Letters From Grace C.J. Carmichael,2021-09-23 Finding old love letters in her father's closet inspires a teen to play matchmaker. Jessica Shanahan is off to college next year, but she's worried about leaving her father, Levi Shanahan, alone. He's been a single dad since his wife died when Jessica was only a toddler. He reassures her that he's too busy running his family general store, taking care of his aging parents and volunteering in the community to be lonely. But Jessica has her doubts—especially when she finds old love letters from his high school sweetheart. Travel photographer Grace Hamilton is promoting her latest book when a student from her hometown reaches out about a research project. Curious, Grace meets with her and when the teen invites her to the Woodland Foliage Arts Festival, Grace accepts. Though her career's been successful and fulfilling, she's never met a man who touched her heart the way Levi Shanahan once did. Maybe a trip home will finally help her to move on and find the one thing that's eluded her throughout her years of travel—love.

New York Times bestselling author C.J. Box. When Joe Pickett is asked to join the rescue efforts for the victim of a startling grizzly attack, he reluctantly leaves his district behind. One survivor of the grizzly's rampage tells a bizarre story, but just as Joe begins to suspect the attack is not what it seems, he is brought home by an emergency on his own turf. Someone has targeted a prominent local judge, shooting at him from a seemingly impossible distance. While the judge was not hit, his wife is severely wounded, and it is up to Joe to find answers—and the shooter. The search for the would-be assassin becomes personal when Nate Romanowski and his young family are targeted by the mysterious shooter. Beset by threats both man-made and natural, the two men must go to great lengths to keep their loved ones safe. “Impressive precision and heart-gripping suspense....Good characters, an extra good story, and great scenes of life and death in the wilderness.”—New York Times Book Review
