Different Seasons Stephen King, 2016-01-01
Includes the stories "The Body" and "Rita Hayworth and Shawshank Redemption"--set in the fictional town of Castle Rock, Maine A "hypnotic" (The New York Times Book Review) collection of four novellas—including the inspirations behind the films Stand By Me and The Shawshank Redemption—from Stephen King, bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge—the basis for the Best Picture Academy Award-nominee The Shawshank Redemption. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the façade of a small town and come face-

to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method." "The wondrous readability of his work, as well as the instant sense of communication with his characters, are what make Stephen King the consummate storyteller that he is," hailed the *Houston Chronicle* about *Different Seasons*.

The Lying Club Annie Ward, 2022-03-22 If you loved *Big Little Lies* and *Little Fires Everywhere*, allow me to introduce you to your next obsession. —Kim Liggett, New York Times bestselling author of *The Grace Year* A tangled web of lies draws together three women in this explosive thriller of revenge, murder and shocking secrets At an elite private school nestled in the Colorado mountains, Natalie, an office assistant, dreams of having a life like the school moms she deals with every day. Women like Brooke—a gorgeous heiress,

ferociously loving mother and serial cheater—and Asha, an overprotective mom who suspects her husband of having an affair. Their fates are bound by the handsome assistant athletic director Nicholas, whom Natalie loves, Brooke wants and Asha needs. But when two bodies are carried out of the school one morning, it seems the tension between mothers and daughters, rival lovers, and the haves and have-nots has shattered the surface of this isolated, affluent town—where people stop at nothing to get what they want. Don't miss Annie Ward's other twisty and utterly original thriller, *Beautiful Bad!*

Norwegian Wood Haruki Murakami, 2010-08-11 From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, “a masterly novel” (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man’s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.

A Little Too Far Lisa Desrochers, 2013-09-17 Have you ever gone just a little too far? Lexie Banks has. Yep. She just had mind-blowing sex with her stepbrother. In her defense, she was on the

rebound, and it's more of a my-dad-happened-to-marry-a-woman-with-a-super-hot-son situation. But still, he's been her best friend and confidant for the better part of the last few years . . . and is so off limits. It's a good thing she's leaving in two days for a year abroad in Rome. But even thousands of miles away, Lexie can't seem to escape trouble. Raised Catholic, she goes to confession in hopes of alleviating some of her guilt . . . and maybe not burning in hell. Instead, she stumbles out of the confessional and right into Alessandro Moretti, a young and very easy-on-the-eyes deacon . . . only eight months away from becoming a priest. Lexie and Alessandro grow closer, and when Alessandro's signals start changing despite his vow of celibacy, she doesn't know what to think. She's torn between falling in love with the man she shouldn't want and the man she can't have. And she isn't sure how she can live with herself either way.

Why the Cheetah Cheats Lewis Smith, 2009 A fascinating overview of recent research on the animal world by an award-winning author who knows how to bring it to life. Lewis Smith begins by looking at ancient species and recent discoveries about their behaviour. The head-butting dinosaur is just one example. He looks at the many threats to wildlife today, how these threats can be countered, and how wildlife helps itself and can be helped to recover from the dangers that beset it. Despite many centuries of research, new species are still being discovered. Lewis Smith introduces us to the world's largest pygmy shrew and several other extraordinary examples. He

concludes with a discussion on invasive species and their effect on the environment, including the American bullfrog, the crayfish, and the grey squirrel.

Fake Stephanie Wood, 2020-09 Women the world over are brought up to hope, even expect, to find the man of their dreams, marry and live happily ever after. When Stephanie Woods meets a sweet, sophisticated man who owns land and businesses, she embarks on an exhilarating romance with him. He seems compassionate, truthful and loving. He talks about the future with her. She falls in love. She also becomes increasingly beset by anxiety at the lavish three-act plays he offers her in the form of excuses for frequent cancellations and no-shows. She begins to wonder, who is this man? When she ends the relationship Stephanie switches back on her journalistic nous and uncovers a story of mind-boggling duplicity and manipulation. She also finds she is not alone; that the world is full of smart, sassy women who have suffered the attentions of liars, cheats, narcissists, fantasists and phonies, men with dangerously adept abilities to deceive. In this brilliantly acute and broad-ranging book, Wood, an award-winning writer and journalist, has written a riveting, important account of contemporary love, and the resilience of those who have witnessed its darkest sides. --Back cover.
