**Creative Bible Lessons in Revelation** Randy Southern,2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers?You try to convince yourself that the apostle John is just another New Testament writer-kindly, gentle, loving. You know...normal.But he's just so weird! Most of the time you have no idea what John is talking about in his revelation. When you must interact with his wild, otherworldly book, you escape as soon as you can to familiar, saner Bible texts. Like Matthew's Gospel or one of Paul's letters--after all, they straight-up tell you what Jesus did and what you should do!Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St. John wasn't so much a crazy guy as he was a visionary, inspirational, and worshipful guy! And you don't have to subscribe to any pre- or post-eschatology theory in order to learn all sorts of good stuff from the apostle.So while these 12 sessions--complete and ready-to-teach--won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos, they will, however, acquaint your youth group with the mysterious nature of Revelation, then demonstrate how these apocalyptic principles actually provide practical application for us today.Here's what's inside every session:-Detailed overviews for clear, convenient prepping.-Intriguing activities and games-with-a-point that introduce that session's topic.-Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups.-Application exercises that translate John's visions into practical, attainable actions and attitudes for students' daily lives.Plus, you'll get these bonuses:-Let's Get Theological--lite intros to the various interpretations of the reactions to the events Revelation predicts-More More More--helpful supplements to activities and discussions-Worthy of Worship--top-drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God.Questions about the future lurk in everyone's minds--especially in the minds of teenagers. Now is your chance to explore the book of Revelation with your students--to glimpse at the never-ending worship to come, to grab hold of God's promises and his mercy, and to bring some ease to troubled hearts.

**How Should We Then Live?** Francis A. Schaeffer,2022-03-09 Francis Schaeffer's Classic Analysis of the Rise and Decline of Western Thought and Culture Civilizations throughout history have built societies around their own limited value systems including rulers, finite gods, or relativism—only to fail. The absence of a Christian foundation eventually leads to breakdown, and those signs are visible in present-day culture as well. Can modern society avoid the same fate? In this latest edition of How Should We Then Live?, theologian Francis A. Schaeffer traces the decline of Western culture from the fall of Rome, through the Middle Ages and the Enlightenment, and up to the twentieth century. Studying humanism's impact on philosophy, science, and religion, he shows how this worldview historically results in apathy, chaos, and decline. Schaeffer's important work calls on readers to live instead by Christian ethics, placing their trust in the infinite personal God of the Bible. Originally written in 1976, How Should We Then Live? remains remarkably applicable today. A Theology Classic: Written by renowned Christian philosopher Francis A. Schaeffer For Those Interested in Philosophy and History: Engages with the ideas of Plato, John Locke, Thomas Jefferson, and Voltaire, and examines the art, architecture, and ideas that shaped modern society Explores the Importance of a Christian Worldview: A practical assessment of the evolution of culture and the steadfast alternative offered by the biblical perspective

**The Art of Worship** Paxson Jeancake,2006-06-12 Paxson Jeancake's 'The Art of Worship' invites readers to explore the intersection of gospel, art, and worship. Each and every Lord's Day, there is the potential for moments of spiritual illumination and transformation to occur in the lives of God's people. In the midst of corporate worship -- through the artistic media of story, imagery, and expression -- people's eyes can be opened to the beautiful, paradoxical truth of the gospel. Gospel-centered worship, however, does not happen in a vacuum. It is crafted and facilitated by human leadership, informed by biblical inquiry and theological conclusions, and fleshed out in the context of a local culture and community. This book explores all of these various facets of worship to help worship leaders, worship planners, pastors, and laypeople experience and plan gospel-centered worship that is contextual and creative, for the glory of God and the edification of his people.

**What Does the Bible Really Teach about Homosexuality?** Kevin DeYoung,2015-04-16 In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.
