**Little Star** Igor Vorobyov, Little Star is a magical, interactive book, a gamebook for young children. This moving story is about Little Star, who travels to different places, finds herself in interesting situations, and learns a lot about the world, herself, and those around her. Through the course of the book, children learn alongside Little Star how to behave, take care of themselves, tidy up at home, and help their parents and friends. They learn how to become more attentive and responsive. What makes this book unique is that it simultaneously combines two realities, print and virtual. When a phone or table screen is pointed at one of the QR codes placed within the text, an interactive, developmental game, sketch, or song begins. This gives a three-dimensional quality to the story, so that a child gets the feeling of really being there, fully engaged in the adventure. The game element makes learning much more effective and natural.

Fairy Tales Teya Evans, 2019-08-03 Do you read bedtime stories for your child? Don't modern heroes seems too boring to you? Try to plunge into the fairy tale world filled with ancient, magical creatures: elves, fairies, mermaids, dragons... This fairy tale storybook is dedicated to ancient folktales from around the world. Many of them are lost, but some have still managed to reach our era. We travel, together, all around the world. We sink into the old tales that speak of magic we still don't fully understand. We look for answers, but - perhaps more importantly - we look for questions: for

that spirit that makes us stare in reverent wonder at the world around us. Our ancestors told of these magical creatures from generation to generation. And it is surprising how similar their habits are. Perhaps by reading some of the tales from another continent, you will find that her characters are exactly the same as in your grandmother's tales. Who knows? And then, perhaps, you tell this story to your child. And you will pass it on to the next generation. And now... Pretend you're sitting by a fire, listening to a wise, wizened storyteller begin to talk...
