**Pirate Alley** Terence E McKnight,Michael Hirsch,2012-10-15 Named a Notable Naval Book of 2012 by Proceedings magazine, Pirate Alley is now available in paperback. The book provides an in-depth look at every aspect of Somali piracy, from how the pirates operate to how the actions of a relative handful of youthful criminals and their bosses have impacted the world economy. It explores the debate over the recently adopted practice of putting armed guards aboard merchant ships, and focuses on the best management practices that are changing the ways that ships are outfitted for travel through what's known as the High-Risk Area. Readers will learn that the consequence of protecting high quality targets such as container ships and crude oil carriers may be that pirates turn to crime on land, such as the kidnapping of foreigners.

**The Dirty Side of Leadership** Ron Ward,2020-09-07 Every manager, executive, and leader eventually learns that there's a dirty side of leadership. Most leadership books and training programs gloss over the more personal aspects of management. This book is different. It opens as Ron Ward, the newly appointed director of a federal law enforcement academy, prepares to terminate a tenured employee. As he anxiously waits for the employee to walk into his office, Ron realizes he is woefully unprepared for this moment and sets out on a quest to gain the knowledge and skills necessary to confront the many issues leaders face every day. Now, he is ready to share this information with you. In this book, Ron shares the many twists and turns of growing up in the Appalachian Coal Fields and then progressing through a dynamic career in local, state, and federal law enforcement, directing a successful national training academy, and becoming Chair of The Federal Law Enforcement Training Accreditation Board. Each story provides a takeaway, strategy, or mindset suggestion that can be

applied immediately in your day-to-day business relationships. This book is for anyone who aspires to be a truly great leader, by someone who endeavors to help you master the Dirty Side of Leadership. **Disentangle** Nancy L. Johnston, 2020-08-18 A revised edition of the best-selling solution-oriented guide to identifying and healing over-involvement or entanglement in relationships with other. Anyone who has struggled with balancing his or her own needs and desires with those of the “other” person will benefit from Nancy Johnston's sensible, easy-to-follow method for changing the course of one's relationships. Disentangle combines psychoeducation, personal anecdotes, clinical case vignettes, and skills-building exercises. Johnston describes how to turn this self-destructive cycle around with self-assessments and experiential exercises designed to address essential aspects of self-awareness, distortions in thinking, communication style and tools, and spirituality. “Disentangling” is the process of creating enough emotional space between oneself and another person in order to better see the realities of any relationship and make healthier conscious decisions about it.

**My Life As a Border Collie** Nancy L. Johnston, 2012-09-11 In this fun, inviting look at a serious topic—codependence—Nancy L. Johnston shares the life lessons she learned from her observations of the relationship behaviors exhibited by her pet collie, Daisy: The book began by my noticing behaviors in Daisy that resemble the codependent behaviors in me, which I have been working to moderate through my recovery. Daily I am struck by our tendencies to attend to others, to herd, to overreact. Johnston's delightful book examines twelve specific behaviors that, in their extreme form, can be codependent. It also offers new information on codependence and help for it, including the latest research-supported findings, so that readers can understand What am I doing that is not producing the relationship results I really want? Nancy L. Johnston, MS, LPC, LSATP, is a licensed psychotherapist and licensed substance abuse treatment practitioner in private practice in Lexington, Virginia. She has thirty-three years of clinical experience addressing a wide range of emotional and behavioral issues. Johnston specializes in treating adolescents and adults, and has always had a special interest in addiction and its effects on both individuals and family systems. Her first book, *Disentangle: When You've Lost Your Self in Someone Else*, was published by Central Recovery Press in 2011.

**The Apology** Eric Haggman, 2016-05-20 A CORRUPT GOVERNMENT, A MANIPULATED PRESS, AN EVIL CREATIVE ARM, AND A TERRIBLE SECRET COULD DECIDE THE FATE OF A COUNTRY. Filmmaker Christian Lindstrom returns to Vietnam to shoot tourism commercials, only to confront the agony of his past and the power there of the Asian underworld to control political events—including the creation and the whitewashing of Japan's history itself. For producer Nachi Tanaka, it is the story of the shameful sins of the fathers coming back to hurt and haunt her family generations later. For the Japanese government, it is a coup d'etat engineered by powerful business interests with the Japanese mafia, the Yakuza, doing their murderous bidding. ABOUT THE AUTHOR: *The Apology* is author Eric Haggman's first book, inspired by his own two-month long trips touring Vietnam and Japan, a passion for history, politics, all things mafia, and thriller novels by his favorite writers including James Patterson, James Lee Burke, Stieg Larsson and Michael Connelly. When not traveling throughout Asia and South Africa shooting videos and gathering research for his writing, Eric is the CEO and Creative Director of Haggman Advertising, which he founded. His work has been cited for excellence over 200 times by nearly every major advertising award show in the country. A Milwaukee, Wisconsin, native, Eric graduated from Colgate University. He lives on the North Shore of Boston with his muse and wife, Emily, and their cat, Shanghai, who thinks he is a dog.

*The Ranch That Was Us* Becky Crouch Patterson, 2013-01-01 Braiding strands of earthen insight with uproarious storytelling, Texas Hill Country legendary author Becky Patterson recreates the history of the Steiler Hill Ranch in twenty-four anecdotal chapters interspersed with original artwork. The result is a mixture of memoir and montage, treasure chest and tableau vivant of a world that's beautiful, brash, and wonderfully heartbreaking. Patterson -- the daughter of Texas folk hero and self-proclaimed mayor of Luckenbach, Hondo Crouch -- has big shoes to fill and she does so successfully in this colorful collection of Hill Country and Texas ranch vignettes. Foreman and general cowboy guru Raymond Kuhlmann tells stories of the Goat King and German drinking songs, the buzzard traps and Mexican corridos that filled the nighttime pastures. First-person accounts and vivid historical narratives evoke the ranch's past, overlaid with Patterson's breathless personal histories of afternoons spent rescuing a doe in a nightgown, or saving a porcupine from a pack of dogs. This is

a book that will connect you to whatever patch of earth you hold dear. It is poignant reminder of the landscapes we've forgotten to keep close, of the land that does not belong to us but simply is who we are. The Ranch That Was Us is an affectionate reminder to go outside and touch the earth that is you.
