Art of the Classic Car Peter Bodensteiner, 2013-09-16 DIVThe rarity and historical significance of prewar classic and antique cars make them hot commodities on the collector car market. These are the automobiles that populate the fairways and manicured lawns of the world's greatest car shows in alluring locales like Pebble Beach, California, and Amelia Island, Florida. These are the cars that bring a hush to the hall when they roll across the blocks at auctions around the world. These are the cars that fill the world's greatest collections, like those of Ralph Lauren, Mark Knopfler, and various members of royal families. These are the cars from history's premiere automakers: hallowed names like Packard, Duesenberg, Stutz, Bugatti, Mercedes-Benz, Cord, and others'six-figure and million-dollar machines that thrill Barrett-Jackson audiences and drive bidders to frenzy. *Art of the Classic Car* features the stunning studio photography of Peter Harholdt (*Art of the Hot Rod*, *Art of the Muscle Car*), lavished on the most significant automobiles from the classic era: the 1910s to early 1940s. Every page contains framable-quality portraits of some of the most important cars ever made, with each car accompanied by a short essay from automotive expert Peter Bodensteiner that places the model contextually within automotive history. Just 30s Angelo Van Boggart,2010-12-13 The 1930s might have been the greatest 10-year period in the history of the American automobile. Even in the face of a suffocating Depression, American cars continued to evolve with beautiful, streamlined designs that had never been seen before. General Motors began face lifting its vehicles with new styles for every model year. Hard-rubber rides were softened by balloon tires, impressive 16-cylinder engines began showing up under massive hoods and hydraulic brakes became the norm. The synchromesh transmission, independent suspension, heaters and radios made automotive journeys more comfortable than ever. It was truly a decade of advancement and achievement for U.S. car makers. In *Just '30s*, the publisher of *Old Cars Weekly* and *OldCarsReport.com* Price Guide celebrates this fabulous decade with a look back at the cars, and car companies, that gave us such great memories.
