James Axler

*Oracle* Claude Fayette Bragdon, 2005-11-01 January 16, 1916: Destiny is determined at the birth of the soul, and the will enters only to fulfill destiny. January 18, 1920: Rice is excellent: it contains the least disturbing quality in its nature of food for the body not meant for physical stress. -from *Oracle* One of the most extraordinary figures of the popular intellectualism of the early 20th century, Claude Bragdon was an architect and designer who dabbled in theosophy and the occult and wrote about it all with an infectious spirit and passion. Here, in this compact volume first published in 1921, he shares the psychic communications his second wife, Eugenie Julier Macauley, received from a guardian spirit of supernatural goodness and wisdom. Refusing to use her mysterious insight for trivia matters, Eugenie asked of this Oracle only knowledge transcending human ken. These are the fruits of her paranormal gift. Other works by Bragdon available from Cosimo Classics: *Merely Players*, *The Eternal Poles*, *Yoga for You*, *Four-Dimensional Vistas*, *Projective Ornament*, *The Beautiful Necessity*, *Architecture and Democracy*, *Episodes from An Unwritten History*, and *A Primer of Higher Space (The Fourth Dimension)*. American architect, stage designer, and writer CLAUDE FAYETTE BRAGDON (1866-1946) helped found the Rochester Architectural Club, in the city where he made his greatest mark as a building designer with structures including Rochester Central Station, Rochester Institute of Technology, and the First Universalist Church; he also designed

Peterborough Bridge in Ontario. In later life, Bragdon worked on Broadway as scenic designer for 1930s productions of Cyrano de Bergerac and Hamlet, among others.

**The Devil's Oracle** Tom F. Dodd, 2007-09 Tom F Dodd's second rivetting thriller: As mankind moves closer to a terrorist confrontation with a dirty nuclear device that has the destructive power of rendering a medium-sized city uninhabitable, clues emerge that propel the police on a hunt for an elusive jihadist. A demonic man who will gladly give his own life in exchange for the ruination of international economic and social stability, he contrives a horrific plan to smuggle an enormous dirty bomb from Africa into a major European financial city. The nuclear device has the potential of creating another Chernoble, in the heart of cosmopolitan Europe, and creating a vast radioactive wasteland that will last for thousands or years. The Devil's Oracle is a shocking page turner that is nearly impossible to put down. It is timely in its subject matter, and creates what if scenarios that the reader cannot ignore in today's world of terrorist threats and evil deeds.

Ask the Oracle Priya Hemenway, Philip Dunn, 2004-03-01 Trying to make sense out of things is just plain difficult. We don't know who we are. We know very little about where we have come from, and we know absolutely nothing about where we are headed. In order to help deal with the choices that continuously face us, the Oracle has emerged. -From Ask the Oracle Consulting oracles for answers to life's complex questions has been practiced for centuries. From ancient Egypt, Greece, and Rome to the Far East, Africa, and Europe, a rich tradition has evolved for revealing and interpreting signs to show us the way. Here in America, too, the tradition of seeking answers runs deep. It is from this world reservoir of probing and discovery that Ask the Oracle: Predicting Answers to Questions of Mind, Heart, and Soul enlightens our present world with solutions for our puzzling existence. Part one of Ask the Oracle provides a brief illustrated account of these ancient practices. Readers gain a sense of the history, prominent sign readers, and the rich Eastern and Western stories that help to explain this powerful phenomenon. The Oracle is a voice that speaks when we are most in need, the text

explains. It speaks through many mediums, whispering its secrets to those who unlock the doors behind which its silence is preserved. Part two of the book incorporates a set of 30 accompanying sticks, traditionally one of the simplest forms for consulting the oracle with personal questions. Detailed instructions on throwing the sticks and interpreting their meaning are provided. Directions for reading answers fall into three sections: questions of the mind, heart, and soul. Numerous paintings and drawings, suggestive of nature and Eastern spiritual contemplation, set a tone of peacefulness and reflection for the book. The combination of art and answers will make this a true winner in an increasingly complex and confounding modern world.

*The Oracle's Journal* Dimitri Liountris, 2018-11-12 Suddenly, it's a world flooded with magic and danger draws closer with every passing second. When the powers of sixteen gods are inherited by four teenagers, destruction is not far behind. In Maxton City, everything changes in the blink of an eye. When a portal to the Chaos Realm – a place of torment, a world of horrors – opens up over Maxton City Park, the monsters begin to appear. Then comes the First Queen of Earth. Unbeknownst to anyone, four teenagers have found the means to battling these enemies deep in the Cradle of Humankind. They have found the Amulets of the Spirits, artefacts that house the souls of long-dead gods and grant the four powers beyond their wildest dreams, creating the new Guardians. Using these amulets, they can take the forms of the gods, and wield power that would incinerate mortals. But even that might not be

enough... Serena, the First Queen, the Demon Queen, is searching for the most powerful artefact in existence, an artefact capable of granting the power of a god: The Oracle's Journal. If she ascends, then not even the guardians can stop her. And there'll be no gods to help them for what comes next...

Seeing Is Believing In Oracle Bay (Books 1-4) Amy Cissell, 2022-05-06 This digital boxed set includes the first four books in the Psychics of Oracle Bay series, more than 850 pages of paranormal romance, puns, gods, demons, angels, and supernatural mysteries. Oracle Bay has always attracted the

preternaturally clairvoyant. When anyone with seers' blood in their veins steps foot in this quaint coastal town, their powers awaken. They receive a visit from the Psychics Union and shenanigans ensue. Not in the Cards: Sandy Franklin is on the run from her old life and her almost-ex-husband. Lured to Oracle Bay when she spots a classified ad for a cheap, coastal apartment above a tarot shop, Sandy signs the lease and gets more than a place to live—a gaggle of wine-drinking, pun-making seers comes part and parcel with her new home and newer abilities. What Sandy didn't see coming was falling for the man who could destroy Oracle Bay and make her house of cards come tumbling down. First Hand Knowledge: Misty Greene, born and raised in Oracle Bay, is the de facto head of the Psychics Union. She likes to keep busy. She runs her small business empire, organizes the annual Autumn Bazaar, and crafts puns and eerily accurate predictions with her psychic friends. Secrets, a mysterious stranger, and some missing goats push Misty and Joseph McEwan — the town crank, goat farmer, and the constant thorn in Misty's side since they were in high school — together, then put their romance and their lives in danger. Wing and a Prayer: Andy, a former fallen angel, has been cast out of heaven and hell. Now he's hiding in plain sight in Oracle Bay. He's been content to brew award-winning beer, tease the resident psychics, and settle into small-town life. But a Halloween scuffle started by some rowdy angels upsets the delicate balance. Soon his small-town obscurity is threatened by an apocalypse. This time, the world isn't the only thing on the

line – Andy has his heart to guard as well. Belle of the Ball: Drew is recovering from the latest apocalypse and making eyes at his ex-boyfriend Bill, hoping to rekindle their romance. But a pair of mischievous kittens show up and usher in chaos instead. An unusual party atmosphere has descended on the town and the crime rate is skyrocketing. Drew must put on his deerstalker and channel his favorite fictional detectives. With practical jokes, power-theft, and murders stacking up, Drew is getting desperate to stop the crimes before anyone else gets hurt. If he can't get to the bottom of it soon, he may never get his second chance with Bill.
