

Clemson Sports Talk

Daniel Rodriguez, Joseph Layden

Still Roaring Jim Phillips, Ken Tysiac, 2005-01 Jim Phillips was the only voice of the Clemson Tigers for generations of fans. For 36 years, his matter-of-fact play by play brought Clemson athletics to life over the radio in South Carolina and wherever the Clemson network was broadcast. Phillips covered football from Frank Howard to Tommy Bowden, including the 1981 national championship season under Danny Ford. He broadcast Clemson's first 15 NCAA tournament games in seven appearances. In workmanlike fashion, he helped build audiences and credibility for baseball and women's basketball when many top college broadcasters delegated those sports to less experienced colleagues. Although Jim Phillips died suddenly of an aortic aneurysm on September 9, 2003, his memories endure in *Still Roaring: Jim Phillips's Life in Broadcasting*. In interviews before his death, Phillips told the story of his life to author Ken Tysiac. They talked about football in the president's box after games at Death Valley; about basketball at a Chili's Restaurant halfway between Duke and Chapel Hill; and about college baseball at Cascio's Restaurant in Omaha during the College World Series. In *Still Roaring*, Phillips recalls a personal guarantee from Charlie Waters before a huge victory for venerable coach Frank Howard. He shares memories of quiet time spent with Danny Ford after the Tigers captured the national title in the Orange Bowl, and he relates the message Rick Barnes gave the Clemson basketball team before a rare, memorable win at Duke's Cameron Indoor Stadium. He also traces the beginnings of future major leaguers such as Mark Lemke and David Justice back to the time Phillips covered them with the Greenville Braves. Phillips's memoirs are often humorous and always heartfelt?a personal history of Clemson athletics and the South Carolina sports scene.

Clemson Tough: Guts and Glory Under Dabo Swinney

Larry Williams, 2016 The 2015-16 season marked a significant moment in Clemson football history. Not only did the team play in

its first national championship in thirty-four years, but the nation also finally took note of the burgeoning renaissance. When Dabo Swinney told a national television audience about his team's willingness to bring your own guts after an emotional win over Notre Dame, it was a spontaneous line to a television reporter in the delirious, rain-soaked aftermath of a landmark victory. But Swinney's comment also underscored the identity and drive that would fuel a truly special season. Larry Williams relays the intimate details of Swinney's life, his impact on Tiger Town and his mission to create an elite program on and off the field.

If These Walls Could Talk: Clemson Tigers Sam Blackman, Tim Bourret, 2016 Chronicling the Clemson Tigers from the national championship in 1981 to the college football playoff in 2015, the authors provide insight into the Tigers' inner sanctum as only members of the Clemson athletic department can. Whether you're a fan from the Danny Ford era or a new supporter of Dabo Swinney, this book is the perfect read for anyone who bleeds orange and regalia.

Dabo's World Lars Anderson, 2021-10-05 How Dabo Swinney used his energy, faith, and determination to turn the Clemson Tigers into a football powerhouse.

Clemson Through the Eyes of the Tiger 80 Former Mascots, John Seketa, 2019-12-09 Some of the lyrics of the Bob Seger song Turn the Page could be written about the life of a mascot: You feel the eyes upon you...Most times you can't hear 'em talk...Every ounce of energy you try to give away...There I am, up on the stage...As you turn the pages of this book, you will read stories about some of the experiences of the students who have portrayed the Clemson University mascots, The Tiger and the Tiger Cub*. We hope they will become a history lesson for all who love Clemson, and that they will last forever as readers pass them along at a family gathering, a tailgate, on a sports talk show or with a weekly lunch group. The question remains the same and the

answer never changes: Is it hot in there? Anyone who played the role of the Clemson Tiger or Tiger Cub has been asked this question over and over. Every Clemson fan has probably had a picture or interaction with one of the mascots over the past 65 years.

Classic Clashes of the Carolina-Clemson Football Rivalry

Travis Haney, Larry Williams, 2011-11-16 Former Clemson coach Charley Pell once said that the outcome of the Carolina-Clemson rivalry decides who walks down the street as state champion and who hides in a closet for a year. That's the way it goes in the Palmetto State when these two football teams get together. Playing for the first time in 1896 on a soggy day at the state fair in Columbia, the Gamecocks and the Tigers began a tradition that has lasted over a century. Join award-winning sportswriters Travis Haney and Larry Williams as they recount the greatest moments of the longest uninterrupted series in the South, with firsthand accounts from coaches, players and spectators.

Top of the Hill Manie Robinson, 2019-09-17 When Dabo Swinney took over Clemson football during the 2008 season, the program was considered a good one that couldn't quite recapture the greatness of the Danny Ford era. But Swinney's simple formula--faith, family, forgiveness, fortitude, and fun--pushed the Clemson football program to the next level, taking the Tigers to 10 bowl games while capturing four ACC championships, three College Football Playoff appearances, and most importantly, two national championships. Sports columnist Manie Robinson traces Swinney's coaching ascension along the football team's return to glory, going behind the scenes of one of the country's powerhouse programs. Featuring the incredible stories of Clemson stars such as C.J. Spiller, Tajh Boyd, Sammy Watkins, DeAndre Hopkins, and Deshaun Watson, *Top of the Hill* is the definitive account of the Tigers' return to the top of the college football landscape.

Tales from Clemson's 1981 Championship Season Ken Tysiac, 2006 In 1981, a team from a school nestled in the rural foothills of the Appalachians in South Carolina captured the fancy of college football fans everywhere. Coach Danny Ford's Clemson Tigers struggled early against Wofford and edged Tulane before finding their groove to defeat national powers Georgia, North Carolina, and Nebraska to go 12-0, and eventually win the national title. In *Tales from Clemson's 1981 Championship Season*, veteran ACC sports writer Ken Tysiac tells the story of Clemson's greatest team from the perspective of the players and coaches who made it happen. The team's cast of characters is almost as impressive as its accomplishments. Long before he became a national icon as The Fridge with the Chicago Bears, William Perry was a giant Clemson freshman and went toe to toe with the greatest center in college football -- Nebraska's Dave Rimington -- in the Orange Bowl. During the days leading up to the Orange Bowl, Perry exhibited his charm on a national stage for the first time in Miami, gleefully jumping to dunk a football through the goal posts for the television cameras. Perry Tuttle was a wide receiver with the gift of gab whose celebration of a touchdown catch in the Orange Bowl was immortalized in the only *Sports Illustrated* cover ever to feature Clemson. His roommate, bruising linebacker Jeff Davis, would talk with Tuttle before they went to sleep at night about their dreams of winning a national title. Danny Ford was a tobacco-chewing country boy much smarter than he let on with the Aw, shucks demeanor that made him a local hero. On the field, his fiery countenance instilled the toughness that made Clemson's defense nearly impregnable in a season that changed the stature

of the entire community forever. Once supported almost exclusively by its loyal alumni, Clemson became the darling of a new legion of fans as well as corporate donors looking for tickets to impress their clients. A school

Top of the Hill Manie Robinson, Tajh Boyd, 2018-10-23 When Dabo Swinney officially took over Clemson football for the 2009 season, it was considered a good program that couldn't quite recapture the greatness of the Danny Ford era. Dabo had spent his entire life as an underdog, but his defiant grit pushed him past personal hardships and professional adversity. His simple formula—faith, family, forgiveness, fortitude, and fun—pushed the Clemson football program past its potential and to the next level, taking the Tigers to 10 bowl games and four ACC championships, earning three College Football Playoff appearances, and most importantly, capturing the 2016 national championship. In *Top of the Hill: Dabo Swinney and Clemson's Rise to College Football Greatness*, Greenville News sports columnist and Clemson insider Manie Robinson traces Dabo's coaching ascension along Clemson football's return to glory, going behind the scenes of one of the powerhouse programs in the country.

Dabo's Dynasty: Larry Williams, 2019-02-18 From the beginning of the season, Dabo Swinney's rallying cry was joy. Each week for opponents, though, was another joyless occasion against a big orange machine that found its high gear midseason. The results shook the foundation of college football. In 2015 and 2016, the Tigers needed to bring their own guts to achieve great things. In Swinney's 10th season, they brought their own sledgehammers. Larry Williams, who has covered Clemson and Swinney since 2004, unearths revealing anecdotes from Dabo's tenure and shares how a season dominated by Alabama hype ended up overwhelmed by a Clemson tide.

Shoutin' in the Fire Danté Stewart, 2021-10-12 A stirring meditation of being Black and learning to love in a loveless, anti-Black world “Only once in a lifetime do we come across a writer

like Danté Stewart, so young and yet so masterful with the pen. This work is a thing to make dungeons shake and hearts thunder.”—Robert Jones, Jr., New York Times bestselling author of *The Prophets In Shoutin’ in the Fire*, Danté Stewart gives breathtaking language to his reckoning with the legacy of white supremacy—both the kind that hangs over our country and the kind that is internalized on a molecular level. Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage, resilience, and remembrance—and explores how these virtues might function as a work of love against an unjust, unloving world. In 2016, Stewart was a rising leader at the predominantly white evangelical church he and his family were attending in Augusta, Georgia. Like many young church leaders, Stewart was thrilled at the prospect of growing his voice and influence within the community, and he was excited to break barriers as the church’s first Black preacher. But when Donald Trump began his campaign, so began the unearthing. Stewart started overhearing talk in the pews—comments ranging from microaggressions to outright hostility toward Black Americans. As this violence began to reveal itself en masse, Stewart quickly found himself isolated amid a people unraveled; this community of faith became the place where he and his family now found themselves most alone. This set Stewart on a journey—first out of the white church and then into a liberating pursuit of faith—by looking to the wisdom of the saints that have come before, including James H. Cone, James Baldwin, and Toni Morrison, and by heeding the paradoxical humility of Jesus himself. This sharply observed journey is an intimate meditation on coming of age in a time of terror. Stewart reveals the profound faith he discovered even after experiencing the violence of the American church: a faith that loves Blackness; speaks truth to pain and trauma; and pursues a truer, realer kind of love than the kind we’re taught, a love that sets us free.

Call My Name, Clemson Rhondda Robinson

Thomas,2020-11-02 Between 1890 and 1915, a predominately African American state convict crew built Clemson University on John C. Calhoun's Fort Hill Plantation in upstate South Carolina. Calhoun's plantation house still sits in the middle of campus. From the establishment of the plantation in 1825 through the integration of Clemson in 1963, African Americans have played a pivotal role in sustaining the land and the university. Yet their stories and contributions are largely omitted from Clemson's public history. This book traces "Call My Name: African Americans in Early Clemson University History," a Clemson English professor's public history project that helped convince the university to reexamine and reconceptualize the institution's complete and complex story from the origins of its land as Cherokee territory to its transformation into an increasingly diverse higher-education institution in the twenty-first century. Threading together scenes of communal history and conversation,

student protests, white supremacist terrorism, and personal and institutional reckoning with Clemson's past, this story helps us better understand the inextricable link between the history and legacies of slavery and the development of higher education institutions in America.

Foul or Fair? Larry Atkins, 2024-02-23 There's more to sports than what occurs during games. Check your social media, listen to sports talk radio, or watch ESPN--there are daily stories of social issues in sports regarding concussions, playing hurt, gambling, Olympics and politics, athletes as social activists, paying college athletes, recruiting violations, academics, youth sports, diversity and gender issues, hazing, athletes' mental health, disabled athletes' rights, sportsmanship, and media coverage. How do these issues affect athletes, fans, and society? Written equally for casual and hardcore fans, this book analyzes social and ethical issues in sports in a lively, journalistic manner, combining quotes from writers, broadcasters, athletes, coaches and others with the author's observations. It shows pros and cons of how sports affect our daily lives and society. While sports inspire and excite us and lead to social change like the civil rights movement, Title IX, and rights of disabled people, controversies surrounding sports can be divisive even as sports work as a uniting factor in society.
