Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.
