic studies of the criminal court system and state-of-the-art research and often have a policy perspective that makes them more applied, less theoretical, and more interesting to both undergraduate and graduate students. This unique Text/Reader is primarily intended for undergraduate and graduate courses on the criminal court system and/or judicial processes.--BOOK JACKET.
