Henle Latin Second Year Robert J. Henle, 2012-12-31 The backbone of Henle Latin Second Year is intensive language study, including review of the first year plus new materials. Separated into four parts, Henle Latin Second Year includes readings from Caesar's Commentaries, extensive exercises, and Latin-English vocabularies. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.

Classical Guitarists Jim Tosone, 2000-09-01 Classical Guitarists fills a void in the special world of the classical guitar. Although this realm is inhabited by world-class musicians, much of what they think and feel has never been captured in print. The interviewees, including Julian Bream, John

Williams, Sharon Isbin, Eliot Fisk, David Starobin and David Tanenbaum are a select group at the peak of their prowess who speak openly and thoughtfully about their opportunities, accomplishments, and lessons learned. Each has made important contributions from establishing significant academic programs to broadening the audience for the classical guitar. The author shares his reviews of their most important recordings and New York City concerts during the 1990s, as well as discographies of their recordings. There are also interviews with Harold Shaw, the most prominent artist manager in the history of the classical guitar and several of today's most important composers for the guitar, including Pulitzer Prize winners George Crumb and Aaron Jay Kernis. An introductory chapter provides an historical perspective on classical guitar and a postscript explains how to create a basic repertoire of recordings.
