When we find ourselves succumbing to the pressures of today that move us towards burnout, we need a clear path to get out and avoid it in the future. That's what Rob and Terri Bogue have put together - a clear path out of burnout. In the book, you'll learn: - What causes burnout and how to escape - How to more realistically value the results you're getting - When to ask for and receive more support - What four simple physical self-care activities reduce burnout - How to change your self-talk for the better - What to do to manage your demands so you're not so exhausted - How to better recognize your personal value - How to integrate your self-image and reduce your stress - How to identify and eliminate barriers to your efficacy - How to build resilience against setbacks - Why hope is essential - Why failure isn't final - How to be detached without being disengaged Rob and Terri convert abstract concepts into tangible activities that you can do to escape burnout.
