*The People Code* Taylor Hartman, 2007-09-18 In his life-changing book, Dr. Taylor Hartman introduces you to the People Code and why people do what they do. The concept of Motive is a fresh method for analyzing your own innate personality as well as that of those around you. You then have the ability to utilize that knowledge to improve workplace and personal relationships. As an author, psychologist, and leadership coach, Dr. Hartman offers a remarkably astute system for segmenting everyone into specific Motive-types denoted by a color: Red (power wielders), Blue (do-gooders), White (peacekeepers), and Yellow (fun lovers). He then explains how to ensure that all possible alliances between them function at optimum effectiveness. If you struggle with self-acceptance and have questions about why you and others act the way you do, Dr. Hartman and *The People Code* can help you maximize your life success by improving your day-to-day relationships.

**What Color is Your Brain?** Sheila N. Glazov, 2008 Rather than offer an excuse for people's behavior, this book helps to explain why our perspectives differ from or relate to the viewpoints of others.

The Four Tendencies Gretchen Rubin, 2017-09-12 NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life”

(Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, The Four Tendencies will help you get happier, healthier, more productive, and more creative.

**Ode to Color** Lori Weitzner, 2016-12-06 Internationally renowned textile designer Lori Weitzner presents a novel, layered perspective on the use and significance of color in design and culture in this spectacular treasury

illustrated with 225 full-color images. *Ode to Color*, a stunning anthology by renowned and award-winning textile and wallcovering designer Lori Weitzner, principal of Lori Weitzner Design, Inc., offers an immersive, sensual, and engaging journey in the world of color as it applies to culture, design, mood, and memory. Each of the ten chapters in this richly illustrated volume presents a distinct color world through an intimate and often kaleidoscopic perspective, a compilation of the numerous—and often shifting—associations and emotions we assign to a color or group of colors. Each chapter combines diverse imagery—evocative fine art and photography, environmental interiors, details of Weitzner's gorgeous designs as well as her sketches and watercolors—with excerpts from literature and her own essays on a wide array of topics relating to the palette. The result is a fully sensory conveyance of each palette's particular power as well as a consideration of its tangible and intangible connections, from its place in religion, pop culture, and commerce to the impact it has upon our decision making, our moods, and our tastes. While each chapter is unique in its approach to the ten worlds, with its mix of essays, prose and range of art, from a Technicolor Disney cartoon in *Out Loud* to David Bowie as Ziggy Stardust in *Silverlight*, each chapter includes: An introductory essay on a subject that characterizes the palette A two-page photograph of an open drawer in Weitzner's studio that she has arranged with various fabrics, skeins, and objects that, together, comprise the palette; An evocative two-page word collage that presents both color

names and the words commonly associated with the palette; Design pointers that provide in-depth insight to working with color and to decorating with each palette throughout the home, from wall treatments to accessories. Spectacular and imaginative, this experiential volume will captivate, inspire, and inform a broad audience, including interior designers and decorators, architects, graphic and fine artists, and anyone interested in art, design, fashion, pop culture, and spiritual discovery. Sumptuous, beautifully designed, and filled with wondrous imagery and compelling stories and facts, it makes an inspiring and unusual gift for almost any occasion.

*The Four Color Personalities for MLM* Tom "Big Al" Schreiter, 2018-03-20  
Instant bonding, instant communication, and how to get your network marketing prospects to fully understand and act on your message = fun! This is the most fun of the 25 skills of network marketing. Our prospects have a different point-of-view than we do. So how do we give them our message in a way they get it and enjoy it? By quickly identifying their color personality. This isn't a boring research textbook on the four different personalities. This book is a fun, easy way to know how your prospects think, and the precise magic words to say to each of the four personalities. The results are stunning. Shy distributors become confident when they understand how their prospects think. Experienced distributors have short conversations that get prospects to join immediately. Why be frustrated with prospects? Instead, quickly discover the four personalities in a fun way that you will always

remember. You will enjoy observing and analyzing your friends, co-workers and relatives, and you'll see the way they see the world. It feels like you have 3-D glasses in your network marketing career. Of the 25 skills, this is the first skill that new distributors should learn. Why? It gives new distributors instant confidence. It eliminates rejection. It helps prospects listen with open minds. It gets instant results. What could be better than that? You won't have to look for great prospects when you know the four color personalities. You will have the ability to turn ordinary people into hot prospects by knowing their color personality and by saying the right words. By using humorous, slightly exaggerated examples of the four personality traits, you will remember and use this skill immediately. Life is more fun when you are the only one with the 3-D glasses. This is the one skill that you'll use every day for the rest of your life! Get ready to smile and achieve quicker rapport and results.

Surrounded by Idiots Thomas Erikson, 2019-07-30 Do you ever think you're the only one making any sense? Or tried to reason with your partner with disastrous results? Do long, rambling answers drive you crazy? Or does your

colleague's abrasive manner rub you the wrong way? You are not alone. After a disastrous meeting with a highly successful entrepreneur, who was genuinely convinced he was 'surrounded by idiots', communication expert and bestselling author, Thomas Erikson dedicated himself to understanding how people function and why we often struggle to connect with certain types of people. Surrounded by Idiots is an international phenomenon, selling over 1.5 million copies worldwide. It offers a simple, yet ground-breaking method for assessing the personalities of people we communicate with – in and out of the office – based on four personality types (Red, Blue, Green and Yellow), and provides insights into how we can adjust the way we speak and share information. Erikson will help you understand yourself better, hone communication and social skills, handle conflict with confidence, improve dynamics with your boss and team, and get the best out of the people you deal with and manage. He also shares simple tricks on body language, improving written communication, advice on when to back away or when to push on, and when to speak up or shut up. Packed with 'aha!' and 'oh no!' moments, Surrounded by Idiots will help you understand and communicate with those around you, even people you currently think are beyond all comprehension. And with a bit of luck you can also be confident that the idiot out there isn't you!
