Visual Diagnosis and Care of the Patient with Special Needs Taub,Mary Bartuccio,Dominick M. Maino,2012 Visual Diagnosis and Care of the Patient with Special Needs provides a thorough review of the eye and vision care needs of patients with special needs. This book gives you a better understanding of the most frequently encountered developmental and acquired disabilities seen in the eye care practitioner's office. These disabilities include patients with autism, brain injury, Fragile X syndrome and Down syndrome, as well as those with psychiatric illness, dual diagnosis, and more. The text discusses, in great detail, the visual issues inherent in these populations and their possible treatment. A group of authors with approximately 500 years of experience in the field of eye care and special populations have been brought together to develop this comprehensive reference. It may appear that this book is written primarily for eye care practitioners such as optometrists and ophthalmologists, while vision is the overriding topic, this book serves as an excellent resource for a multitude of professions including those engaged in occupational therapy, physical therapy, speech and language therapy, physiatry, social work, pediatric medicine, and special education.

What to Ask the Person in the Mirror Robert Steven Kaplan,2011-07-12 Successful leaders know that leadership is less often about having all the answers—and more often about asking the right questions. The challenge lies in being able to step back, reflect, and ask the key questions that are critical to your performance and your organization's effectiveness. In What to Ask the Person in the Mirror, leadership expert Robert Kaplan presents a process for asking the big questions that will enable you to diagnose problems, change course if necessary, and advance your career. He lays out areas of inquiry, including questions such as: Do I clearly articulate my vision and top priorities to my employees and key constituencies? Does the way I spend my time enable me to achieve my top priorities? Do I give subordinates timely and direct feedback they can act on? Do I actively seek feedback myself? Have I developed a succession roadmap? Is my organization's design aligned with the achievement of its objectives? Is my leadership style still effective, and does it reflect who I truly am? Packed with real-life situations, this highly readable and practical guide helps you learn to ask the right questions—and work through the answers in ways that are right for you. By asking these questions, you can tackle the inevitable challenges of leadership as you craft new strategies for staying on top of your game.

Personal Potential and Leadership Success: The Kaplan Collection (3 Books) Robert Steven Kaplan,2015-11-10 Curated by Harvard Business Review, this digital collection brings together the ideas of leadership expert Robert Steven Kaplan. What to Ask the Person in the Mirror presents a process for asking the big questions that will enable you to diagnose problems, change course if necessary, and advance your career. In What You're Really Meant to Do, Kaplan shares a specific and actionable approach to defining your own success and reaching your potential. Finally, in What You Really Need to Lead, Kaplan argues that leadership is accessible to all of us—today—and it starts with an ownership mind-set.

Religious and Ethnic Movements in Medieval Islam Wilferd Madelung,2020-11-26 This volume complements the selection of Wilferd Madelung's articles previously published by Variorum (Religious Schools and Sects in Medieval Islam), the earlier volume dealing principally with dogmatic issues, the present one concentrating on the political and social aspects. The first articles here examine the origins of the belief in the coming of the Mahdi and apocalyptic prophecies connected with this, such as arose among the Yemenite emigrants in Syria and Egypt. The following studies relate to Shi'ite and Alid movements under the Umayyad and Abbasid caliphates and to the political ideology of the Buyids. The final group focuses on the Yemen, its social structures and its historiography, in particular Zaydi sources. A section of additional notes and a detailed index complete the volume. Ce volume vient s'ajouter en complément de la collection d'articles de Wilferd Madelung préalablement publiée par Variorum (Religious Schools and Sects in Medieval Islam); le volume précédent traitant de questions de dogme et celui-ci se concentrant sur les aspects sociaux et politiques. Les premiers articles font l'examen des origines de la croyance en l'avènement du Mahdi et des prophéties apocalyptiques lui étant rattachées - telles celles qui ont vu le jour parmi les émigrés yéménites en Syrie et en Egypte. Les études suivantes se rapportent aux mouvements chi'ite et alide sous les caliphats umayyade et abbaside, ainsi qu'à l'idéologie politique des Buyides. Un dernier groupe s'attache au Yémen, à ses structures sociales et son historiographie, en particulier aux sources Zaydi. Une section de notes supplémentaires et index détaillé viennent s'ajouter au recueil.

God Is Calling You Rev. Naresh K. Malhotra,2021-01-19 God has a unique calling for every individual that fits His special plan and purpose for your life. This calling is the way you are to live on the earth and encompasses all your being and doing. Essentially, calling refers to belonging to Christ and participating in His redemptive work in the world in the special way He has called you. The two books in this series will help you to discern your calling from God and then pursue that calling with passion and obedience, relying on the Lord Jesus Christ to fulfill the calling by doing His work in you and through you. In the process, you will experience miracles from God - all to the glory of the Lord Jesus Christ! You will benefit by getting to know God in a personal way, deepening your daily walk with Him, and fulfilling your calling. By discerning, responding, and fulfilling your calling, you will experience the abundant life God intends you to have (John 10:10). In his books,

Dr. Naresh Malhotra thoroughly explains the various callings of God with great insight from the Scriptures. Whether you are trying to discern and respond to the calling of God on your life, I encourage you to read both books, starting with God is Calling You: Discerning the Calling of God, and following it up with his second book, God is Calling You: Responding to the Calling of God. Dr. Charles Stanley Senior Pastor, First Baptist Church, Atlanta Founder and President of In Touch MinistriesThese powerful and compelling volumes will not only inspire and challenge you to greater Christian living but could very well bring spiritual renewal and revival to the Christian Church.Dr. J.
