United States. Economic Development Administration

Santa Clara Bea Lichtenstein,2004 Santa Clara's nineteenth and twentieth century history is presented through vintage photographs.

**Legendary Locals of Santa Clara** Clarence Robert Tower,Ken Lichtenstein,2014-04-07 The city of Santa Clara lies in the very heart of the Santa Clara Valley, directly south of San Francisco Bay. It is the home base of the internationally famous Santa Clara Swim Club, the equally famous synchronized swim team the Santa Clara Aquamaids, the International Swim Center, and the San Francisco 49ers professional football team. It boasts world-class parks, theaters, museums, acting groups, a featured chorale, a nationally ranked drum and bugle corps, a major theme park, a convention center, and a first-class hotel system for those who wish to visit. Legendary Locals of Santa Clara celebrates the people who guided all of this to its realization.

**Someday Is Now** Olugbemisola Rhuday-Perkovich,2018-08-07 Not only does this book highlight an important civil rights activist, it can serve as an introduction to child activism as well as the movement itself. Valuable. – Kirkus Reviews starred review Relatable and meaningful ... A top addition to nonfiction collections. – School Library Journal starred review More than a year before the Greensboro sit-ins, a teacher named Clara Luper led a group of young people to protest the segregated Katz drugstore by sitting at its lunch counter. With simple, elegant art, Someday Is Now tells the inspirational story of this unsung hero of the Civil Rights movement. As a child, Clara Luper saw how segregation affected her life. When she grew up, Clara led the movement to desegregate Oklahoma stores and restaurants that were closed to African Americans. With courage and conviction, she led young people to “do what had to be done.” Perfect for early elementary age kids in encouraging them to do what is right and stand up for what is right, even at great cost, this is a powerful story about the power of nonviolent activism. Someday Is Now challenges young people to ask how they will stand up against something they know is wrong. Kids are inspired to follow the lessons of bravery taught by civil rights pioneers like Clara Luper. This moving title includes additional information on Clara Luper's extraordinary life, her lessons of nonviolent resistance, and a glossary of key civil rights people and terms.

Cemeteries of Santa Clara Bea Lichtenstein,2005 Strolling through Santa Clara's historic cemeteries, you will find architectural treasures, thoughtful or cryptic verses carved in stone, and monuments everywhere that resist and challenge the ceaseless waves of time and change. Santa Clara Mission Cemetery and Mission City Memorial Park were both founded before the city itself. Santa Clara Mission Cemetery was established by the Jesuit fathers along with Santa Clara College in 1851. Many pioneers are interred here, and beneath the Varsi Chapel floor lies what may be the oldest mausoleum in the valley. Mission City Memorial Park, known simply as the graveyard when it was founded in 1850, once doubled as a dump and a refuge for stray farm animals. It is now a beautifully landscaped, 30-acre cemetery memorializing valley residents of the past 150 years.
