Gets to Work! (A Tinyville Town Book) Brian Biggs, 2016-09-06 The Tinyville Town series, new from New York Times bestselling author and illustrator Brian Biggs, launches with three books: Tinyville Town Gets to Work!, a world-establishing picture book that introduces the town and its many residents, and two board books, I'm a Veterinarian and I'm a Firefighter. The series is set in a cozy community where the people are kind, everyone says hello when they're walking down the street, the bus is always on time, and all the townsfolk do their part to keep things running smoothly. Everyone has a job to do in Tinyville Town. With a nod to the busy world of Richard Scarry and the neighborhood feel of Sesame Street, this new series will become a favorite read for preschoolers and is ideal for story time and class discussions about occupations and community helpers. Tinyville Town is a growing, thriving city full of interesting people. The townsfolk can't wait to show readers around! In Tinyville Town Gets to Work!, we see the evolution of a construction project to solve a problem. When there is a traffic jam on the Tinyville Town bridge, the residents decide to work together to build a new one. By following the hard work of the engineers and construction workers, readers will get to meet many different people in the town while watching the exciting new bridge take shape. The large picture book format and Biggs's bright art brilliantly show the bridge, which was extensively researched to make it authentic for readers. Every town has a bridge, and a trip over Tinyville's new one will be fun for kids time and time again.

I'm a Veterinarian (A Tinyville Town Book) Brian Biggs, 2016-09-06 The Tinyville Town series, new from New York Times bestselling author and illustrator Brian Biggs, launches with three books: *Tinyville Town Gets to Work!*, a world-establishing picture book that introduces the town and its many residents, and two board books, *I'm a Veterinarian* and *I'm a Firefighter*. The series is set in a cozy community where the people are kind, everyone says hello when they're walking down the street, the bus is always on time, and all the townsfolk do their part to keep things running smoothly. Everyone has a job to do in Tinyville Town. With a nod to the busy world of Richard Scarry and the neighborhood feel of Sesame Street, this new series will become a favorite read for preschoolers and is ideal for story time and class discussions about occupations and community helpers. Tinyville Town is a growing, thriving city full of interesting people. They can't wait to show readers around! In *I'm a Veterinarian*, we see what it's like in a day in the life of a town animal doctor. Tinyville Town's veterinarian begins her day at home with her two cats, two dogs, and one fish. Once at work, she examines a firefighter's dalmatian, who is not feeling well at all. Follow along as the vet runs tests and makes a surprising discovery! This book will comfort a child bringing a beloved pet to the vet for the first time, and satisfy an inquisitive child's curiosity about what an animal doctor does, how they are able to diagnose so many different kinds of pets, and how their office is different from their own doctors. Every town has at least one vet office, and Tinyville's is the one kids will want to visit again and again.

The Private Lives of the Impressionists Sue Roe, 2008-12-13 New York Times Bestseller "Anyone who has ever lost themselves in Monet's color-saturated gardens or swooned over Degas's dancers will enjoy this revealing group portrait of the artists who founded the Impressionist movement. . . . For the armchair dilettante, as well as the art-history student, this is lively, required reading." — *People* The first book to offer an intimate and lively biography of the world's most popular group of artists, including Manet, Monet, Pissarro, Cézanne, Renoir, Degas, Sisley, Berthe Morisot, and Mary Cassatt. Though they were often ridiculed or ignored by their contemporaries, today astonishing sums are paid for their paintings. Their dazzling works are familiar to even the most casual art lovers—but how well does the world know the Impressionists as people? Sue Roe's colorful, lively, poignant, and superbly researched biography, *The Private Lives of the Impressionists*, follows an extraordinary group of artists into their Paris studios, down the rural lanes of Montmartre, and into the rowdy riverside bars of a city undergoing monumental change. Vivid and unforgettable, it casts a brilliant, revealing light on this unparalleled society of genius colleagues who lived and worked together for twenty years and transformed the art world forever with their breathtaking depictions of ordinary life.

Wonderland, 2022-05-03 The first commercial collection of work by Nanaco Yashiro, an illustrator who has attracted international attention for her fluid lines, vivid colors, and vintage style. Nanaco Yashiro's illustrations feature various motifs such as a woman in a feathered robe from Japanese mythology, a large tiger reminiscent of Arabia, a man in a spacesuit, and concept art for an imaginary movie about heaven and hell that the illustrator created herself and are each drawn sometimes in delicately refined watercolor brushwork and at other times in bold strokes with acrylic gouache. While the themes and motifs may vary, all of them depict Nanaco Yashiro's signature style which is sure to continue fascinating her audience forever. This book contains nearly 120 carefully selected illustrations, including many that have been newly drawn for this book, which are grouped in different themes, such as plants, animals, beautiful women, and fairytales, allowing readers to enjoy the lovely and mysterious world of Yashiro's works. This book will not only appeal to Nanaco Yashiro's current fans but will also captivate those who are new to her beautiful, delicate, and colorful illustrations.

This Is Not a Normal Animal Book Julie Segal-Walters, 2017-11-07 Blobfish! Blobfish blobfish blobfish! This is a silly picture book about animals and collaboration—or lack thereof. But mostly blobfish. This is a book about animals. It is? I mean, it sort of is. It does have animals in it. It's a book about animals. I hear you, but you have to admit it's pretty strange. This is NOT a normal animal

book. You should read it. At least we can agree on that. This offbeat picture book asks hilarious questions about animals and art, who's in charge of a picture book—the author or the illustrator—and really gets you thinking about...BLOBFISH!

Gwen John Sue Roe, 2010-09-30 In 1942, at the height of his fame, Augustus John predicted that 'fifty years from now I shall be known as the brother of Gwen John'. Gwen John (1876 - 1939) is indeed now recognised as a great artistic innovator, yet for years her life remained shrouded in the myth of the solitary recluse. Born in Pembrokeshire, Gwen followed her brother to the Slade. Her future was bound up with Augustus, his women and his coteries, yet she was also daring and highly original, living determinedly in her own way. Defiant yet shy, she painted and modelled amid the Bohemian circles of early twentieth-century Paris and embarked on a long, intense love affair with France's most legendary artistic figure, the sculptor Rodin. A friend of Symbolist poets and post-Impressionist painters, later she turned increasingly to religion, achieving a deep serenity which masked her inner turbulence, creating her haunting paintings - delicate, austere, restrained and still. Based on her lively and passionate unpublished letters and copiously illustrated, this vivid new biography challenges our prejudices about the ways we evaluate women artists and finally uncovers the life of this ardent and complicated personality, one of the finest artists of her day. Curb Divya Victor, 2021 Winner of the 2022 PEN Open Book Award! Winner of the 2022 Kingsley Tufts Poetry Award! Finalist for the 2022 CLMP Firecracker Awards in Poetry! Curb maps our post-9/11 political landscape by locating the wounds of domestic terrorism at unacknowledged sites of racial and religious conflict across cities and suburbs of the United States. Divya Victor documents how immigrants and Americans navigate the liminal sites of everyday living: lawns, curbs, and sidewalks, undergirded by violence but also constantly repaved with new possibilities of belonging. Curb witnesses immigrant survival, familial bonds, and interracial parenting in the context of nationalist and white-supremacist violence against South Asians. The book refutes the binary of the model minority and the monstrous, dark other by reclaiming the throbbing, many-tongued, vermillion heart of kith.
