Laconia Motorcycle Week Charlie St. Clair, Jennifer Anderson, 2008 Laconia Motorcycle Week is the oldest national motorcycle rally in the United States. Since 1916, motorcyclists have traveled to the Lakes Region of New Hampshire to enjoy the beautiful scenery of lakes and mountains. In 1916, the sport of motorcycling had just begun, and the enthusiasm and participation has continued to grow exponentially throughout the years. As the oldest rally, Laconia Motorcycle Week has certainly seen the good times and the bad times. Since 1998, Laconia Motorcycle Week has averaged over 300,000 visitors into New Hampshire every June. The rally is made up of hundreds of individual motorcycle-related events throughout the state of New Hampshire.

Bike Rallies David and Patricia Armentrout, 2013-03-01 Provides a look at motorcycle rallies, including the attractions, vendors, and the thrill of being at a bike rally.

City Streets Carlton Millner, 2011-02-23 To climb to the top of the street bike scene you need 3 things; a hot bike, steely nerves, and a swagger like no other. In the gritty streets of New York city the members of City Streets MC have done this, beating all comers with the craziest stunts and quickest clock times. What will happen when an old acquaintance rises from the past to murder one of the crew? Million dollar deals are on the table but the streets call for vengeance. Will their motto 'Ride and Strive Together', be just a slogan or will it represent the bond of brotherhood forged after many years? Sometimes those we think we know so well can bitterly disappoint. But as the streets say...It is, what it is...Enjoy.

Sustainable Cities for the Third Millennium: The Odyssey of Urban Excellence Voula P. Mega, 2010-09-21 At the dawn of the third millennium, planet Earth entered a zone of turbulence. The 2008 crisis added economic uncertainty to the threat of global warming and extreme events such as droughts, floods and cyclones, the persisting crisis of poverty and the spectrum of pandemics and terrorism. Against this global landscape in an era of fragility, cities, already sheltering more than half of humankind, appear as Janus-faced realities, the best and worst of places, vulnerable but still full of hope and will to

overcome the crisis of societal values and progress in the path of sustainable development. This book addresses the most critical challenges for cities, humanity's collective masterpieces in danger, and analyses breakthrough responses for sustainable development, a globalisation with human face and the transition to inclusive post carbon communities. The ultimate wish is that experts, city planners, decision-makers and citizens in search of sustainable cities could find here some sources of information and inspiration to enhance the immense possibilities of cities and embrace the best possible trajectories of change.

Activist New York Steven H. Jaffe, 2018-05 *Activist New York* surveys New York City's long history of social activism from the 1650's to the 2010's. Bringing these passionate histories alive, *Activist New York* is a visual exploration of these movements, serving as a companion book to the highly-praised Museum of the City of New York exhibition of the same name. New York's primacy as a metropolis of commerce, finance, industry, media, and ethnic diversity has given it a unique and powerfully influential role in the history of American and global activism. Steven H. Jaffe explores how New York's evolving identities as an incubator and battleground for activists have made it a machine for change. In responding to the city as a site of slavery, immigrant entry, labor conflicts, and wealth disparity, New Yorkers have repeatedly

challenged the status quo. Activist New York brings to life the characters who make up these vibrant histories, including David Ruggles, an African American shopkeeper who helped enslaved fugitives on the city's Underground Railroad during the 1830s; Clara Lemlich, a Ukrainian Jewish immigrant who helped spark the 1909 Uprising of 20,000 that forever changed labor relations in the city's booming garment industry; and Craig Rodwell, Karla Jay, and others who forged a Gay Liberation movement both before and after the Stonewall Riot of June 1969. Permanent exhibition: Puffin Foundation Gallery, Museum of the City of New York, USA.
