**The Brown Fairy Book** Andrew Lang, 1904 The stories in this Fairy Book come from all quarters of the world. For example, the adventures of 'Ball-Carrier and the Bad One' are told by Red Indian grandmothers to Red Indian children who never go to school, nor see pen and ink. 'The Bunyip' is known to even more uneducated little ones, running about with no clothes at all in the bush, in Australia. You may see photographs of these merry little black fellows before their troubles begin, in 'Northern Races of Central Australia, ' by Messrs. Spencer and Gillen. They have no lessons except in tracking and catching birds, beasts, fishes, lizards, and snakes, all of which they eat. But when they grow up to be big boys and girls, they are cruelly cut about with stone knives and frightened with sham bogies all for their good' their parents say and I think they would rather go to school, if they had their choice, and take their chance of being birched and bullied

*The Olive Fairy Book* Andrew Lang, 1907 Twenty-nine tales from the folklore of Turkey, India, Denmark, Armenia, and the Sudan.

**The Blue Fairy Book** Andrew Lang, 2015-11-22 Andrew Lang's Fairy Books (also known as Andrew Lang's Coloured Fairy Books or Andrew Lang's Fairy Books of Many Colors) are a

series of twelve collections of fairy tales, published between 1889 and 1910. Each volume is distinguished by its own color. In all, 437 tales from a broad range of cultures and countries are presented.

**The Crimson Fairy Book** Andrew Lang,1903 A collection of fairy tales.

*The Rainbow Fairy Book* Andrew Lang,2012-09-21 Here are thirty-one enchanting selections drawn from Andrew Lang's famous series of colorfully titled fairy tale anthologies. Scholar, poet, novelist, and literary critic, Lang tirelessly collected magical stories from cultures all over the world—stories, according to Lang, that have been inherited by our earliest civilised ancestors, who really believed that beasts and trees and stones can talk if they choose, and behave kindly or unkindly. The best single-volume collection of Lang's fairy tale classics available, *The Rainbow Fairy Book* includes Hansel and Gretel, Rapunzel, Jack and the Beanstalk, The Prince and the Dragon, Rumpelstiltskin, The Three Little Pigs, Snow-White and Rose-Red, and other enduring fables of childhood. Lyrical and timeless, these are the stories that have captured the imaginations of children and adults alike for generations.

*The Orange Fairy Book* Andrew Lang,2009-05-01 The Fairy Books, or Coloured Fairy Books is a collection of fairy tales divided into twelve books, each associated with a different colour. Collected together by Andrew Land they are sourced from a number of different countries and were translated by Lang's wife and other translators who also retold many of the tales. The collection has been incalculably important and, although he did not source the stories himself direct from the oral tradition he can make claim to the first English translation of many. First published in 1906, *The Orange Fairy Book* is the 10th

volume in this series.

**The Lilac Fairy Book** Andrew Lang, 2024-01-30 Our stories are almost all old, some from Ireland, before that island was as celebrated for her wrongs as for her verdure; some from Asia, made, I dare say, before the Aryan invasion; some from Moydart, Knoydart, Morar and Ardnamurchan, where the sea streams run like great clear rivers and the saw-edged hills are blue, and men remember Prince Charlie. Some are from Portugal, where the golden fruits grow in the Garden of the Hesperides; and some are from wild Wales, and were told at Arthur's Court; and others come from the firesides of the kinsmen of the Welsh, the Bretons. There are also modern tales by a learned Scandinavian named Topelius. All the stories were translated or adapted by Mrs. Lang, except 'The Jogi's Punishment' and 'Moti,' done by Major Campbell out of the Push-too language; 'How Brave Walter hunted Wolves,' which, with 'Little Lasse' and 'The Raspberry Worm,' was done from Topelius by Miss Harding; and 'The Sea King's Gift,' by Miss Christie, from the same author. It has been suggested to the Editor that children and parents and guardians would like 'The Grey True Ghost-Story Book.' He knows that the children would like it well, and he would gladly give it to them; but about the taste of fond anxious mothers and kind aunts he is not quite so certain. Before he was twelve the Editor knew true ghost stories enough to fill a volume. They were a pure joy till bedtime, but then, and later, were not wholly a source of unmixed pleasure. At that time the Editor was not afraid of the dark, for he thought, 'If a ghost is here, we can't see him.' But when older and better informed persons said that ghosts brought their own light with them (which is too true), then one's emotions were such as parents do not desire the young to endure. For this reason 'The Grey True Ghost-Story

Book' is never likely to be illustrated by Mr. Ford.

*The Fairy Books of Many Colors Volume One* Andrew Lang,2020-11-17 Four volumes in the influential series of folklore and fairy tales collected from many cultures—for children of all ages.
