Ken Follett World War II Thriller Collection Ken Follett,2011-09-06 This collection of three books from the #1 New York Times bestselling master of World War II suspense includes “the most exciting novel in years” (Cincinnati Enquirer), about the espionage war between the British and the Nazis; “a very entertaining, very cinematic thriller” (Publishers Weekly) about a gang of female saboteurs behind German lines; and a “blitzkrieg-paced read” (People) about one man’s desperate mission to bring crucial intelligence to England.

Faust I & II, Volume 2 Johann Wolfgang von Goethe,2014-04-14 One of the great classics of European literature, Faust is Goethe's most complex and profound work. To tell the dramatic and tragic story of one man’s pact with the Devil in exchange for knowledge and power, Goethe drew from an immense variety of cultural and historical material, and a wealth of poetic and theatrical traditions. What results is a tour de force illustrating Goethe’s own moral and artistic development, and a symbolic, cautionary tale of Western humanity striving restlessly and ruthlessly for progress. Capturing the sense, poetic variety, and tonal range of the German original in present-day English, Stuart Atkins’s translation presents the formal and rhythmic dexterity of Faust in all its richness and beauty, without recourse to archaisms or interpretive elaborations. Featuring a new introduction by David Wellbery, this Princeton Classics edition of Faust is the definitive English version of a timeless masterpiece.

Faust I & II Johann Wolfgang von Goethe,1994 Goethe's most complex and profound work, Faust was the effort of the great poet's entire lifetime. Written over 60 years, it can be read as a document of Goethe's moral and artistic development. Faust is made available to the English reader in a completely new translation that communicates both its poetic variety and its many levels of tone. The language is present-day English, and Goethe's formal and rhythmic variety is reproduced in all its richness.

Black, White, and The Grey Mashama Bailey,John O. Morisano,2021-01-12 A story about the trials and triumphs of a Black chef from Queens, New York, and a White media entrepreneur from Staten Island who built a relationship and a restaurant in the Deep South, hoping to bridge biases and get people talking about race, gender, class, and culture. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY GARDEN & GUN • “Black, White, and The Grey blew me away.”—David Chang In this dual memoir, Mashama Bailey and John O. Morisano take turns telling how they went from tentative business partners to dear friends while turning a dilapidated formerly segregated Greyhound bus station into The Grey, now one of the most celebrated restaurants in the country. Recounting the trying process of building their restaurant business, they examine their most painful and joyous times, revealing how they came to understand their differences, recognize their biases, and continuously challenge themselves and each other to be better. Through it all, Bailey and Morisano display the uncommon vulnerability, humor, and humanity that anchor their relationship, showing how two citizens commit to playing their own small part in advancing equality against a backdrop of racism.

Cheers! Brandon Cook,2021-04-06 Salut! Prost! Skål! Na zdrave! Tagay! No matter what country you clink glasses in, everyone has a word for cheers. In Cheers! Around the World in 80 Toasts, Brandon Cook takes readers on a whirlwind trip through languages from Estonian to Elvish and everywhere in between. Need to know how to toast in Tagalog? Say bottoms up in Basque? Down the hatch in Hungarian? Cook teaches readers how to toast in 80 languages and includes drinking traditions, historical facts, and strange linguistic phenomena for each. Sweden, for instance, has a drinking song that taunts an uppity garden gnome, while Turkey brandishes words like *Avrupalılaştıramadıklarımızdanmışsınızcasına*. And the most valuable liquor brand in the world isn't Johnny Walker or Hennessy, but Maotai—President Nixon's liquor of choice when he visited China. Whether you're traveling the globe or the beer aisle, Cheers! will show you there's a world of fun waiting for you. So raise a glass and begin exploring! The audio book is narrated by Nicholas Smith. Produced by Speechki in 2021.

Cross-Linguistic Perspectives on Verb Constructions Signe Oksefjell Ebeling,Hilde Hasselgård,2015-09-10 This volume sheds new light on verb constructions by exposing them to cross-linguistic analysis based on multilingual corpora. It is composed of nine studies which provide insights into various aspects of cross-linguistic diversity, including showing that seemingly equivalent verb constructions may differ in their semantics, and that similar meanings may be expressed by different types of constructions. In other words, this book shows that different languages have different ways of lexicalising verb-based meanings, most notably by means of other, divergent verb constructions. A range of lexicogrammatical aspects of verb constructions are explored throughout the book, including time reference; modality; voice; light verb constructions; non-finite complementation of lexical verbs; posture-verb constructions; semiperiphrastic constructions; and the construction and semantic composition of verbs of putting. All of the contributions consider English in comparison with at least one of the following languages: Czech, German, Lithuanian, Norwegian, Spanish, and Swedish. As such, this volume offers a truly multilingual perspective on verb constructions. The diversity of comparisons also highlights the multi-faceted nature of the verb phrase, which seems to have virtually limitless potential for exploration in the fields of tense, aspect, modality, lexical semantics, syntax, and phraseology.

The Plays of George Colman the Younger George Colman,2019-07-23 Originally composed and published in 1981, this second book makes up two volumes of the plays of George Colman the Younger. Versatile, industrious, talented, George Colman the Younger (1762-1836) followed Sheridan as England's most popular playwright. He wrote not only monologues, farces, pantomimes, comic operas, and straight comedies, but also hybrid three-act anticipations of melodrama.

Being A Gentleman Franklin Brian Dsouza,2022-11-22 As many people believe, a gentleman's identity has vanished and may appear to be becoming extinct. Despite insults, men respect themselves and women. When women decline a male approach, talking, or helping, they may be rude, and they may not want to be approached or talked to. Thank them politely and respectfully for their time, and maintain your poise when leaving. Make her happy with every little thing you can. Gentlemen are kind, protective, caring, and humorous. In the past, I remember being with a friend when we came across a man asking for money on the corner. Even though my friend did not have much money on him, he generously gave the man what he had. I asked why he did that and he replied, I have a job and he doesn't. His actions were thoughtful, compassionate, and selfless. Gentlemanly qualities characterized him. Men should not confine themselves to being gentlemen only when it comes to women. He can also be a gentleman to a man. A gentleman will assist an elderly person in mowing their lawn, carrying groceries, or washing their car. Most importantly, a gentleman will always be able to make you smile, and if he is unable to make you smile, he will always walk away respectfully. The importance of being a gentleman in modern society is a lost concept from the early times. As centuries pass by, Being a Gentleman will always be in the doom light. This book inspires many to uphold their esteem and keep themselves as humane as possible. A man that is fetched, needed and looked for by the entire human population.
