Our Blood is Green Gavin Rich,2020-10-15 The leaping Springbok on the green jersey of South Africa is one of the most iconic emblems in world rugby. At the same time, no symbol in world sport has ever done so much to divide – and then unite – a nation. Respected by opponents and supported passionately by South Africans, the Springboks have been a powerhouse rugby nation for over a century, yet the emblem that now sits alongside the Protea on the chests of the players was once a symbol of violent oppression in apartheid South Africa, the epitome of the white man's dominance over people of colour in the Republic. Told in the words of Springboks past and present, Our Blood is Green explores what it means to play for South Africa – from schoolboy dreams to the sacrifices required to make it to the very top – as well as the myriad difficulties the players have faced over the years, from the horrors of apartheid through to the emerging rainbow nation in the 1990s and the multi-cultural World Cup-winning team of today. It is a fascinating, powerful and poignant read that explores the unity of a brotherhood that fights to transcend race, culture and class while simultaneously striving to become the best team on the planet. Our Blood is Green examines what it truly means to be a Springbok and it is told the only way it can be – by the players themselves.

The Lion in Autumn Frank Fitzpatrick,2005-09-08 Fascinating. . . . One of the best books ever written on the rise and fall of a great college football coach. —Allen

Barra, San Francisco Chronicle The Lion in Autumn takes readers inside Penn State's storied football program as legendary coach Joe Paterno fights to turn his struggling team into a winner once again. In more than a half century at Penn State, Paterno has won more bowl games (21) than any other coach and more games (354) than all but one, en route to two national championships and five perfect seasons. But in the new millennium hard times arrived in Happy Valley. His Nittany Lions had losing seasons in four of five years, dropping sixteen of twenty-three games in 2003 and 2004. There were boos at Beaver Stadium and increasing calls for the aging Paterno to step down. Award-winning sportswriter Frank Fitzpatrick followed JoePa through the 2004 season as the beloved coach struggled to save himself and his storied program. Fitzpatrick trailed Paterno from fund-raisers to the spring practices to the sidelines, detailing how the coach endured another losing season while building a team that would win the Orange Bowl and compete for the national championship in 2005. Interweaving stories from past seasons into the narrative, Fitzpatrick fleshes out the legend of Paterno.

Patrice Motsepe Janet Smith,2022-09-13 Business tycoon Patrice Motsepe is never shy to shake up the status quo. He has always followed his instincts to stay ahead of the curve. An icon of corporate South Africa, he is as much known for his leadership in the world of football as for his philanthropy. He was a top lawyer when he pursued his dream of being an entrepreneur, making a deal with Anglo American in the late 1990s that marked the beginning of a series of unique relationships which today define his African Rainbow Minerals empire. As the owner of Mamelodi Sundowns, he led it to becoming one of the most accomplished clubs in Africa. Then came the powerful seats of president at the Confederation of African Football and vice-president of FIFA, football's global governing body, in 2021. Yet questions linger about his political ambitions because of his close links to the ANC and particularly his brothers-in-law, Cyril Ramaphosa and Jeff Radebe. In this unauthorised biography, best-selling author and journalist Janet Smith mines public archives, academic papers and international media to find what lies behind this hugely successful, intensely private man, and what may lie ahead.

Against the Grain Bill Courtney,2014-05-13 In AGAINST THE GRAIN, Bill Courtney shares his convictions on the fundamental tenets of character, commitment, service, leadership, civility, and others that, in his decades of success as an entrepreneur and educator, have proven to be the keys to a winning and meaningful life and career. Each chapter tells the story of one of these tenets through compelling anecdotes of the colorful characters in Bill's life, leading to a deeper understand of the meaning of each and how to employ these fundamentals in all aspects of one's life. Against the Grain intertwines inspiring and thought-provoking anecdotes, lessons, and amazing real life examples. Bill's passion for us all to reconsider our own approach to life and constantly improve upon it comes across on every page. About the Film: Set against the backdrop of a high school football season, Dan Lindsay and T.J. Martin's documentary Undefeated is an intimate chronicle of three underprivileged student-athletes from inner-city Memphis and the volunteer coach trying to help them beat the odds on and off the field. Founded in 1899, Manassas High School in North Memphis had never seen its football team, the Tigers, win a playoff game. In recent decades, the last-place Tigers had gone so far as to sell its regular season games to rival schools looking to chalk up an easy win. That began to change in 2004, when Bill Courtney, former high school football coach turned businessman, volunteered to lend a hand. When Courtney arrived, the Tigers were accustomed to timeworn equipment and a sorry patch of lawn as a practice field. Focusing on nurturing emotional as well as physical strength, Courtney helped the Tigers find their footing and their confidence. The 2009 Summer/Fall football season promised to be the Tigers' best ever – perhaps the season that finally breaks the 110 year-old playoff jinx. It was the senior year for the team's star player, O.C., a left tackle blessed with power, size and speed. With football scholarships hanging in the balance, O.C. juggles practice with the study sessions he needs to pass crucial exams. Also playing his last season is undersized offensive lineman Montrail – known to all as “Money” – an earnest honors student hoping to score an academic scholarship. For Chavis, a talented linebacker in his junior year, the challenge of 2009 lies in keeping his explosive temper in check – something the willful teenager isn't always interested in doing. For players and coaches alike, the 2009 season was not only about winning games – it was about grappling with the unforeseeable events that are part of football and part of life. After debuting to critical acclaim at South by Southwest in 2011, The Weinstein Company won a fierce bidding war to acquire distribution and remake rights to the film. The film's wide release was met with widespread critical and popular acclaim, culminating in the 2011 Academy Awards, where Undefeated won the Oscar for Best Documentary. Plans for a feature film remake are currently in motion.

Get More: Joby Slay,2020-01-01 One of the largest challenges facing youth sports today is the lack of sufficiently trained athletic coaches. Studies report that less than 1/3 of coaches have any training in sports skills, tactics and motivational techniques. In his new book Get More, award-winning coach Joby Slay lays out the groundwork for equipping coaches in the fundamentals of their craft. “The difficulty in our society in training effective motivational techniques,” says Slay, “is the complexity of the current motivational processes or educational platforms. They require a significant investment of time, energy, and money that the average youth coach just can't spare.” Slay has put together a formula in Get More that is simple to teach and easy to apply for a winning motivational coaching style. The book organizes these winning principles so that coaches can apply his simple formula with any team. With his effective motivational formula, a player's talents and potential are empowered with new self-confidence to take initiative, to do more, be more, get more and to fuel their creativity, imagination, and passion, creating

greater momentum and motivation. Whether a new coach or a 30-year veteran, the GET MOR3EE formula will help every coach to improve their coaching acumen, resulting in their team achieving breakthrough performance results.

One Coach's Journey from East to West Vladimir Zaglada, 2010-12-31 ONE COACH'S JOURNEY FROM EAST TO WEST: HOW THE FALL OF THE IRON CURTAIN CHANGED THE WORLD OF GYMNASTICS Until the fall of the Soviet Union the West and the Communists were engaged not only in a heated arms race but a race for Olympic gold, and Moscow poured tremendous resources into the effort, attracting some of the country's greatest minds. Author Vladimir Zaglada provides a look inside some of the Soviet Union's gymnastics think tanks, such as the Moscow's Lenin Institute. One Coach's Journey from East to West also introduces us to some of the brilliant and colorful figures that have advanced the art of gymnastics and examines how the flood of coaching talent into the West has shifted the balance of power. The force of this flood has been somewhat impeded by cultural and language barriers, which are also discussed in the book. Hot topics such as the relentless increase in the difficulty level of artistic gymnastics are also discussed and a number of technical issues are covered, complete with illustrations. Zaglada provides a rare look inside the world of Soviet gymnastics at its height and provides information never before published in English. Did the machinery that cranked out Soviet gymnastics champions allow for a happy childhood? Why has the balance of power in gymnastics shifted in America's favor but will Russia retake the throne? The rigid line between amateurs (who are true professionals in almost all senses of the word) and professionals is the amateur in amateur gymnastics sacred? Is there an ideal physique for women's gymnastics? How much of current American coaching practice can be traced back to Soviet sports institutes? Ever heard of the profile system? What is the difference between an Arabian, an Onodi, and a Mostepanova? Why a few basic terms are constant sources of confusion. How effective was the system of incentives for Soviet gymnasts and coaches? How did the nomenklatura system of privileges and patronage impact Soviet gymnastics?
