Presentation Skills For Managers Jennifer Rotondo,Mike Rotondo,2001-09-22 This reader-friendly series is must read for all levels of managers All managers, whether brand-new to their positions or well established in the corporate hierarchy, can use a little brushing-up now and then. The skills-based Briefcase Books Series is filled with ideas and strategies to help managers become more capable, efficient, effective, and valuable to their corporations. The ability to give a great presentation can be a tremendous career booster, while the opposite can keep a manager on a dead-end path. Presentation Skills for Managers is a practical, advice-filled book on how to create and make compelling and persuasive presentations. Besides reviewing material on preparing and delivering effective presentations, it includes new special coverage of the development and use of Powerpoint slides, something not found in most books on presentations.

Diagnosis and Management of Femoroacetabular Impingement Olufemi R. Ayeni,Jón Karlsson,Marc J Philippon,Marc R. Safran,2016-09-15 This book is unique in combining an exclusive focus on femoroacetabular impingement (FAI) with an evidence-based approach and the involvement of a diverse group of global experts. It is designed to meet the worldwide need for a summary of current evidence that will readily assist the physician in establishing the most accurate diagnosis and providing the best available treatment. The coverage is wide ranging, encompassing clinical examination, differential diagnosis, imaging, indications for surgery, contemporary arthroscopic and open management, treatment of labial tears, cartilage injury management, non-operative management, rehabilitation, treatment of complications, and revision surgery. Trainees, physicians, surgeons, and allied health care professionals who treat young adults with hip pain will find the book to be an excellent source of information on what procedures are most helpful and how they should be implemented.
