Blindsight Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there

isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Surfing Uncertainty* Andy Clark, 2016 This title brings together work on embodiment, action, and the predictive mind. At the core is the vision of human minds as prediction machines - devices that constantly try to stay one step ahead of the breaking waves of sensory stimulation, by actively predicting the incoming flow. In every situation we encounter, that complex prediction machinery is already buzzing, proactively trying to anticipate the sensory barrage. The book shows in detail how this strange but potent

strategy of self-anticipation ushers perception, understanding, and imagination simultaneously onto the cognitive stage.

*Night Film* Marisha Pessl, 2013-08-20 On a damp October night, the body of young, beautiful Ashley Cordova is found in an abandoned warehouse in lower Manhattan. By all appearances her death is a suicide--but investigative journalist Scott McGrath suspects otherwise. Though much has been written about the dark and unsettling films of Ashley's father, Stanislas Cordova,

very little is known about the man himself. As McGrath pieces together the mystery of Ashley's death, he is drawn deeper and deeper into the dark underbelly of New York City and the twisted world of Stanislas Cordova, and he begins to wonder--is he the next victim? In this novel, the dazzlingly inventive writer Marisha Pessl offers a breathtaking mystery that will hold you in suspense until the last page is turned.

**Mastering the Art of French Eating** Ann Mah, 2014-10-28 The memoir of a young diplomat's wife who must reinvent her dream of living in Paris—one dish at a time When journalist Ann Mah's diplomat husband is given a three-year assignment in Paris, Ann is overjoyed. A lifelong foodie and Francophile, she immediately begins plotting gastronomic adventures à deux. Then her husband is called away to Iraq on a year-long post—alone. Suddenly, Ann's vision of a romantic sojourn in the City of Light is turned upside down. So, not unlike another diplomatic wife, Julia Child, Ann must find a life for herself in a new city. Journeying through Paris and the surrounding regions of France, Ann

combats her loneliness by seeking out the perfect pain au chocolat and learning the way the andouillette sausage is really made. She explores the history and taste of everything from boeuf Bourguignon to soupe au pistou to the crispiest of buckwheat crepes. And somewhere between Paris and the south of France, she uncovers a few of life's truths. Like Sarah Turnbull's *Almost French* and Julie Powell's *New York Times* bestseller *Julie and Julia*, *Mastering the Art of French Eating* is interwoven with the lively characters Ann meets and the traditional recipes she samples. Both funny and intelligent, this is a story about love—of food, family, and France.

*Paper Towns* John Green, 2013 Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

**Five Feet Apart** Rachael Lippincott, 2019-02-05 Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 *New York Times* bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life.

At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

**Me Myself & Him** Chris Tebbetts, 2019-07-09 Perfect for fans of Becky Albertalli's *Simon vs. the Homo Sapiens Agenda* and A. S. King's *Still Life with Tornado*, this story of parallel time lines cleverly explores how our choices can change and shape us--as well as the ways in which choices don't change the core of our being at all. When Chris Schweitzer takes a hit of whippets and passes out face first on the cement, his nose isn't the only thing that changes forever. Instead of staying home with his friends for the last summer after high school, he's shipped off to live with his famous

physicist but royal jerk of a father to prove he can play by the rules before Dad will pay for college. Or . . . not. In an alternate time line, Chris's parents remain blissfully ignorant about the accident, and life at home goes back to normal--until it doesn't. A new spark between his two best (straight) friends quickly turns Chris into a (gay) third wheel, and even worse, the truth about the whippets incident starts to unravel. As his summer explodes into a million messy pieces, Chris wonders how else things might have gone. Is it possible to be jealous of another version of yourself in an alternate reality that doesn't even exist? With musings on fate, religion, parallel universes, and the best way to eat a cinnamon roll, *Me Myself & Him* examines how what we consider to be true is really just one part of the much (much) bigger picture. Wildly ingenious,...altogether, the novel's a winner in this and any other universe.-Booklist, Starred Review Tebbetts creates entertaining dual narratives...[and] enjoyable Easter eggs.-Publishers Weekly An engaging story that examines love, relationships, and the different paths one's life can take...[perfect] for fans of Adam Silvera and Becky Albertalli's *What if It's Us*, Bill Konigsberg's *The Music of What Happens*, and Robyn Schneider's *The Beginning of Everything*.--SLJ
