Classical Music Discographies, 1976-1988 ,1989-10-11 This comprehensive, exhaustively researched volume is the first to identify discographies in all fields of classical music published from 1976 to the present. Geographic coverage is worldwide--publications are included from the United States, Europe, South America, the Soviet Union, and Japan. In addition to covering discographies published as books, this indispensable reference contains entries for discographies published as supplements to books or as magazine articles, for record labels citing significant numbers of classical recordings, and for discographies appearing in dissertations, theses, or program notes. In gathering his material, Gray has relied almost exclusively on personal examination of the discographies, ensuring a high level of accuracy. The bibliography is divided into two parts. The body of the volume contains entries listed alphabetically by name and subject. Each entry includes a numerical code which identifies elements, such as release dates and take numbers, likely to be important to discography users. Headings for names and subjects are based on Library of Congress standards and cross references link variant subjects or name forms. The index encompasses the names of compilers, editors, and authors, series titles, and distinctive discography titles. Care has been taken throughout to make the bibliography both comprehensive and easy to use. An essential acquisition for every public and research library with a music collection, this volume will become a standard reference for scholars and students of classical music.

The Beethoven Duets For Flute Volume 1 Scherzi 1, 2 and 3 Joe Procopio,2016-02-21 THE BEETHOVEN DUETS By Joe Procopio The Beethoven Duets

by Joe Procopio is a collection of duets that artist -composer Joe Procopio has adapted and arranged from the 9 Scherzi found in Ludwig van Beethoven's 9 Symphonies. These duets are the first of their kind in history making them noteworthy, unique and valuable. Each Scherzo is published not only for Flute but also for many other orchestral instruments. They are published individually for each instrument; in a Three Volume Collection with 3 Scherzi in each volume; and in a Complete Collection containing all three volumes. They are also available as a CD. Volume One has Scherzo No.1, Scherzo No. 2 and Scherzo No.3. Volume Two has Scherzo No.4, Scherzo No 5 and Scherzo No.6. Volume Three has Scherzo No.7, Scherzo No.8 and Scherzo No.9. The Complete Collection has all 3 Volumes for each instrument with all 9 Scherzi. What's more they will soon be published in the Procopio PlayAlong Music Program. This is an exclusive MP3 music audio program personally designed and developed in which Player 1 plays along with a music audio track for Player 2. "To be sure, The Beethoven Scherzi Duets for Flute are a marvel of Beethoven's skill with sections reaching the sublime. It is my deep felt personal belief that these Scherzi will bring you great pleasure and long lasting satisfaction." Joe Procopio

AN INTRODUCTION TO THE BEETHOVEN DUETS By Joe Procopio Because of the complexities, range and sonorities inherent in all of the Beethoven Symphonies, it may seem impossible to transcribe any one movement as a duet that is true to the composer. Nevertheless, I believe these duets contain the heart, soul and essence of Beethoven's melodies, rhythms and expressions; even though these works are tiny when they are compared to the Master's great musical creations which have no equal. In fact, there is no comparison. However, my sincere hope is that since I have rendered some of Beethoven's music as duets, his music is now more readily available to all permitting a greater number of musicians and all the people who hear their performances to come to know and love a bit of the world's most valuable, breathtaking and beautiful music. In truth, Beethoven's music has stood the test of time. He astonished people in his day whenever he performed his music or had his music played. He still does today. To be sure, his music has enhanced and enriched the lives of many of us for over 200 years. In performing and listening to these Scherzi you will find the whole of each work a marvel of Beethoven's skill with sections reaching the sublime. Few composers have been able to write down on paper music of such incredible beauty that it reflects the awesome splendor of God's creation. What comes to mind immediately is Beethoven's "Pastoral" Symphony No. 6. It has been said, that much of his music mirrors not only the magnificence of God's creation but also the radiance of God the Creator himself. In any event, this music is simply amazing and awe-inspiring. A joy to listen to and to play. I know and can safely say without any hesitation or reservations that this collection will bring you much enjoyment.
