

Color Sudoku Free

Albert A Gayle

Color Sudoku Philip Riley, Laura Taalman, 2007-06 Sudoku fans will welcome this bright new twist to the popular puzzles! Every one of these ingenious creations--from Bold X to Rainbow Up--makes colors and patterns part of the solving fun. And although each puzzle maintains the normal 9x9 grid and follows the basic rules of the game, every style adds an additional restriction to intensify the challenge. In Worms, for example, swirly, squirmy shapes fill the grids; the numbers increase as you work your way from head to tail. Even/Odd features squares in two colors, depending on whether the number to fill it is even or odd. And in Positional Board, no two of the red squares can be the same number. They're all lots of fun!

Color Sudoku Puzzles Tina Wilson, 2016-08-26 Color Sudoku Puzzles Do you like Sudoku? Do you like coloring? Then this book is for you!
