**Bracketology** Joe Lunardi,David Smale,Mark Few,2021-03-02 Lunardi delves into the early days of Bracketology, details its growth, and dispels the myths of the process The NCAA Tournament has become one of the most popular sports events in the country, consuming fans for weeks with the run to the Final Four and ultimately the crowning of the champion of college hoops.? Each March, millions of Americans fill out their bracket in the hopes of correctly predicting the future. Yet, there is no true Madness without the oft-debated question about what teams should be seeded where—from the Power-5 Blue Blood with some early season stumbles on their resume to the mid-major that rampaged through their less competitive conference season—and the inventor of Bracketology himself, Joe Lunardi, now reveals the mystery and science behind the legend. While going in depth on his ever-evolving predictive formula, Lunardi compares great teams from different eras with intriguing results, talks to the biggest names in college basketball about their perception of Bracketology (both good and bad), and looks ahead to the future of the sport and how Bracketology will help shape the conversation. This fascinating book is a must-read for college hoops fans and anyone who has aspired to win their yearly office pool.

**Legends of Syracuse Basketball** Mike Waters, 2013-08-01 A list of legends is significant not only for who makes the list, but who gets left off of it. If there are no obvious omissions, then the list of candidates was probably less than legendary in the first place. Not so in the case of the Syracuse University Orangemen. Calling roll on Syracuse's all-time basketball greats can take up the greater part of a day. The school produced its first All-

American, Lewis Castle, in 1912. More recently, Carmelo Anthony, one of the best freshmen to ever play college basketball, led the 2003 Orangemen to the school's first NCAA championship. In between there were legends such as the incomparable Dave Bing, Roosevelt Bouie, and Louis Orr, who together formed the Louie and Bouie Show, along with names like Derrick Coleman, Sherman Douglas, Lawrence Moten, and John Wallace. Legends of Syracuse Basketball, now newly revised, features twenty-four players, one coach, and one special team. Of the players mentioned, seventeen played in the NBA. Within the book's pages are stories straight from the legends' teammates, their coaches, and the legends themselves.
