Blue Dugg J Daynes,2014-01-09 The mighty silverback gazed through his heavy brow with intelligent eyes. Lips tightly closed with an uncompromising pout. He just looked and breathed purposefully. It seemed clear to both that neither of them could make any further move without showing weakness, stalemate. Oakwood looked on, the King looked back... Follow Dr. Oakwood's team for fifteen years as they help to save a species. Which in turn creates something that none of them could ever have dreamed of...

Particles and Luck Louis B. Jones,2012-02-08 Mark Perdue and Roger Hoberman have nothing in common—except the joy of adjoining yards. Mark is a whiz-kid physicist who knows that his “genius” stature and his endowed chair at Berkeley are bits of dumb luck; Roger is the owner of a pizza franchise whose luck has turned dumb—in financial and marital distress, he has been denied child visitation rights but not babysitting obligations. Now luck, in the form of an adverse claim on their property, brings Mark and Roger together for a fateful Halloween night neither of them will ever forget. Loony, humane, and transcendently wise, *Particles and Luck* is an irresistible comedy of manners and epistemology. “A lovely and invigorating novel . . . a domestic farce and social satire. Jones writes [an] engaging novelistic equivalent of a unified field theory—in this case, a link between the human heart and the behavior of subatomic particles.” —Richard Eder, Los

Angeles Times “Jones is the real thing—a writer with something to say and his own way of saying it.” —Scott Turow

No Matter What Sally Donovan,2013-07-28 'I love you, no matter what.' An uplifting true story of an ordinary couple who build an extraordinary family, No Matter What describes how Sally and Rob Donovan embark upon a journey to adopt following a diagnosis of infertility. Sally Donovan brings to life with characteristic wit and honesty the difficulties of living with infertility, their decision to adopt and the bewildering process involved. Finally matched with young siblings Jaymey and Harlee, Sally and Rob's joy turns to shock as they discover disturbing details of their children's past and realise that they must do everything it takes to heal their children. By turns tragic, inspiring and hilarious, Sally and Rob's story offers a rare insight into the world of adoptive parents and just what it

takes to bring love to the lives of traumatised children.

Twentieth Century Limited Jan David Blais, 2012-10 Overcoming disabling injuries, Vietnam vet Paul Bernard becomes an award-winning journalist and television newsman known for holding a mirror to American society. Long critical of the radical right, after 9-11 Bernard attacks the Bush administration for Osama bin Laden's escape and leading the nation into a disastrous war. On assignment in Iraq, Bernard is killed under suspicious circumstances. Interwoven with the account of his life is an interview of his mentor, Professor Augustus F.X. Flynn, by a magazine writer profiling him. Frustrated by Washington's inaction, the two set out to find the truth about the killing. In Book Two, Paul Bernard has become an oil expert and a critic of America's Middle East dependency. His experiences as a correspondent in Paris and Moscow are related in this Book, his coverage of the great year 1989 in Europe, the Gulf War. Bernard's move to television news is marked by growing clashes with the radical right, culminating in his controversial stance against the Iraq War and the dramatic final events of the story.

The Music of the Inferno Frank Lentricchia, 2000-10-12 At eighteen Robert Tagliaferro, an orphan of ambiguous racial and ethnic identity, disappears from his hometown of Utica, New York. At sixty he returns, forgotten by nearly everyone and searching the bin of memory for something to salvage. Having lived for decades inside a bookstore, his search for identity has taken him into the world of great literature and the history of Utica itself, and so his quest must be to create a memory, a history, and an identity from his reading. He becomes a man made of words, a patchwork of styles and rhetoric, an artifice. In the cellar of a restaurant, Robert tells his stories of the past to six other men: stories of Utica, of New York State, and ultimately of America itself, as well as of the intimate involvement of Italian immigrants with these histories. The other characters respond in a kind of collective storytelling, a play of voices probing the various themes of history, genealogy, fatherhood, race, lost children, the presentness of the past, community, and, finally, storytelling itself as the power guiding all, informing their sense of everything, as they grope imaginatively toward a sense of life and their place in it. Rich in literary heritage and allusion, *The Music of the Inferno* is an unusual, deft, often piercing meditation on storytelling, ethnicity, and the Italian American experience.
